Re: Electric Vehicle Charging Station Installer Certification  
LIBERATORE ELECTRIC COMPANY

Dear Ms. Rolando:

Please find the following training items that Daniel A. Liberatore has gone through prior to receiving Certificate of Registration from the City of Chicago, Department of Building:

1. August, 1964 became an apprentice electrician with Local #134;
2. Graduated from Washburn trade school in 1968
3. Took extended classes at Kennedy Electronic School for cable splicing, welding and electronics;
4. Began work for I.B.E.W. Electrical Contractors in 1964;
5. Took the City of Chicago supervisory electrician test in 1979 and passed with above average score receiving a City of Chicago certificate;
6. From 1989 until 1994 was the supervisory electrician for Sievert Electric Company;
7. From 1995, supervisory electrician at Liberatore Electric Company.

Any electrician hired at Liberatore Electric Company has gone through 5 years of electrical training at I.B.E.W. school/internship. At the end of this period each electrician has to pass testing to allow them to be hired by any Local Union Electrical Contractor.

Sincerely,

A handwritten signature in black ink, appearing to read "Daniel A. Liberatore". The signature is fluid and cursive, with a large initial "D" and "L".
