Dec-12	BPACC	\$47	\$28 - Complete Choice Enhanced \$ 6 - LINE-BACKER [®] \$ 7 - Unlimited Nationwide Calling Plus 1 \$ 6 - Unified Messaging	\$11.00CR	October 2012 Bill Messages for customers with BPACC notified of increase from \$5 to \$6 for Unified Messaging effective 11/12/12. Customer did not have BPACC in October so did not receive the message. However, business practice is to quote rates 30 days in advance; therefore, when customer called in October and changed package to BPACC, the \$47 rate effective as of 11/12/12 and appearing on the December 2012 bill would have been quoted.
