ORDER

By the Commission:

I. PROCEDURAL HISTORY

On December 9, 2013, pursuant to 83 Illinois Administrative Code Part 763, Illinois Bell Telephone Company d/b/a AT&T Illinois d/b/a AT&T Wholesale (“AT&T Illinois”) and tw telecom of Illinois, llc (“tw telecom”), filed a joint petition for approval of the 2nd Amendment to the Interconnection Agreement dated November 22, 2013 under Section 252 of the Telecommunications Act of 1996 (47 U.S.C. § 252 et seq.) (“the Act”). The 2nd Amendment to the Agreement was submitted with the petition. A statement in support of the petition was filed along with verifications sworn to by Jennifer Bracken on behalf of AT&T Illinois and by Tina Davis on behalf of tw telecom of Illinois, llc, stating that the facts contained in the petition are true and correct to the best of their knowledge, information, and belief. Pursuant to notice as required by law and the rules and regulations of the Commission, this matter came on for hearing by the duly authorized Administrative Law Judge of the Commission at its offices in Chicago, Illinois, on February 19, 2014. Staff previously filed the Verified Statement of A. Olusanjo Omoniyi of the Commission’s Telecommunications Division on February 19, 2014. At the hearing, tw telecom did not appear on the record. AT&T Illinois and Staff appeared and agreed that there were no unresolved issues in this proceeding. Subsequently Mr. Omoniyi’s Verified Statement was admitted into evidence and the record was marked “Heard and Taken.”

II. SECTION 252 OF THE TELECOMMUNICATIONS ACT

Section 252(a)(1) of the Act allows parties to enter into negotiated agreements regarding requests for interconnection services or network elements. AT&T Illinois and tw telecom have negotiated an Amendment to the Agreement and submitted it for approval in this proceeding.

Section 252(e)(1) of the Act provides, in part, that "[a]ny interconnection agreement adopted by negotiation...shall be submitted for approval to the State Commission." This Section further provides that a State Commission to which such an agreement is submitted "shall approve or reject the agreement, with written findings as to any deficiencies." Section 252(e)(2) provides that the State Commission may only reject the negotiated agreement if it finds that "the agreement (or portion thereof) discriminates against a telecommunications carrier not a party to the agreement" or that "the implementation of such agreement or portion is not consistent with the public interest, convenience, and necessity."

Section 252(e)(4) provides that the agreement shall be deemed approved if the State Commission fails to act within 90 days after submission by the parties. This provision further states that "(n)o State court shall have jurisdiction to review the action of a State Commission in approving or rejecting an agreement under this section".

Section 252(e)(5) provides for preemption by the Federal Communications Commission if a State Commission fails to carry out its responsibility, and Section 252(e)(6) provides that any party aggrieved by a State Commission's determination on a negotiated agreement may bring an action in the appropriate Federal District Court.

Section 252(h) requires a State Commission to make a copy of each agreement approved under subsection (e) "available for public inspection and copying within 10 days after the agreement or statement is approved." Section 252(i) requires a local exchange carrier to "make available any interconnection, service, or network element provided under an agreement approved under this section to which it is a party to any other requesting telecommunications carrier upon the same terms and conditions as those provided in the agreement."

III. THE 2nd AMENDMENT TO THE AGREEMENT

The purpose of the 2nd Amendment to the Agreement is to provide revised terms, conditions and rates for E911 services to the CLECs in the Midwest Region. It changes the rates for E911 records stored in the E911 data base and removes the option of providing ANI/ALI/SR and Database Management Access Routing files via CD-ROM. The 2nd Amendment does not modify or extend the Effective Date or Term of the underlying Agreement; rather it is coterminous with the Agreement. Except as modified by the Amendment, all other terms and conditions of the underlying Agreement remain unchanged and in full force and effect.

IV. POSITIONS OF THE PARTIES

No party contended that the 2nd Amendment to the Agreement is discriminatory or contrary to the public interest. Staff reviewed the Amendment to the Agreement in the context of the criteria contained in Section 252(e)(2)(A) of the Act and determined that it met the necessary requirements. Under this Section, the Commission may reject an

agreement, or any portion thereof, adopted by negotiation under Subsection (a) only if it finds that (i) the agreement, or a portion thereof, discriminates against as telecommunications carrier not a party to the agreement; or (ii) the implementation of such an agreement, or a portion thereof, is not consistent with the public interest, convenience and necessity.

Mr. Omoniyi stated that the 2nd Amendment to the Agreement meets the standards set forth in the Telecommunications Act of 1996 and is consistent with the public interest, convenience and necessity. There are no contested issues in this docket. Staff recommended that the Commission approve the 2nd Amendment to the Agreement for the reasons set forth in the Verified Statement of Mr. Omoniyi. Staff also recommended that the Commission require AT&T Illinois to file with the Office of the Chief Clerk, within five (5) days from the date upon which the 2nd Amendment is approved, a verified statement that the approved Amendment is the same as the Amendment filed in this Docket with the Verified Petition.
