ComEd→AG 2.05. Regarding pages 3-4 of the Exelon AIP plan:

- a. In preparing his testimony, did Mr. Brosch read where it states “Note: Employees participating in the ComEd or BGE KPIs do not have Exelon EPS as a performance measure, but are subject to the EPS shareholder protection feature”? What is Mr. Brosch’s understanding of that sentence?

AG Response: Yes. Mr. Brosch understands that sentence to mean only what it says, that ComEd and BGE KPIs do not directly incorporate Exelon EPS as a Funding KPI. The table appearing on page 4 of the Company’s response to data request RWB 7.01, Attach 1 shows the entities and positions outside ComEd and BGE that do incorporate Exelon EPS as a weighted corporate performance measure, with entries in the “Corporate (Exelon) Earnings per Share (EPS) column within the table on that page.
