The reader was there at 8am. Tried both of your phone numbers, one is disconnected, one has the mailbox full. We can get the reader back out there, please advise ASAP. Please give us a working number where the reader may contact someone, please. Thanks,

Erin

Just spoke with the contact. Stated he could be there by 8am but only has a short time to spare. Is there a disposition on adjusting the time?

Subject: RE: Meter Read TimeThe meter reading is scheduled to take place tomorrow between 8am and 2pm. I need to know a time before noon today so that we can schedule it with our planners, as this will be a special accommodating since we are unable to get regular access. Please advise before noon today.
