ILLINOIS COMMERCE
COMMISSION

Dear Sir or Madam:

In 2009, the City of Aurora was certified as a competitive local exchange carrier (CLEC) and as an interexchange carrier (IXC) under 220 ILCS 5/13-405. As a result, the ICC placed the City on its list of entities to which the ICC sends a notice each year reminding them of their obligation to file an ICC Form AR-13 and an Annual Gross Revenue Return. Although the City has never provided any CLEC or IXC services, it has filed these reports each year, showing that it had no reportable revenues.

Pursuant to 220 ILCS 5/13-401(a), the City's failure to commence CLEC or IXC service within two years of certification rendered its certification null and void sometime in 2011. The City is thus no longer a certificated CLEC or IXC that must file the reports at issue as a "telecommunications carrier" pursuant to 220 ILCS 5/13-202. Nor does the City have an obligation to file such reports as a "public utility," as it does qualify as such under 220 ILCS 5/3-105(b)(1).

The City asks ICC to remove the City from ICC's list of providers of CLEC or IXC services in Illinois as well as from the ICC's list of entities to which it sends annual notices of filing obligations relating to Form AR-13 and the Annual Gross Revenue Return.

If you have questions concerning this matter, please call me at (630) 256-3500.

Sincerely,

Brian W. Caputo
Chief Financial Officer/City Treasurer
