SEWER SERVICE

AFTER HOURS CALL-OUT CHARGES*

If for any reason the customer requests services, or services are the result of the customer's negligence or willful act, and the services rendered by the Company occur after normal business operating hours, the Company has the right to bill for this call-out service at the minimum charge of one hundred six dollars (\$106.00), which is equivalent to two hours at the current labor rate of fifty-three dollars (\$53.00) per hour. For all time accumulated above the two hour minimum, a charge of fifty-three dollars (\$53.00) per hour will be assessed.

REDISTRIBUTION*

If, at the request of, and for the convenience of the owner of a premises containing more than one dwelling unit, water is furnished to said premises through a single meter for the purpose of redistribution to the several dwelling units served through such single meter, the customer charge shall be multiplied by the number of dwelling units served. The product thereof shall be the Customer Charge for such premises. "Redistribution" as used herein, is limited strictly to the practice indicated above, and shall not mean resale of water by any customers.

SEWER CONNECTION FEE*

All Applications for sewer service connections must be made on a form provided by the Company. Acceptance of any such application shall constitute a contract between the Owner or Tenant, as the case may be, and the Company. A contribution of \$250 per P.E is payable with respect to all applications for sewer service where building sewer service connections are applied for and such contribution must accompany any such application, subject to refund if the application is not approved. All contributions received by the Company pursuant to this Rule will be identified on the books of the Company as such and will be used only for the purpose of paying for the costs of additional sewage treatment facilities.

ANNUAL GROSS REVENUE TAX*

Section 9-222 of "The Public Utilities Act" as amended authorizes a utility to recover from its Customers its liabilities to the State of Illinois for Public Utility Annual Gross Revenue Tax imposed by Section 2-202 of "The Public Utilities Act" as amended. Pursuant to Section 9-222, the Company shall charge an additional Charge for the Public Utility Annual Gross Revenue Tax equal to 0.1% of all billings under this rate schedule except for (a) this Additional Charge for Public Utility Gross Revenue Tax, (b) the Additional Charge for any Municipal Utility Tax, and (c) any other billings and billing items excluded from the base of the Public Utility Annual Gross Revenue Tax.
