He is a UK Chartered Accountant, ICAEW member and has a BSc from Durham University.

MTI (USA) LLC

TECHNICAL QUALIFICATIONS/MANAGEMENT EXPERIENCE

A brief summary of the experience of Mr. Shawn Foltz, the Senior Vice President of MTI (USA) LLC is set forth below:

SHAWN FOLTZ

SENIOR VICE PRESIDENT

Shawn comes to Aggregato from Epay Australia, the APAC division of Euronet Worldwide, where he held the position of Managing Director. There he was responsible for a business that generated \$50M in revenues and is the leader in global prepaid payments. He managed key relationships with telecoms and mobile payment products like Vodafone, Telstra, Microsoft, Apple, MasterCard and several key financial institutions. Prior to his three years in Australia, he was Vice President of Global Operations for the Epay business overseeing the products and operations in the U.S., Brazil, Australia, New Zealand and El Salvador. In Shawn's early days at Epay he was responsible for turning a 20 person call center into an international service center that now has 150 staff with functions such as accounting, collections, product management, product development and network operations.

Along with his experience at Epay, Shawn also holds 20 years of international product management and operations. He has worked in the banking industry, mutual fund management and owned his own businesses. With his wide background in design, development, delivery and execution Shawn adds great value in helping Aggregato reach its goals in the coming years.

MTI (USA) LLC
