On March 9, 2015, Business Telecom, LLC d/b/a EarthLink Business II ("Petitioner") filed with the Illinois Commerce Commission ("Commission") a verified petition requesting that the Certificate of Service Authority issued to Business Telecom, Inc. d/b/a EarthLink Business VI in Docket 92-0251, and the Certificate of Interexchange Service Authority issued to Business Telecom, Inc. d/b/a EarthLink Business VI in Docket 01-0435, be canceled and its tariff withdrawn, and that the same certificates be granted to Petitioner.

An Order in this Docket was entered by the Commission on May 6, 2015. The attached Amendatory Order contains a series of corrections that require resubmitting the body of the Commission's May 6, 2015 Order.

The attached Order cancels Business Telecom, Inc. d/b/a EarthLink Business VI's Certificate of Interexchange Service Authority and Certificate of Service Authority, and reissues the same certificates to Business Telecom, LLC d/b/a EarthLink Business II. The Order directs Business Telecom, LLC d/b/a EarthLink Business II to file new tariffs reflecting the change in corporate form, and cancels the tariffs of Business Telecom, Inc. d/b/a EarthLink Business VI. The Order also takes administrative notice of Dockets 92-0251 and 01-0435.

Accordingly, I recommend that the Commission enter the attached Amendatory Order cancelling Business Telecom, Inc. d/b/a EarthLink Business VI's Certificate of Interexchange Service Authority and Certificate of Service Authority, and granting the same certificates to Business Telecom, LLC d/b/a EarthLink Business II.
