Docket No.: 15-0410

AMENDED APPLICATION TO CANCEL CERTIFICATE OF LOCAL AUTHORITY

LSSi Data Corporation (“LSSi”), pursuant to the Rules of the Illinois Commerce Commission (the “Commission”), hereby submits this amended application requesting the Commission’s approval to cancel LSSi’s Certificate of Local Authority (the “Certificate”), attached as Exhibit B. LSSi does not currently provide intrastate telecommunications services to customers in the state of Illinois and does not have plans to do so in the future.

LSSi represents that this request will not detrimentally affect any customers in Illinois. Furthermore, LSSi expects that this request will not be subject to any contest or controversy. As such, LSSi asserts that this request is appropriate for informal adjudication without a hearing.

In addition, LSSi states as follows:

1. LSSi is a Delaware corporation with its principal place of business at 1600 Stewart Avenue, Suite 305, Westbury, NY 11590. LSSi was issued the Certificate by the Commission on March 24, 1999. Under this Certificate, LSSi is authorized by the Commission to provide competitive telecommunications services statewide in the State of Illinois. At this time, LSSi conducted business under the name “Listing Services Solutions, Inc.” On December 15, 1999, LSSi changed the name of its business from “Listing Services Solutions, Inc.” to “LSSi Corporation.” A file-stamped copy of documentation evidencing this name change has been attached as Exhibit C. The particular amendment evidencing this name change is located on

page five (5) of Exhibit C. Later, on May 14, 2008 LSSi changed the name of its business from “LSSi Corporation” to “LSSi Data Corporation.” A file-stamped copy of documentation evidencing this name change has been attached as Exhibit D. The particular amendment evidencing this name change is located on page six (6) of Exhibit D. LSSi later filed with the Commission a tariff for the provision of competitive, specialized, discretionary, on-demand directory assistance and call completion services, attached as Exhibit E.

4. LSSi does not currently provide intrastate telecommunications services to any customers in the state of Illinois and has no plans to do so in the future. Furthermore, LSSi has no outstanding obligations to any Illinois customers in the form of deposits or pre-payments for services which have not or will not be provided. No customers in Illinois will be affected by this Application, and as such there are no customers to notify.

5. Because there is no controversy surrounding LSSi’s voluntary request to cancel its Certificate, it follows that good cause exists to grant LSSi’s request. LSSi believes that there

is no genuine issue of material fact as to whether the Certificate should be cancelled, and that this matter is appropriate for informal adjudication without a hearing under the Commission's rules.

6. In light of the foregoing, LSSi submits that this Application is reasonable, necessary and not disruptive to the present or future public interest, convenience and necessity of the State of Illinois. LSSi, therefore, requests that the Commission cancel LSSi's Certificate and the related tariff effective immediately or as soon as the Commission can take such action.

WHEREFORE, for the foregoing reasons, LSSi respectfully requests that the Commission approve LSSi's Application.

Respectfully submitted this 14th day of July, 2015.
