<b>Application for State-Issued Authorization to Provide Cable Service Pursuant to Section 401 of the Cable and Video Competition Law of 2007</b>	)	<b>Docket No. <u>15-0352</u></b>

**NOTICE OF MODIFICATION OF CABLE SERVICE AREA**

1. Pursuant to Section 401(g) of the Cable and Video Competition Law of 2007, as amended (the “Law”) (220 ILCS 5/21-401(g)), Mediacom Southeast LLC (“Mediacom” or “Applicant”) hereby notifies the Illinois Commerce Commission (the “Commission”) of a modification of the cable service area footprint described in Mediacom’s Application for State-Issued Authorization to Provide Cable Service (“Application”) in the above-captioned docket that was granted on June 3, 2015.

2. In the Application, Mediacom described the service area footprint as the Village of Alto Pass. (Application p.1). With this Notice, Mediacom is modifying that service area footprint to include **the Village of Hecker** (the “Modified Service Area Footprint”). Attached as Exhibit 1 is a list of the local units of government that comprise the Modified Service Area Footprint, accounting for all modifications subsequent to June 3, 2015, including the Village of Hecker.

3. Concurrent with the filing of this Notice, Mediacom has served the Village of Hecker with a copy of this Notice and the Application.

4. Mediacom is an “incumbent cable operator,” within the meaning of Section 21-201(m) of the Law (220 ILCS 5/21-201(m)) with respect to the Village of Hecker, as it provides

cable or video services under a franchise agreement with the Village of Hecker that expired on November 17, 2012, and is eligible to seek this state-issued authority pursuant to Section 301(b) of the Law (220 ILCS 5/21-301(b)).

5. Under procedures established in Section 626 of federal Communications Act of 1934, 47 U.S.C. § 546, a cable operator is authorized to continue to operate in a municipality past the expiration date of a cable franchise, up until such point as the municipality requests a formal renewal franchise proposal from the operator, conducts a formal administrative hearing to evaluate a cable operator's proposal for a new franchise, and either rejects or accepts the cable operator's proposal. Mediacom properly invoked the statutory procedures of Section 626 with respect to the Village of Hecker, and to date, the Village of Hecker has not taken the next step and requested a formal franchise renewal proposal from Mediacom. Accordingly, Mediacom remains authorized by federal law to continue to provide service in the Village of Hecker despite the expiration of the franchise agreement. Mediacom is eligible for a state-issued authorization pursuant to 220 ILCS 5/21-301(b), which states that "[u]pon expiration of its current franchise agreement, an incumbent cable operator may obtain State authorization from the Commission pursuant to this Article."

6. As shown below and in the attached Affidavit, Applicant satisfies the requirements of Section 401(b)(4) of the Law (220 ILCS 5/21-401(b)(4)) and, therefore, is eligible to obtain a State-issued authorization for the Modified Service Area Footprint.

7. Mediacom will continue to offer cable service in the Village of Hecker, which is the area covered by the franchise agreement noted in ¶ 4 above, "at the same levels required by the local franchising authorities for the local unit of government on June 30, 2007." (220 ILCS 5/21-401(b)(4)). Mediacom is the long-standing incumbent cable operator serving the

Village of Hecker, and consistent with its franchise obligations, its cable system/network is fully constructed. On June 30, 2007, Mediacom's franchise with the Village of Hecker required Mediacom to provide cable service to all residences within the boundaries of the Village of Hecker where there are at least twenty homes per mile from the existing system.

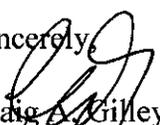

8. Biographical information for key personnel responsible for managing Mediacom's local cable service operations and network in the Village of Hecker is attached as Exhibit 2.

9. The United States Census Bureau's most recent estimate of the number of low income households, as defined in Section 201(p) of the Law (220 ILCS 5/21-201(p)), located within the Village of Hecker is 45 or 25%. (220 ILCS 5/21-401(b)(4)). The total number of low income households in the Modified Service Area Footprint indicated in Exhibit 1 is 10,352 or 47%.

10. With respect to the Modified Service Area Footprint, Mediacom will begin to operate pursuant to the State-Issued Authorization granted it on June 3, 2015 effective the date of this Notice.

11. Under Section 401(g) of the Law, the Commission "is not required or authorized to act" upon this Notice. (220 ILCS 5/21-401(g)).

Sincerely,
