Dear Mrs. Rolondo,

Enclosed are the amended document that I was supposed to include in my application for certification as a DG installer. There is a signed and notarized affidavit for my installer, as well as a verification signed and notarized. I have sent you the originals and I also have a copy. I would like for these documents to be filed. Hopefully this will complete the certification process for certification. If there are any issues feel free to e-mail me at the above address.

Sincerely,
