Issa Asad

Issa Asad is the President & CEO or Managing Member of Various Companies (Quadrant Holdings Group LLC, Q Link Wireless, NCOM Networks, ~~RIN Networks~~ Reliable Telecard), these are some of the nation's premier telecommunications providers in the United States today, representing VoIP, wireless and prepaid service providers, manufacturers and suppliers in the new world of Internet-based and wireless communications and entertainment.

A respected Telecom veteran with more than 15 years' experience in telecommunications, Mr. Asad joined the Telecommunications industry in 1996 and has led the organization's growth into the top telecommunications providers in the nation. Intelecard News magazine has profiled Mr. Asad as a telecommunications executive with "real vision." The Prepaid Press newspaper has featured Mr. Asad as a "Telecom Mover of the Month" and labeled him as a "playmaker" - one of the "top telecommunications executives" in United States. He has been recognized by Who's Who in Telecom.

Prior to establishing his footprint in the Prepaid Telecommunications industry, Mr. Asad served as President & CEO of the South Florida Grocers Network.

Companies and their owners who endure in the prepaid industry are worthy of recognition because they are rare. As CEO and owner of Reliable Telecard and I-Prepay Inc, Issa Asad began in retail as an owner, operator and developer of convenience stores and gas stations in New York and Florida.

Considered a pioneer, he was the first station owner to implement fast food into service offerings, beginning with Fine Foods. Asad also led the grocers industry to incorporate ATMs, convenience stores and Check Cashing stores into grocery's and stations.

In 1996, he realized the potential of phone cards to the immigrant market and began offering phone cards from his stores. By the late 90s, prepaid wireless was emerging and, with his retail background, Asad knew the long-term play was electronic delivery. In the spring of 2000, **he teamed with Reliable Telecard and I-Prepay Inc** and developed a real-time PIN delivery system for the electronic delivery of prepaid products.

There he led a broad market restructuring that resulted in record sales and revenues, increased stature for the industry, and significant telecom marketing victories.
