E 9-1-1 Participating AGENCY AGREEMENT

Thursday, September 19, 2002

For 9-1-1 Emergency Communications

This agreement is made between the Public Safety Answering Point, hereinafter referred to as "PSAP" and the Department of Natural Resources (Division of Law Enforcement), for the purpose of handling and routing the 9-1-1 Emergency calls

CALL HANDLING

The Pulaski County 9-1-1 PSAP Center receiving a call for emergency services in your jurisdiction shall dispatch the call in the following manner:

Primary: Point to Point-Low Band 42.9

Secondary: Via Administrative Telephone (618) 435-8138

Once an emergency unit is dispatched in response to a request through the system, such unit shall render its service to the requesting party without regard to whether the unit is operating outside its normal jurisdictional boundaries.

The legislative intent is that 9-1-1 be used for emergency calls only. Therefore, all calls of an administrative or non-emergency nature shall be referred to your agency's published telephone number.

The PSAP Center agrees to keep all records, times, and places of all calls. All records will be available to participants of the 9-1-1 system.

It shall be the responsibility of your agency to maintain the report of calls and the disposition of each call received.

All agreements, management, records, and service will be the responsibility of the advisory and policy board.

Any agreements or changes in agreements and operating policies must be approved by the advisory board.

Once an emergency unit is dispatched in response to a request through the system, such unit shall render its service to the requesting party without regard to whether the unit is operating outside its' normal jurisdictional boundaries.

The legislative intent is that 9-1-1 be used for emergency calls only. Therefore, all calls of an administrative or non-emergency nature shall be referred to your agency's published telephone number.

The PSAP Center agrees to keep all records, times, and places of all calls. All records will be available to participants of the 9-1-1 System.

It shall be the responsibility of your agency to maintain the report of calls and the disposition of each call received.

All agreements, management, records, and service will be the responsibility of the advisory and policy board. Any agreements or changes in agreements and operating policies must be approved by the advisory board.

E 9-1-1 ADJACENT AGENCY AGREEMENT

Wednesday, November 29, 2000

For 9-1-1 Emergency Communications

This agreement is made between the Pulaski County Emergency Telephone System Board E 9-1-1. Hereinafter referred to as "PULASKI COUNTY ETSB E 9-1-1" and the JOHNSON COUNTY SHERIFF'S DEPARTMENT for the purpose of effective handling and routing of 9-1-1 Emergency calls.

CALL HANDLING

Pulaski County ETSB E 9-1-1 receiving a call for emergency services in your jurisdiction shall relay the call to the Johnson County Sheriff's Office in the following manner:

Primary: Low-band radio frequency 39.460 or high-band frequency 155.370.

Secondary: Via L.e.a.d.s. Computer network or (618) 658-8264

AID OUTSIDE JURISDICTION BOUNDARY

Once an emergency unit is dispatched in response to a request through the system, such unit shall render its service to the requesting party without regard to whether the unit is operating outside its normal jurisdictional boundaries.

The legislative intent is that 9-1-1 be used for emergency calls only. Therefore, all calls of an administrative or non-emergency nature shall be referred to your agency's published telephone number.

The Pulaski County ETSB E 9-1-1 Center agrees to keep all records, times, and places of all calls. All records will be available to all participants of the 9-1-1 system.

It shall be the responsibility of your agency to maintain the report of the call and the disposition of each call received.

All agreements, management, records, and service will be the responsibility of the advisory and policy board. All agreements or changes in agreement and operating policies must be approved by the advisory board.
