ILLINOIS COMMERCE COMMISSION
CHIEF CLERK'S OFFICE

ORDER

This cause coming to be heard on the court's own motion, the respondents' 11/14/14
status report, and the court being advised in the premises, finds:

That on July 31, 2014, this court entered an order holding the instant appeal in abeyance pending the disposition of a petition for rehearing below and directing the parties to keep the court apprised of the current status of the case through status reports;

That on November 14, 2014, a status report was filed indicating that the Illinois Commerce Commission had entered its order on the rehearing and that no party had filed a timely application for rehearing from that order;

That since the rehearing is no longer pending, the appeal is now ripe for appeal.

IT IS THEREFORE ORDERED that the appeal is hereby reinstated.

IT IS FURTHER ORDERED that the record on appeal is due 35 days from the date of this order pursuant to Supreme Court Rule 335.
