100<sup>th</sup> Report

**Re: Docket 14-0009 Mediacom Illinois LLC  
Notice of Modification of Cable Service Area (Herrin City, Illinois)**

Dear Ms. Rolando:

Please find attached an original and one copy of a Notice of Modification of Cable Service Area filed by Mediacom Illinois LLC ("Mediacom") pursuant to Section 401(g) of the Cable and Video Competition Law of 2007 (220 ILCS 5/21-100, et seq.) modifying the cable service area footprint described in Mediacom's Application for State-Issued Authorization to Provide Cable Service in Docket 14-0009 to include the City of Herrin. Also included is an additional copy of this letter, which we ask that you please date-stamp and return. Mediacom has, concurrent with the filing of this notice, delivered a copy of this notice and associated application to the Mayor of the City of Herrin.

Should there be any questions regarding this notice, please contact the undersigned.

Sincerely,

Craig A. Gilley  
Counsel for Mediacom

cc: Bruce Gluckman, Esq.

**NOTICE OF MODIFICATION OF CABLE SERVICE AREA**

1. Pursuant to Section 401(g) of the Cable and Video Competition Law of 2007, as amended (the “Law”) (220 ILCS 5/21-401(g)), Mediacom Illinois LLC (“Mediacom” or “Applicant”) hereby notifies the Illinois Commerce Commission (the “Commission”) of a modification of the cable service area footprint described in Mediacom’s Application for State-Issued Authorization to Provide Cable Service (“Application”) in the above-captioned docket that was granted on January 23, 2014.

2. In the Application, Mediacom described the service area footprint as the City of Carbondale. (Application p.1). With this Notice, Mediacom is modifying that service area footprint to include **the City of Herrin** (the “Modified Service Area Footprint”). Attached as Exhibit 1 is a list of the local units of government that comprise the Modified Service Area Footprint, accounting for all modifications subsequent to January 23, 2014, including the City of Herrin.

3. Concurrent with the filing of this Notice, Mediacom has served the City of Herrin with a copy of this Notice and the Application.

4. Mediacom is an “incumbent cable operator,” within the meaning of Section 21-201(m) of the Law (220 ILCS 5/21-201(m)) with respect to the City of Herrin, as it provides

cable or video services under a franchise agreement with the City of Herrin that expired on May 11, 2014, and is eligible to seek this state-issued authority pursuant to Section 301(b) of the Law (220 ILCS 5/21-301(b)).

5. Under procedures established in Section 626 of federal Communications Act of 1934, 47 U.S.C. § 546, a cable operator is authorized to continue to operate in a municipality past the expiration date of a cable franchise, up until such point as the municipality requests a formal renewal franchise proposal from the operator, conducts a formal administrative hearing to evaluate a cable operator's proposal for a new franchise, and either rejects or accepts the cable operator's proposal. Mediacom properly invoked the statutory procedures of Section 626 with respect to the City of Herrin, and to date, the City of Herrin has not taken the next step and requested a formal franchise renewal proposal from Mediacom. Accordingly, Mediacom remains authorized by federal law to continue to provide service in the City of Herrin despite the expiration of the franchise agreement. Mediacom is eligible for a state-issued authorization pursuant to 220 ILCS 5/21-301(b), which states that "[u]pon expiration of its current franchise agreement, an incumbent cable operator may obtain State authorization from the Commission pursuant to this Article."

6. As shown below and in the attached Affidavit, Applicant satisfies the requirements of Section 401(b)(4) of the Law (220 ILCS 5/21-401(b)(4)) and, therefore, is eligible to obtain a State-issued authorization for the Modified Service Area Footprint.

7. Mediacom will continue to offer cable service in the City of Herrin, which is the area covered by the franchise agreement noted in ¶ 4 above, "at the same levels required by the local franchising authorities for the local unit of government on June 30, 2007." (220 ILCS 5/21-401(b)(4)). Mediacom is the long-standing incumbent cable operator serving the City of

Herrin, and consistent with its franchise obligations, its cable system/network is fully constructed. On June 30, 2007, Mediacom's franchise with the City of Herrin required Mediacom to provide cable service to all residences within the boundaries of the City of Herrin where there are at least six subscribers within 1320 cable-bearing strand feet of the trunk or distribution cable.

8. Biographical information for key personnel responsible for managing Mediacom's local cable service operations and network in the City of Herrin is attached as Exhibit 2.

9. The United States Census Bureau's most recent estimate of the number of low income households, as defined in Section 201(p) of the Law (220 ILCS 5/21-201(p)), located within the City of Herrin is 2,429 or 47%. (220 ILCS 5/21-401(b)(4)). The total number of low income households in the Modified Service Area Footprint indicated in Exhibit 1 is 96,310 or 37%.

10. With respect to the Modified Service Area Footprint, Mediacom will begin to operate pursuant to the State-Issued Authorization granted it on January 23, 2014 effective the date of this Notice.

11. Under Section 401(g) of the Law, the Commission "is not required or authorized to act" upon this Notice. (220 ILCS 5/21-401(g)).

Sincerely,

  
Craig A. Gilley

**AFFIDAVIT OF BRUCE GLUCKMAN**

I, Bruce Gluckman, being placed under affirmation, solemnly, sincerely, and truly declare and affirm the following:

1. I am currently Group Vice President – Legal and Regulatory Affairs, and an officer of Mediacom Illinois LLC (“Applicant” or “Mediacom”). As Group Vice President I oversee Mediacom’s regulatory, government and external affairs in Illinois. Mediacom is the nation’s eighth largest cable company based on the number of customers who purchase one or more video services, also known as video customers. Mediacom is among the leading cable operators focused on serving the smaller cities in the United States, with a significant customer concentration in the Midwestern and Southeastern regions. As of December 31, 2014, Mediacom’s cable systems passed an estimated 2.81 million homes, primarily in the states of Iowa, Illinois, Georgia, Minnesota and Missouri, and served approximately 890,000 video customers, 1,013,000 high-speed data (“HSD”) customers and 400,000 phone customers.

2. The purpose of my Affidavit is to provide support for Mediacom’s Notice of Modification of Cable Service Area (the “Notice”) to provide cable services filed pursuant to

Section 401(g) of the Cable and Video Competition Law of 2007 (the “Law”). (220 ILCS 5/21-401(g)).

3. This Affidavit and supporting Exhibits provide the affirmations and information required by Section 401(b)(4) of the Law (220 ILCS 5/21- 401(b)).

4. I have knowledge of the facts stated in this Affidavit and accompanying supporting Exhibits 1 and 2. I am competent to testify to them and I have authority to make this Affidavit on behalf of and to bind Mediacom.

5. On January 23, 2014, Mediacom’s Application for State-Issued Authorization (“Application”) to Provide Cable Service was granted, with respect to the Service Area Footprint identified as the City of Carbondale.

6. With the Notice, Mediacom is now modifying the Service Area Footprint to include the City of Herrin. Exhibit 1 to the Notice identifies the local units of government that comprise the Modified Service Area Footprint accounting for all modifications subsequent to January 23, 2014, including the City of Herrin.

7. Exhibit 2 lists biographical information for key personnel responsible for managing Mediacom’s local cable service operations and network in the City of Herrin.

8. For purposes of the Notice, Mediacom is an “incumbent cable operator,” within the meaning of Section 201(m) of the Law (220 ILCS 5/21-201(m)) with respect to the City of Herrin and is eligible to seek State-issued authorization pursuant to 301(b) of the Law (220 ILCS 5/21-301(b)). Consistent with its franchise obligations as the long-standing incumbent cable operator serving the City of Herrin, Mediacom’s cable system/network is fully constructed and Mediacom will continue to offer cable service in the City of Herrin, “at the same levels required by the local franchising authorities for the local unit of government on June 30, 2007.” (220 ILCS

5/21-401(b)(4)). On June 30, 2007, Mediacom's franchise with the City of Herrin required Mediacom to provide cable service to all residences within the boundaries of the City of Herrin where there are at least six subscribers within 1320 cable-bearing strand feet of the trunk or distribution cable.

9. The United States Census Bureau's most recent estimate of the number of low income households, as defined in Section 201(p) of the Law (220 ILCS 5/21-201(p)), located within the City of Herrin is 2,429 or 47%. (220 ILCS 5/21-401(b)(4)). The total number of low income households in the Modified Service Area is 96,310 or 37%.

10. With respect to the Modified Service Area Footprint, Mediacom will begin to operate pursuant to the State-Issued Authorization granted it on January 23, 2014 effective the date of the Notice.

11. Concurrently with the filing of the Notice, Mediacom has served the City of Herrin with a copy of the Notice and Application.

I solemnly, sincerely, and truly declare and affirm that all of the foregoing statements and representations made in this Affidavit and accompanying Exhibit are true and correct.

Bruce Gluckman
