**SUBJECT:** Commonwealth Edison Company

Reconciliation of revenues collected under Rider UF with uncollectible costs incurred.

**RECOMMENDATION:** Enter the attached Order approving the reconciliation.

---

On August 29, 2014, ComEd filed a verified petition for a reconciliation under Rider UF – Uncollectible Factors for the time period from June 1, 2013 through May 31, 2014. Very generally, Rider UF is the mechanism, through which, ComEd recuperates the funds it spent on uncollectible accounts, either through non-payment or through collection measures. The evidence that ComEd provided establishes that in the reconciliation period, it under-recovered \$7,889,236.

No petitions seeking leave to intervene were filed. Staff had no objection to approving the reconciliation in this proceeding. There are no contested issues in this matter.

I recommend entering the attached Order approving ComEd's Rider UF reconciliation.
