MEMORANDUM

TO: The Commission

FROM: Larry Jones, Administrative Law Judge

DATE: October 22, 2014

SUBJECT: Illinois Commerce Commission
On Its Own Motion

Amendment of 83 Ill. Adm. Code 745 ("Part 745")

RECOMMENDATION: Entry of the attached order adopting the proposed amendment to Part 745.

Part 745 of the Commission's rules, 83 Ill. Adm. Code 745"), sets forth requirements applicable to the tariff-filing process for telecommunications carriers.

In this rulemaking, the proposed revisions to Part 745 are intended to effectuate amendments to Sections 13-505 and 13-501 in Article XIII of the Public Utilities Act. Those statutory amendments relax certain tariff-filing requirements for competitive telecommunications services.

No comments on the proposed amendment were received during the first-notice period. The Commission entered a Second Notice Order directing that the proposed amendment be submitted to the Joint Committee on Administrative Rules ("Joint Committee"). The Joint Committee issued a certification of no objection, ending the second notice period.

The attached order would adopt the proposed rule amendment, effective upon filing with the Secretary of State.

The amendment is attached to the order as an Appendix. Non-substantive edits provided by JCAR, relating primarily to punctuation, have been incorporated into the Appendix.

The deadline in this matter is January 10, 2015.
