Dear Ms. Boampong:

On July 17, 2013, Emissions Consult, LLC ("Company") filed an Application for a license to supply electricity or electric generation services in Maryland under COMAR 20.51. The Company proposes to provide electricity supplier services in Maryland for commercial and industrial customers as described in the application. Additional information was filed on August 8, 2013 and August 21, 2013.

After considering this matter at the October 9, 2013 Administrative Meeting, the Commission granted the Company a license to supply electricity or electric generation services in Maryland in accordance with its Application (License Reference Number IR-3156). The license granted by the Commission under this Letter Order is limited solely to electricity supplier broker services to commercial and industrial customers.

Finally, the Company is reminded that it is under a continuing obligation to notify the Commission within 30 days of any changes to the information upon which the Commission relied in granting this license. A copy of the supplemental or updated information is required to be filed concurrently with the Office of People's Counsel.
