VERIFIED PETITION TO MODIFY
9-1-1 SYSTEM PROVIDER

Now comes the Johnson County Emergency Telephone System Board by its Coordinator James J. Cuff, respectfully petitions the Illinois Commerce Commission for approval to modify its plan of operation as an enhanced emergency telephone system serving Johnson County, Illinois as follows:

1. The Johnson County Emergency Telephone System Board (JCETSB) respectfully seeks approval to modify its 9-1-1 system provider by changing providers from Frontier Communications to NG-911, Inc. and approval of Plan Modification which includes a narrative and exhibits 1-12.6.

2. The JCETSB first petitioned the Illinois Commerce to establish an E9-1-1 system for Johnson County, Illinois in July, 1995.

3. The Illinois Commerce Commission approved the application of the JCETSB in July, 1995, allowing the JCETSB authorization to implement its 9-1-1 program. Docket No. 95-0188

4. The JCETSB 9-1-1 system became operational on July 17, 1995.

5. The JCETSB's initial 9-1-1 service provider was GTE.

6. Through a series of mergers, acquisitions, and renaming, the JCETSB's 9-1-1

system providers changed from GTE to Verizon to Frontier Communications. Frontier is the present authorized 9-1-1 system provider.

7. On April 18, 2013 at a properly convened regular meeting of the JCETSB those members present unanimously concurred with Mr. Cuff's recommendation to sign a contract with NG911 to become the 9-1-1 System Provider

8. It was the view of the JCETSB that a switch to NG-911, Inc. is in the public interest of the Johnson County 9-1-1 program.

9. NG-911, Inc. is a 9-1-1 system provider in Illinois having been granted authority to so operate by the Illinois Commerce Commission pursuant to Section 13-900 of the Public Utilities Act. See ICC Docket No. 12-0093.

10. The petitioner, the JCETSB, is a governmental entity authorized to provide emergency telephone services and, as such, is a public agency within the meaning of Section 2.01 of the Public Utilities Act.

11. The Plan Modification this Petition seeks is to implement a next generation 9-1-1 system.

12. The ICC, pursuant to provisions of the Public Utilities Act, has jurisdiction over the petitioner and the subject matter herein.

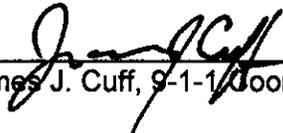

13. All duties and responsibilities of the JCETSB are pursuant to statute, 50 ILCS 750/0.01 et seq., and administrative rules, 83 IL Adm. Code 725.

14. The ICC has previously stated that competition with 9-1-1 providers might well serve Illinois ETSB's. See ICC Docket 08-0545 Order at VI.(6) of March 17, 2009. JCETSB strongly feels that competition among 9-1-1 system providers will serve its program well as the ICC noted in the Order of March 17, 2009.

WHEREFORE, the petitioner, the Johnson County Emergency Telephone System Board, Perry County, Illinois, respectfully requests that the Illinois Commerce Commission enter an order approving the Petition to Modify as requested herein.
