Docket No. 14-0504

**PETITION**

Now comes Spark Energy, LLC ("Spark" or "Petitioner"), formerly known as Spark Energy, LP ("former entity"), by and through its counsel, and hereby petitions the Illinois Commerce Commission ("ICC" or "Commission") to update the former entity's certificate of authority to operate as an Alternative Retail Electric Supplier ("ARES") to reflect the changed name of the Petitioner. In the alternative, Petitioner requests that the former entity's certificates be canceled and re-issued in the name of the Petitioner (i.e., Spark Energy, LLC). As set forth below, the former entity has changed its corporate form. Following its change in corporate form, the Petitioner continues to provide ARES services to its customers without interruption or change, and in accordance with the same technical, financial and managerial qualifications. In support of this Petition, Spark Energy, LLC states the following:

1. Petitioner's business address remains:

Spark Energy, LLC  
2105 CityWest Blvd., Ste. 100  
Houston, TX 77042

2. Petitioner's contacts for regulatory remains:

Edwin Dearman  
Spark Energy, LLC  
2105 CityWest Blvd., Ste. 100  
Houston, TX 77042

ILLINOIS COMMERCE  
COMMISSION  
2014 AUG 15 A 10:52  
CHIEF CLERK'S OFFICE

3. The former entity was previously granted certificates of authority to provide ARES services in ICC Docket No. 08-0020.
4. The Petitioner is authorized to do business in the State of Illinois as a limited liability company as set forth on Exhibit 1, attached hereto. Petitioner will maintain the same Federal Employer Identification Number as formerly used by the former entity.
5. Any failure to seek prior approval for the conversion was an oversight and not intended to avoid or impede the Commission's authority or jurisdiction.
6. Petitioner's management and financial and technical qualifications remain the same as for the former entity. Petitioner requests that the Commission take into consideration the qualifications of the former entity in support of its Docket No. 08-0020 application and apply those same qualifications to the Petitioner.
7. Petitioner requests that the Administrative Law Judge and the Commission grant this Petition without hearing on an expedited basis.
8. Based on the foregoing, Petitioner requests that the Commission update the former entity's certificates to reflect the new name, Spark Energy, LLC, or, in the alternative that the former entity's certificates be canceled and re-issued with the same authorizations and relief previously granted in the name of the Petitioner.

Wherefore, the Petitioner, Spark Energy, LLC, respectfully requests that the Commission enter a Final Order granting approval retroactively for the changes in form described in this Petition and to authorize the Petitioner, retroactively, to take all necessary actions to accomplish the transactions above described and to grant such relief as described above without hearing.

Dated: August 13, 2014.

Respectfully submitted,

Spark Energy, LLC
