

ICC Docket No. 14-0496

Joint Applicants' Response to

Illinois Attorney General's Third Set of Data Requests AG 3.01-3.06

Dated: October 7, 2014

REQUEST NO. AG 3.05:

Referring to the response to AG Data Request 2.13, please provide any studies and/or analyses supporting the statement that "credits indicate pre-tax reduction in O&M" with regard to the ICE project. The response should identify and quantify the "forecasted system savings greater than forecasted system costs" referenced in the response for each year included in the forecasts.

RESPONSE:

Please see JA AG 3.05 Attach 01 CONFIDENTIAL showing a net reduction in O&M allocable to PGL by year on row 112 and allocable to NSG on row 116, supporting the statement that "credits indicate pre-tax reductions in O&M" with respect to the ICE project.
