NOTE: Failure to answer all of the questions on this form may result in this form being returned without processing.

① On 11/13/13 Peoples Gas representatives, (4 of them) illegally entered my property and removed a gas meter and stole my 30 pound brick magnet. The representatives were not wearing any type of vest or any form of identification, they were in gray hooded sweatshirts. When I inquired as to why they were on my property, I was accused and verbally assaulted by employee #14308, stating I was stealing gas and they have confiscated the evidence. I then informed them that I was calling the police, then another employee stepped into my face and told me "they were the police". I then called 911 and accused Peoples Gas of stealing and trespassing. As your employees were leaving with your meter and stealing my magnet, I was thrown a business card for Peoples Gas and told to deal with them. Also has to demand all of their badge numbers, which were concealed.

② 11/14/13 Tried calling Peoples Gas all day at number provided - could not get through.

11/14/13 - Afternoon went to Chicago Police Department and **failed** to file report #HW532997 against Peoples Gas for stealing my magnet.

- ③ 11/16/13 Received bill from Peoples Gas for \$1,940.17 for unmetered gas. Reviewing this bill, I noticed this is a new account number, with a different meter number than the one confiscated by Peoples Gas. Could you please explain in detail how it was determined that I had consumed 1,699 therms of Natural Gas? Especially with a separate, different meter than the one confiscated.
- ④ Reference your file # 13U 0723, a letter addressed to Michael Kreith. An Illegal natural gas connection was removed, please explain exactly what was hooked up illegally? Equipment owned by Peoples Gas had been tampered with. Please explain how and show evidence? Are there photos? What work orders and paper trail authorizing meter removal?
- ⑤ 11/19/13 - Ruben Mercado of Customer Support issued an email with the following statements "It was detected Mr. Kreith was being deceptive as a customer". When, How, Paper Trail to when this was detected, Why? "Account was being monitored", Since when? Show why?
"Magnet attached to meter" "Pictures were taken." Please show timeline and photos with all proof?

⑥ Would like to see the timeline, evidence, work order that all relates to sending a 4 man crew to my house to trespass steal and confiscate your meter on 11/13/13. During which I am threatened AND verbally assaulted.

Illinois Commerce Commission

\$5,000

Would like you to investigate how, why Peoples GAS can ~~not~~ falsely accuse paying customers of theft? How they can send hooded thugs to verbally assault and threaten people? Why are employees claiming to be Police Officers of the LAW? Stealing, TRESPASSING without just cause. Would like all hardships and cost associated to be the responsibility of Peoples ~~Energy~~ GAS. Would like Peoples ~~Energy~~ GAS employee #14308 to be disciplined. This # is the man whom threatened and verbally assaulted me, he should not work in public?

Mitchell
