WATER SERVICE

NEW CUSTOMER CHARGE*

A charge of \$25.00 will be applied to customers initiating service in new or existing homes or commercial establishments.

NSF CHECK CHARGE*

A charge of \$25.00 will be applied to customers whose check is returned by the bank due to non-sufficient funds or because the drawer does not have an account (one charge per check each time it is returned).

RECONNECTION CHARGE*

If water service is discontinued by the utility for any reason as outlined in section 17 of Rules, Regulations and Conditions of Service, the customer will be assessed a charge of thirty-seven dollars and fifty cents (\$37.50), which will be paid by the customer before the water service will be restored. If water service is discontinued at the customer's request due to seasonal residence and during normal business operating hours, the customer will be assessed a charge of thirty-seven dollars and fifty cents (\$37.50), which will be added to the customer's next water bill. Customers who request to be reconnected within nine (9) months of disconnection will be assessed an appropriate base facilities charge for the service period they were disconnected. This charge will be paid by the customer before water service will again be restored.

OUTSIDE METER READERS*

A charge of \$40.00 will be assessed for the installation of outside meter readers when requested by the customer.

METER TESTING FEE*

Upon the written request of any customer, the meter serving said customer shall be tested by the Company without charge, provided the meter in question has not been tested by the Company or by the Commission within two (2) years previous to such request. If the customer so desires, he or his representatives shall have the privilege of witnessing the test. A written report, giving the results of the test, shall be made to the customer. When a meter, which has been in service less than two (2) years since its last test, is found to be accurate within the limits specified in the Commission's rules, the customer shall pay a fee to the Company not to exceed seven dollars and fifty cents (\$7.50).

REMOTE METER READING DEVICE*

At the request of the customer, the Company will install a remote meter reading device upon payment by the customer of the Company's actual cost of the device and installation.

AFTER HOURS CALL-OUT CHARGES*

If for any reason the customer requests services, or services are the result of the customer's negligence or willful act, and the services rendered by Apple Canyon Utility Company occur after normal business operating hours, the Company has the right to bill for this call-out service at the minimum charge of one hundred six dollars (\$106.00), which is equivalent to two hours at the current labor rate of fifty-three dollars (\$53.00) per hour. For all time accumulated above the two hour minimum, a charge of fifty-three dollars (\$53.00) per hour will be assessed.

LATE PAYMENT CHARGE*

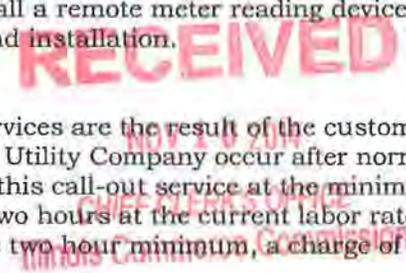

An additional charge amounting to one and one-half percent (1½%) per month will be added to all bills for service under the foregoing schedule not paid within twenty-one (21) days of the date of the bill.

WATER SERVICE

BUILDING OR CONSTRUCTION DEPOSIT*

Water for building or construction purposes will be furnished by meter measurement, only after suitable deposit has been made. The minimum deposit being ten dollars (\$10.00); the amount to be determined by the Company, depending upon the size of the construction work completed; and all water for building or construction purposes, as set forth in the permit, must pass through one and the same meter.

REDISTRIBUTION*

If, at the request of, and for the convenience of the owner of a premises containing more than one dwelling unit, water is furnished to said premises through a single meter for the purpose of redistribution to the several dwelling units served through such single meter, the customer charge shall be multiplied by the number of dwelling units served. The product thereof shall be the Customer Charge for such premises. "Redistribution" as used herein, is limited strictly to the practice indicated above, and shall not mean resale of water by any customers.

ANNUAL GROSS REVENUE TAX*

Section 9-222 of "The Public Utilities Act" as amended authorizes a utility to recover from its Customers its liabilities to the State of Illinois for Public Utility Annual Gross Revenue Tax imposed by Section 2-202 of "The Public Utilities Act" as amended. Pursuant to Section 9-222, the Company shall charge an additional Charge for the Public Utility Annual Gross Revenue Tax equal to 0.1% of all billings under this rate schedule except for (a) this Additional Charge for Public Utility Gross Revenue Tax, (b) the Additional Charge for any Municipal Utility Tax, and (c) any other billings and billing items excluded from the base of the Public Utility Annual Gross Revenue Tax.

Service Territory Specific Taxes*

VILLAGE OF WILLOWBROOK GROSS RECEIPTS TAX*

An additional charge equal to 5.15% of the customer's total charges will be added to every bill to cover the Gross Receipts Tax imposed by The Village of Willowbrook.

MUNICIPAL UTILITY TAX ADDITION*

Pursuant to the provisions of Section 9-221 of the Illinois Public Utilities Act, as amended, authorizing certain additional charges for service rendered in municipalities imposing the tax authorized by Section 8-11-2 of the Illinois Municipal Code, as amended, the Company will add the percentage shown below to billings for water service rendered in connection therewith the corporate limits of such municipality (except items of such billings resulting from transactions not subject to such tax). The effective date for such billings will coincide with the date upon which the gross receipts from such billings become subject to tax, which date has been shown below opposite the name of the particular municipality.
