

Skybeam LLC Management

Jack Koo – President, Chief Executive Officer, and Director

Mr. Koo has over 25 years of experience in the telecommunications and corporate finance industries. Previously, Mr. Koo co-founded FrontierVision Partners, L.P., where he served as Executive Vice President and CFO and later was responsible for the company's operations. FrontierVision was built from a start-up to a top 10 cable television multiple system operator in four years. FrontierVision was sold to Adelphia Communications for \$2.1 billion.

Mr. Koo is a principal of Koo Ventures LLC, making private investments. He previously served as Executive Vice President and CFO of WINfirst, a Fiber-to-the-Home broadband service provider, which was sold to Surewest Communications. He also worked for eleven years as a banker for Canadian Imperial Bank of Commerce ("CIBC") and Bank of New England (now Bank of America) specializing in telecommunications and media finance. At CIBC, Mr. Koo co-founded the Mezzanine Finance Group.

He received a BA in Communications from Vanderbilt University.

Jeff Kohler – Co-Founder, Chief Development Officer, and Director

Mr. Kohler co-founded JAB Broadband in 2006, serves on the Board of Directors and is the company's Chief Development Officer; responsible for all merger, acquisition and corporate development activities. Under his leadership, JAB has acquired more than 100 companies during the past eight years.

With 20+ years of wireless industry experience, Mr. Kohler previously served as Director of Corporate Finance and M&A with GVC Capital LLC, where he focused on mergers, acquisitions and capital formation within the wireless industry.

Mr. Kohler was also CEO and Founder of Reason, Inc., a wireless management services company which was acquired by InPhonic (formerly NASDAQ:INPC) in 2002. Furthermore, he held senior positions with AT&T Wireless and McCaw Cellular Communications.

He currently serves on the Board of Directors for the Wireless Communications Association International (WCAI) and the FCC Committee for the Wireless Internet Service Providers Association (WISPA). Mr. Kohler received his MBA from Regis University (Denver), a BS/BA from the University of Denver, and is a licensed General Securities Registered Representative.

Scott Perich – Senior Vice President / Operation

Mr. Perich is responsible for the operations, network strategies and acquisitions integration for all of JAB's divisions.

With over 25 years of experience in the telecommunications industry, Mr. Perich joined JAB in 2006; serving as Vice President of Corporate Development and General Manager of JAB's Colorado Division prior to his current role.

Previously, Mr. Perich served as CFO of LP Broadband (which JAB acquired in 2006) and in operational/management positions for Hewlett Packard and Agilent Technologies over an 18 year period.

Mr. Perich received two BS/BA degrees in Accounting and Construction Management from Colorado State University.

Bill Brovsky – Chief People Officer

Mr. Brovsky has direct responsibility for all human resources and employee relations for JAB and its operating companies since joining the organization in 2006.

With over 30 years' experience in the telecommunications industry, Mr. Brovsky previously served as Corporate Vice President of Marketing for Starz Entertainment Group where he led the tactical marketing activities for all operating regions. Prior to Starz, Mr. Brovsky was Vice President of Marketing for WINFirst FTTH (fiber-to-the-home) until it was sold to Surewest Communications in 2002.

Mr. Brovsky also worked as Vice President of Marketing and Senior Vice President of Operations with FrontierVision Partners, L.P. from 1996 until it was sold to Adelphia in 1999.

Mr. Brovsky began his career in 1982 with ATC and Time Warner Communications, where he held several marketing and sales management positions until 1996. He received a BA in Communications from the University of Northern Colorado.

Damon Estep – Senior Vice President / Commercial Business

Mr. Estep is responsible for all of JAB's Commercial and Enterprise activities including customer acquisition, service and retention.

Mr. Estep joined JAB in 2006 through the acquisition of Suburban Broadband. He created JAB's VoIP (voice over internet protocol) service platform and deployed VoIP service throughout the JAB network. With 18 years of telecommunications experience, Mr. Estep has consistently been acknowledged as an expert in VoIP technology management, sales and field operations.

From 1996 to 2006, Mr. Estep worked as an independent contractor for multiple enterprises including a Fortune 50 company, in which he designed and implemented local and wide area IP networks, messaging systems, and VoIP platforms.

Mr. Estep previously held positions with Circuit City and The Federated Group, where he opened new markets in the Western and Southwestern United States. He attended the University of Arizona.
