RE: Prime Time Communications, Inc.

15-0455

Dear Ms. Rolando,

Prime Time Communications, Inc. previously authorized to provide long distance service in the state of Illinois, no longer has paying customers or business in Illinois. I attempted to cease providing service on September of 2012. I had great difficulty getting customers to move their service to another carrier and Verizon Business our provider at that time would not deactivate service. Consequently, I billed a small amount of calls in 2013 just to cover the invoice costs I had to pay to Verizon before the billing system failed. Included with this letter is the AR-13 for 2012 and 2013.

I request the Commission cancel Prime Time Communications, Inc. authority and certification effective 12/31/2013.

If there are any additional forms or requirements, please let me know.

Sincerely,

R. Todd Sorenson
