COMMISSION BEFORE THE ILLINOIS COMMERCE COMMISSION

**Amended Petition for Leave to Transfer Customers of
Impact Telecom, Inc. and Americatel Corporation to
Matrix Telecom, Inc.**

CHIEF CLERK'S OFFICE

Filed August 14, 2015

Impact Telecom, Inc. ("Impact"), Americatel Corporation ("Americatel") and Matrix Telecom, Inc. dba Matrix Business Technologies d/b/a Trinsic Communications d/b/a Clear Choice Communications d/b/a Excel Telecommunications d/b/a VarTec Telecom d/b/a Startec ("Matrix") hereby seek approval of the planned transfer of customers from Impact and Americatel to Matrix. Following the transfer, Impact and Americatel will no longer operate. Both companies request that the Commission cancel their authority upon approval of this merger filing.

I. THE PARTIES

Impact was incorporated under the laws of the State of Nevada on May 25, 2005. Its principal office is located in Englewood, Colorado. The company was originally authorized to provide resold interexchange service in Docket # 09-0561. Impact provides wholesale services only within Illinois. Impact is also the parent holding company of Matrix and Americatel.

Americatel Corporation was incorporated under the laws of the State of Delaware on April 4, 1992. Its principal offices are also located in Irving, Texas. The company was originally authorized to provide interexchange services in 97-0672 by order issued 3/11/1998. Americatel currently offers casual calling and presubscribed interexchange services within Illinois. Americatel is a wholly owned subsidiary of Impact.

Matrix was incorporated under the laws of the State of Texas on June 13, 1990. Its principal offices are also located in Irving, Texas. The company was originally authorized to provide interexchange services in 90-0334 by order issued 11/7/1990. The Company also received Commission approval to provide resold and facilities-based competitive local exchange services on 7/13/2005 in 05-0213. Matrix currently offers presubscribed interexchange and local services in Illinois. Matrix is also a wholly owned subsidiary of Impact.

II. THE TRANSACTION

The customers of Americatel and Impact were transferred to Matrix beginning on or about December 31, 2014 pending all regulatory approvals. Following the transaction, these customers will be served by Matrix. Matrix will revise its tariffs to incorporate the applicable transferred services upon completion of the transfer. Americatel and Impact will cease to operate after

that point in time. Americatel and Impact request that the Commission cancel their authority upon approval of this merger filing. After the transaction is complete Matrix will still be a wholly owned subsidiary of Impact Telecom, Inc.

Exhibit A contains an overview of the pre and post corporate structure of Impact Telecom once the transfer and merger is completed.

III. CUSTOMER IMPACT

The transition to Matrix will be virtually transparent to most customers. Impact and Americatel's customers will not incur any charges as a result of the change in service provider to Matrix. Additionally Matrix will file with the Commission to add the d/b/a names of Impact Telecom and Americatel to ensure customers that they are still being served under the same service plan.

Written notice of the proposed transfer was provided to Americatel's customers on or about November 24, 2014. The customer notification advised customers of the following: (1) the pending change of their interexchange service carrier selection to Matrix; (2) that there will be no interruption of their service; (3) either there will be no change to rates, terms or conditions of service OR a description of the proposed new service; (4) there will be no charges associated with their change to Matrix as their interexchange carrier; (4) they have the option to select a different service provider if they prefer, with no penalty from Americatel. The notification also included the toll free numbers which customers may call for more information. Impact's customers were notified on or about November 19, 2014. A copy of Americatel's customer notification and Impact's customer notification are attached as Exhibit B.
