NO OTHER CALLING CARD IS EASIER TO USE THAN YOUR AMERITECH CALLING CARD. While long distance carriers may ask you to dial extra digits to place a local call using their calling card, Ameritech still offers the convenience of dialing "0" plus the telephone number. With the Ameritech Calling Card, you simply dial "0" followed by the number you want to reach. After the tone, enter your area code and phone number plus your easy-to-remember PIN (or special 14-digit code, if applicable). If you need a new Ameritech Calling Card, please call 1-800-614-CARD, ext. 421. If you would like to change your 4-Digit Personal Identification Number (PIN), call 1-800-569-9100.
