**TO:** The Commission

**FROM:** Larry Jones, Administrative Law Judge

**DATE:** March 9, 2015

**SUBJECT:** Egyptian Communication Services, Inc. ("Petitioner")  
  
Petition for relief to protect Petitioner's Annual Report from disclosure for not less than two years in order to protect highly proprietary information.

**RECOMMENDATION:** Entry of the attached Order granting the Petition.

---

Petitioner holds a Certificate of Service Authority authorizing it to provide competitive telecommunications services. In this proceeding, Petitioner seeks an order protecting from disclosure, for a period of not less than two years, its Annual Report for 2014.

The report contains information such as total dollar amounts for telecommunications plant, operating revenues and expenses, and sales for resale.

Petitioner explained why disclosure of the financial and commercial information in the report could cause competitive harm within the meaning of the exemption in Section 7(g) of the Freedom of Information Act, 5 ILCS 140/1 et seq. This information is protected from disclosure while the petition is pending.

The attached order would grant the requested proprietary treatment of the confidential version of Petitioner's 2014 Annual Report for a period of two years.
