AFFIDAVIT OF RHONDA GRESHAM BROCKETT

Rhonda Gresham Brockett, being first duly sworn on oath, deposes and states that she has personal knowledge of the facts contained herein and if called as a witness in this cause, she would testify as follows:

INTRODUCTION

1. I am over the age of 18 and I am competent to testify herein.
2. I am the co-owner of property in Christian County, Illinois, which is significantly adversely impacted by the Ameren Transmission Company of Illinois (hereinafter "ATXI") Alternate Route 2 of the Pawnee-Pana Segment described in Section VIII of the Second Order on Rehearing in this docket dated February 20, 2014.
3. My father, Albert E. Gresham and his sister, Helen Virginia (Gresham) Lockhart, each were left with a 50% share of an undivided parcel of land of

approximately 121.38 acres. The other 50% share of the Property is owned by the Lockhart Living Trust Dated August 26, 1996 and my cousin, Robert B. Lockhart, is the Trustee.

4. Attached hereto as Brockett Aff. Exhibit 1 is a true and correct copy of a Plat of Survey concerning the Lockhart/Given/ Brockett Property at issue here which is identified as "B" 121.38 acres on the Plat of Survey. See, Brockett Aff. Exhibit 1.

5. On December 30, 2013, my father, Albert E. Gresham, who at all relevant times lived at 600 Vance Road, Huntsville, Alabama 35801, transferred his interest in the Property to be held jointly by me, Rhonda (Gresham) Brockett with a residence at 3639 Wentworth Lane, Lilburn, GA 30047 and my sister Cheryl (Gresham) Given, who resides at 8212 Fox Run Lane Knoxville, TN 37919. (See Brockett Aff. Exhibit 2, attached).

6. The legal description for the Gresham portion of the Property deeded to my sister, Cheryl Given, and me is contained on Exhibit 2 attached hereto. The Tax ID number on the property is 11-25-06-400-001. (See, Brockett Aff. Exhibit 2, attached hereto). The street address for the farm is 518 Illinois Route 29, Pana, Illinois.

7. At no time did I receive any notice of any kind from ATXI or any party to Docket No. 12-0598, about Docket 12-0598, the location of the planned transmission lines through the Pawnee-Pana segment of the Illinois Rivers Project or ATXI's Alternate Route 2 for the Pawnee-Pana Segment or any modification to Alternate Route 2.

8. At no time have I ever been told by my father, Albert Gresham, that he received any notice of any kind from ATXI or any party to Docket No. 12-0598, about Docket 12-0598, the location of the planned transmission lines through the Pawnee-Pana

segment of the Illinois Rivers Project or ATXI's Alternate Route 2 for the Pawnee-Pana Segment or any modification to Alternate Route 2.

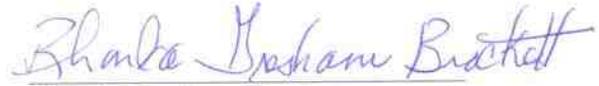

9. The first I learned of Docket No. 12-0598, the location of the planned transmission lines through the Pawnee-Pana segment of the Illinois Rivers Project or ATXI's Alternate Route 2 for the Pawnee-Pana Segment or any modification to Alternate Route 2 and that the Lockhart/Given/Brockett Property would be affected, was on or about March 8, 2014, when my sister called me and told me of a letter she received from ATXI.

10. Subsequently on or about March 12, 2014, I received a certified letter from ATXI dated March 5, 2014 indicating that it had received authorization from the Illinois Commerce Commission to construct a new transmission line on a route that affects the Lockhart/Given/Brockett Property. The transmission line is reported to be a 345kV line, this is classified as an Extra-High-Voltage (EHV) line. (See Brockett Aff. Ex. 3, attached hereto).

11. Exhibit 3 is the first and only correspondence or notice that I received at any time which concerned Docket 12-0598 concerning the Illinois Rivers Project and the location of the planned transmission line for the Pawnee-Pana Segment.

12. On Saturday, March 22, 2014, I received a letter dated in Septemeber of 2013 from the Illinois Department of Agriculture. A copy of the letter and envelope is attached hereto as Brockett Aff. Exhibit 4. However, this letter pre-dates the Second Rehearing Order and does not give any notice or specific information about the ICC Docket 12-0589, the Pawnee-Pana segment of the Illinois Rivers Project or the ATXI Alternate Route 2 within that segment.

13. I have read the affidavit of my cousin Robert Lockhart, Trustee of the Lockhart Family Trust dated August 26, 1996, filed in this Docket and adopt by reference herein as if it were my own testimony his description of the current use of the Lockhart/Given/ Brockett Property, the lack of notice given to the owners of the Lockhart/Given/ Brockett Property and negative impact that ATXI's Alternate Route 2 will have on our Property appearing in paragraphs 16 to 49 of his affidavit.
FURTHER AFFIANT SAYTH NOT.

Rhonda Gresham Brockett
