All material has been purchased and is on site. We just got past the frost in the ground and our tie gang started today at Bureau Jct, IL. Our local Roadmaster Jeremiah Berhenke will renew the crossing as the gang progresses west. Jeremiah will arrange the crossing closures.

Mr. Ingram, this case deals with surface renewal at E. Main St in Tiskilwa (AAR/DOT #863 552X; MP 122.36). The 3 month progress report was due on 3/10/15. How is the planning coming along?
