Dear Customer:

Recently, you had a question about your bill for \$90.14 for service through May 27, 2014. This bill was based on a meter reading of 5389.

We feel your bill is correct. On June 24, 2014 we read your meter again to ensure the first reading was accurate. The most recent reading was 7001. The amount of natural gas measured by the meter between the two dates is a normal level of usage.

If you have any questions, please email us at customercare@nicor.com or call 1 888 Nicor4u (1 888 642-6748).

Sincerely,
