Illinois Commerce Commission,

March 12, 2014

This document represents affidavit of having had installed numerous Solar Photovoltaic Electric systems throughout the state of Illinois and Wisconsin.

I, **Marcin Borezyk** of **SOLAR ENERGY OF ILLINOIS** have installed multiple solar systems in compliance with all Federal, state and local building codes.

In addition to installing systems, I have kept abreast of any new technology and changing laws and codes as indicated by applicable governing bodies.

These names below will attest to the satisfactorily installed systems and are available for confirmation by phone or e-mail.

Photos of these and other systems installed by **SOLAR ENERGY OF ILLINOIS** can be found at the project gallery of our website; www.solarenergyofillinois.com.

I believe that in addition to accredited solar certification (documents available) the experience gathered by the above instances satisfactorily qualifies me for certification by the Illinois Commerce Commission.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Lukas Borczyk", is written over a horizontal dashed line.
