### **Peel the credential card from the letter. Sign the card!**

Show the card to whomever requests proof that you hold a credential administered by the Department of Safety and Professional Services.

This card should indicate other Department of Safety and Professional Services certifications, licenses, or registrations you currently hold. Destroy all previous cards that have a credential category which also appears on this card. Please review the information on the card. If errors or discrepancies are found, contact the Credential Unit, 608-261-8467. You can also send an email to [DspsSbCredentialing@wi.gov](mailto:DspsSbCredentialing@wi.gov). Be prepared to give the staff person the ID number printed on the card. The department should also be notified of changes in addresses as they occur. Notification of address changes is the responsibility of the credential holder.

A renewal notice will be sent to the address on file about 30 days before the expiration date of each credential indicated on the card. Renewals are contingent upon compliance with the requirements specified in SPS305, Wisconsin Administrative Code.

RE: Electrician/Electrical Contractor License

Dear Applicant,

Congratulations, your application for licensure by the Iowa Electrical Examining Board has been approved, and your wallet-sized license is enclosed with this letter. The review and approval of your application to practice in Iowa as an Electrician or Electrical Contractor was based upon Iowa Code 103 and Iowa Administrative Rules 661-500.

- Please verify that the type of electrical license, as well as the name listed on the wallet-sized license is correct. If it is not, please contact our office at [elecinfo@dps.state.ia.us](mailto:elecinfo@dps.state.ia.us), (515) 725-6147, or 1-866-923-1082 at your earliest convenience.
- All Apprentice and Unclassified licenses are issued for **one** year and will expire on December 31, 2013.
- All Electrical Contractors, Masters A or B, Journeymen A or B, and Special Electrician licenses are issued for **three years** and will expire on December 31, 2013.
- Journeyman and Master licensees are required to have 18 Continuing Education Units (CEUs) to renew these licenses; with a minimum of 6 hours in study of the National Electrical Code (appropriate to current State of Iowa adopted NEC). The remaining 12 hours may be used studying areas of other electrical-related material as approved by the Board, or they may also be over the NEC.

Again, congratulations on achieving this important designation, and we look forward to working with you in the future on the maintenance and renewal of your license.

Sincerely,

A handwritten signature in black ink, appearing to read "Barb Mentzer".
