CHIEF CLERK'S OFFICE

**Application for State-Issued Authorization to Provide
Cable Service Pursuant to Section 401 of the Cable
and Video Competition Law of 2007**

Docket No. 14-0009

NOTICE OF MODIFICATION OF CABLE SERVICE AREA

1. Pursuant to Section 401(g) of the Cable and Video Competition Law of 2007, as amended (the "Law") (220 ILCS 5/21-401(g)), Mediacom Illinois LLC ("Mediacom" or "Applicant") hereby notifies the Illinois Commerce Commission (the "Commission") of a modification of the cable service area footprint described in Mediacom's Application for State-Issued Authorization to Provide Cable Service ("Application") in the above-captioned docket that was granted on January 23, 2014.

2. In the Application, Mediacom described the service area footprint as the City of Carbondale. (Application p.1). With this Notice, Mediacom is modifying that service area footprint to include **the Village of Mechanicsburg** (the "Modified Service Area Footprint"). Attached as Exhibit 1 is a list of the local units of government that comprise the Modified Service Area Footprint, accounting for all modifications subsequent to January 23, 2014, including the Village of Mechanicsburg.

3. Concurrent with the filing of this Notice, Mediacom has served the Village of Mechanicsburg with a copy of this Notice and the Application.

4. Mediacom is an "incumbent cable operator," within the meaning of Section 21-201(m) of the Law (220 ILCS 5/21-201(m)) with respect to the Village of Mechanicsburg, as it

provides cable or video services under a franchise agreement with the Village of Mechanicsburg that expired on February 24, 2014, and is eligible to seek this state-issued authority pursuant to Section 301(b) of the Law (220 ILCS 5/21-301(b)).

5. Under procedures established in Section 626 of federal Communications Act of 1934, 47 U.S.C. § 546, a cable operator is authorized to continue to operate in a municipality past the expiration date of a cable franchise, up until such point as the municipality requests a formal renewal franchise proposal from the operator, conducts a formal administrative hearing to evaluate a cable operator's proposal for a new franchise, and either rejects or accepts the cable operator's proposal. Mediacom properly invoked the statutory procedures of Section 626 with respect to the Village of Mechanicsburg, and to date, the Village of Mechanicsburg has not taken the next step and requested a formal franchise renewal proposal from Mediacom. Accordingly, Mediacom remains authorized by federal law to continue to provide service in the Village of Mechanicsburg despite the expiration of the franchise agreement. Mediacom is here applying for a state-issued authorization pursuant to 220 ILCS 5/21-301(b), which states that “[u]pon expiration of its current franchise agreement, an incumbent cable operator may obtain State authorization from the Commission pursuant to this Article.”

6. As shown below and in the attached Affidavit, Applicant satisfies the requirements of Section 401(b)(4) of the Law (220 ILCS 5/21-401(b)(4)) and, therefore, is eligible to obtain a State-issued authorization for the Modified Service Area Footprint.

7. Mediacom will continue to offer cable service in the Village of Mechanicsburg, which is the area covered by the franchise agreement noted in ¶ 4 above, “at the same levels required by the local franchising authorities for the local unit of government on June 30, 2007.” (220 ILCS 5/21-401(b)(4)). Mediacom is the long-standing incumbent cable operator

serving the Village of Mechanicsburg, and consistent with its franchise obligations, its cable system/network is fully constructed. On June 30, 2007, Mediacom's franchise with the Village of Mechanicsburg required Mediacom to provide cable service to all residences within the boundaries of the Village of Mechanicsburg where there are at least forty-five homes per cable mile.

8. Biographical information for key personnel responsible for managing Mediacom's local cable service operations and network in the Village of Mechanicsburg is attached as Exhibit 2.

9. The United States Census Bureau's most recent estimate of the number of low income households, as defined in Section 201(p) of the Law (220 ILCS 5/21-201(p)), located within the Village of Mechanicsburg is 68 or 28%. (220 ILCS 5/21-401(b)(4)). The total number of low income households in the Modified Service Area Footprint indicated in Exhibit 1 is 148,913 or 33%.

10. With respect to the Modified Service Area Footprint, Mediacom will begin to operate pursuant to the State-Issued Authorization granted it on January 23, 2014 effective the date of this Notice.

11. Under Section 401(g) of the Law, the Commission "is not required or authorized to act" upon this Notice. (220 ILCS 5/21-401(g)).
