AFFIDAVIT OF CHERYL GRESHAM GIVEN

Cheryl Gresham Given, being first duly sworn on oath, deposes and states that she has personal knowledge of the facts contained herein and if called as a witness in this cause, she would testify as follows:

INTRODUCTION

1. I am over the age of 18 and I am competent to testify herein.
2. I am the co-owner of property in Christian County, Illinois, which is significantly adversely impacted by the Ameren Transmission Company of Illinois (hereinafter "ATXI") Alternate Route 2 of the Pawnee-Pana Segment described in Section VIII of the Second Order on Rehearing in this docket dated February 20, 2014.
3. My father, Albert E. Gresham and his sister, Helen Virginia (Gresham) Lockhart, each were left with a 50% share of an undivided parcel of land of

approximately 121.38 acres, (hereinafter referred to collectively as the “Lockhart/Gresham Property”). The other 50% share of the property is owned by the Lockhart Living Trust Dated August 26, 1996 and my cousin, Robert B. Lockhart, is the Trustee.

4. Attached hereto as Given Aff. Exhibit 1 is a true and correct copy of a Plat of Survey concerning the Lockhart/Gresham Property which is identified as “B” 121.38 acres on the Plat of Survey. See, Given Aff. Exhibit 1.

5. On December 30, 2013, my father, Albert E. Gresham, who at all relevant times lived at 600 Vance Road, Huntsville, Alabama 35801, transferred the Gresham Property to be held jointly by me, Cheryl (Gresham) Given, with a residence at 8212 Fox Run Lane Knoxville, TN 37919 and my sister, Rhonda (Gresham) Brockett who resides at 3639 Wentworth Lane, Lilburn, GA 30047. (See Given Aff. Exhibit 2, attached).

6. The legal description for the Gresham portion of the Lockhart/Gresham Property is contained on Exhibit 2 attached hereto. The Tax ID number on the property is 11-25-06-400-001. (See, Gresham Aff. Exhibit 2, attached hereto). The street address for the farm is 518 Illinois Route 29, Pana, Illinois.

7. On or about March 8, 2014, I received a certified letter from ATXI dated March 5, 2014 indicating that it had received authorization from the Illinois Commerce Commission to construct a new transmission line on a route that affects the Lockhart/Given/Brockett Property. The transmission line is reported to be a 345kV line, this is classified as an Extra-High-Voltage (EHV) line. (See Given Aff. Ex. 3, attached hereto).

8. I called my cousin, Robert Lockhart, Trustee of the Lockhart Living Trust dated August 26, 1996, who told me that he had not received any similar letter or notice from AXTI or any party to Docket 12-0598.

9. Exhibit 3 is the first and only correspondence or notice that I received at any time which concerned Docket 12-0598 concerning the Illinois Rivers Project and the location of the planned transmission line for the Pawnee-Pana Segment.

10. At no time did I receive any prior written notice from ATXI about Docket No. 12-0598, the location of the planned transmission lines through the Pawnee-Pana segment of the Illinois Rivers Project or ATXI's Alternate Route 2 for the Pawnee-Pana Segment or any modification to Alternate Route 2.

11. At no time have I ever been told by my father, Albert Gresham, or by my sister, Rhonda Gresham Brockett that they received any notification by AXTI or anyone else about construction of a transmission line on the Lockhart/Gresham Property.

12. Shortly after receiving the ATXI letter on March 8, 2014, I specifically asked my father, Albert Gresham, and my sister, Rhonda Gresham Brockett, if they ever received any notice from ATXI or anyone else about the about construction of a transmission line on the Lockhart/Gresham Property, and they told me "no".

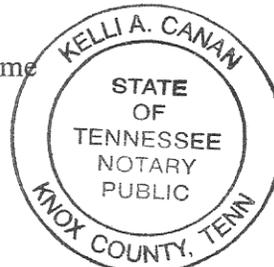

13. On Saturday, March 22, 2014, I received a letter postmarked March 16, 2014, but dated September 10, 2013 from the Illinois Department of Agriculture. A Copy of the letter and envelope is attached hereto as Given Aff. Exhibit 4. However, this letter pre-dates the Second Rehearing Order and does not give any notice or specific information about the ICC Docket 12- 0589, the Pawnee-Pana segment of the Illinois Rivers Project or the ATXI Alternate Route 2 within that segment.

14. I have read the affidavit of my cousin Robert Lockhart, Trustee of the Lockhart Family Trust dated August 26, 1996, filed in this Docket and adopt by reference herein as if it were my own testimony his description of the current use of the Lockhart/Given/ Brockett Property, the lack of notice given to the owners of the Lockhart/Given/ Brockett Property and negative impact that ATXI's Alternate Route 2 will have on our property appearing in paragraphs 16 to 49 of his affidavit.
FURTHER AFFIANT SAYTH NOT.
