**NORTH SHORE GAS COMPANY’S AND THE PEOPLES
GAS LIGHT AND COKE COMPANY’S VERIFIED MOTION TO
SUPPLEMENT THE UTILITIES’ COMPLIANCE FILING
AND TO CORRECT TYPOGRAPHICAL ERRORS**

North Shore Gas Company (“North Shore”) and The Peoples Gas Light and Coke Company (“Peoples Gas”), together, the “Utilities,” in response to a request by Staff of the Illinois Commerce Commission (“Staff”), hereby move to supplement the Utilities’ Verified Statement filed on January 13, 2015, in compliance with the Administrative Law Judges’ (“ALJs”) Ruling of January 7, 2015 (“Verified Statement”). In support of their Motion, the Utilities state as follows.

1. The Utilities’ supplemental submission, attached hereto, shows a breakout of effects of the proposed update to Peoples Gas’ Qualifying Infrastructure Plant (“QIP”) on Peoples Gas’ Accumulated Deferred Income Taxes (“ADIT”) balance, rate base, and revenue requirement. The breakout shows the impacts before the application of changes due to the extension of bonus depreciation. The breakout also shows the effects of that extension. Staff informally requested that such an analysis be filed and served.

2. In addition, the Utilities submit errata correcting certain typographical errors contained in headings and adding a note to Appendix B, page 1 in Attachment B to the Utilities’ Verified Statement. Attachment B contained the following typographical errors in headings:

- At Attachment B, App. B, page 1, column (c) header, replace “Adjustments with effects of bonus depreciation (App. B, p. 3)” with “Adjustments with effects of bonus depreciation/BOE QIP (App. B, p. 3)”;
- At Attachment B, App. B, page 1, column (h) header, replace “Adjustment To Proposed Increase with effects of bonus depreciation” with “Adjustment To Proposed Increase with effects of bonus depreciation/BOE QIP”;
- At Attachment B, App. B, page 1, column (i) header, replace “Per ALJPO Adjusted for Bonus and Attachments 1 and 2 (Cols. g + h)” with “Per ALJPO Adjusted for Effects of Bonus Depreciation/BOE QIP (Cols. g + h)”;
- At Attachment B, App. B, page 1, column (j) header, replace “ALJPO with effects of bonus depreciation Appendix B, page 1” with “Per ALJPO without effects of bonus depreciation/BOE QIP Appendix B, page 1”;
- At Attachment B, App. B, page 4, column (c) header, replace “Adjustments with effects of bonus depreciation/BOE (App. B, p. 5)” with “Adjustments with effects of bonus depreciation/BOE QIP (App. B, p. 5)”;
- At Attachment B, App. B, page 4, column (d) header, replace “Per ALJPO adjusted Rate Base with effects of bonus depreciation/BOE (Col. b+c)” with “Per ALJPO adjusted Rate Base with effects of bonus depreciation/BOE QIP (Col. b+c)”;
- At Attachment B, App. B, page 4, column (e) header, replace “Per ALJPO before with effects of bonus depreciation/BOE ALJ App. B” with “Per ALJPO adjusted Rate Base without effects of bonus depreciation/BOE ALJPO App. B, p. 4”.

In addition, the following note has been added to Attachment B:

- At Attachment B, App. B, page 1, insert “Note (a): ALJPO, Appendix B, p. 1 column (b), lines 13 and 14 incorrectly shows amounts of \$112,762,000 and \$25,694,000, instead of \$112,771,000 and \$25,686,000. Footnote 11 in NS-PGL Brief on Exceptions and NS-PGL BOE Attachment 2 described these technical errors for correction.”

3. This Motion is supported by a Verification.

THEREFORE, the Utilities respectfully request that the Administrative Law Judges grant the Utilities’ Motion to Supplement the Utilities’ Compliance Filing and to Correct Typographical Errors.
