Bench Date: 9/10/15
Deadline: 4/15/16

MEMORANDUM

TO: The Commission
FROM: Claudia E. Sainsot, Administrative Law Judge
DATE: August 24, 2015
SUBJECT: BP Pipelines (North America) Inc.

Petition pursuant to Sections 15-101, 15-401, 8-503 and 8-509 of the Public Utilities Act for a Certificate Authorizing Operation as a Common Carrier by Pipeline and to take private property as provided by the law of eminent domain.

RECOMMENDATION: Dismiss this docket, without prejudice.

On April 15, 2015, BP Pipelines (North America) Inc. ("BP") filed a petition seeking a certificate of public convenience and necessity and eminent domain authority to construct, install and maintain the Illinois Section of the Wood River Pipeline in Adams County Illinois.

On August 20, 2015, BP filed and served a Motion to Withdraw its Petition. In that Motion, BP represented that no party has objected to the granting of its motion and that it seeks dismissal without prejudice.

It is clear that BP is no longer interested in pursuing the instant matter. This matter should be dismissed, without prejudice.
