**TO:** The Commission  
**FROM:** John T. Riley, Administrative Law Judge  
**DATE:** March 20, 2015  
**SUBJECT:** TeleManagement Systems, Inc.  
Petition (by letter) to Cancel Authority.  
**RECOMMENDATION:** Enter Amendatory Order.

---

On January 23, 2015, TeleManagement Systems, Inc. ("Petitioner") filed a verified petition to cancel its Certificate of Service Authority to provide resold interexchange service in Illinois pursuant to Section 13-404 of the Act. Petitioner also stated that it would file its AR-13 and Annual Gross Revenue Return for 2013.

The attached Amendatory Order changes AR-13 and Annual Gross Revenue Return for 2013 to AR-14 and Annual Gross Revenue Return for 2014 on page one, third paragraph, third sentence; on page two, Finding (7); and in the Third Ordering Paragraph. In all other respects, the Order remains the same and in full force and effect.

Accordingly, I recommend that the Commission enter the attached Amendatory Order.
