Notice of proposed major change in crossing protection

Robert Trader SR.
Highway Commissioner
P.O. Box 153
Williamsville IL 62693

The Union Pacific Railroad Company hereby gives notice that it proposes to make a change, designated as a major change to Crossing Number DOT 294272Y located in Williamsville IL, the crossing of Lester /TR 5 . With the Union Pacific Railroad Springfield Sub at MP 172.35

A full statement of the proposed changes is as follows: Proposed Improvement is to install automatic flashing light signals equipped with four quadrant gates, bells, and vehicle detection and controlled by constant warning time circuitry designed to provide for prime warning time of 35 seconds Warning time plus 6 seconds of additional clearance time

At this time the train speed will not exceed the existing 79 MPH.
