Attention: Consumer Service Division
527 East Capitol Avenue
Springfield, Illinois 62701

Dear Representative:

This comprehensive FACTUAL unambiguous documentation represents my succinct telephonic averment; to Mr. John, Consumer Consultant on this reference day within this department of this commission.

REGRETFULLY, as a newly abiding resident tenant, (less than 30 calendar days within Danville, Illinois, my habitable domicile is presently totally incomplete, therefor kindly except this incomplete intermittent dictum as my profound apology.

The egregious and calumniating assertions by numerous AT&T Quasi Employees, Supervisor; whose given names, I only through the grace of my Lord and Saviour Jesus Christ was able to "Recorded" for record.

Vain and unscrupulous recorded assertions for the types of services I will receive at my new domicile by Supervisor Sannon, at 12:45 - 1:30 P.M. on 5/29/15 (whose I.D. Number in which she failed to divulge to me as requested).

These various "RECORDED CONVERSATIONS" by "Angela I.D. #A640E, Mr. Orville AT&T representative on 6/29/15 before 5:00 P.M. C.S.T., Hershey #I.D. MM007C (4) minutes "RECORDED CONVERSATION" numerous representatives within AT&T TELEPHONE "LAND LINE" COMPANY.

It is best and prudent with sagacity including "out-of-pocket" incurred costs, by apostrophizing this inappropriateness through listening uninterrupted to this unedited, thoroughly "RECORDED TELEPHONIC CONVERSATIONS" from Supervisor "SHANNON" with AT&T and related Representatives within AT&T.

I respectfully request that this succinct averment with this agency shall be investigated, before the onset of any impending bills. I shall prepare a replicated copy of theses recording for your enlightenment, and subsequently forwarded them upon availability to the assigned "Consumer Service Representative(s)".

Dear Mr. Schaub:

In compliance with your telephonic request on Monday August 3, 2015; inasmuch as my personal domicile, at this present time is lacking in many essentialness, ameliorating this telephonic issue is CRITICAL for my peace of tranquility.

I therefore shall FAX and subsequently mail this "Hard Copy" replicated copy to your appropriate mailing address; inasmuch as I am presently precluded, from mailing the same replicated copy of this information to Mrs. Elci, AT&T Executor Escalation.

The replicated copies totalling (4) Sheets are germane to the current billing, appertaining to the August 2015 telephonic prearrange billing colloquies. The enormously verbal telephonic assurances with AT&T stills remain convoluted, EGREGIOUS LYING vain promises by the assigned "Ms. ELCI AT&T Executive Escalation", appertaining to a return call pursuant to my receiving a copy of this August billing.

Notwithstanding, in considerations to the unambiguous committed agreed total AT&T Long Distant chargers. The UNABATED, UNAMBIGUOUS recorded conversations with Representatives, is too voluminous and exceedingly very time extensive in which, I Mr. Warren E. Corprew could verbalize in comprehensive writing.

The unlisted service charges and related expenses were not acknowledged as part of the accrued expenses.

Notwithstanding, I am FAXING to your attention the Two Correspondence I recently received, from AT&T acknowledging their intentions on August 18, 2015.

Moreover, I am fully aware that you have no interest in CENTURY LINK NOR OF QUEST, by evincing probity for approximately (6) CONSECUTIVE YEARS; however, my averment with these company shall validate my service with them, through the representative names I still have on record.
