Case#15-0543

Dear Ill. Commerce Commission:

I Sandra Washing am writing this letter in regards to the hearing schedule on November 13, 2015. Prairee Point Energy,L.L.C,d/b/a Nicor Advance Energy LLC has been negotiating with me to withdraw my case and accept a settlement of not charging me the last bill which I am claiming as erroneous.

I have been having serious health problems with my vision, I am consider legally blind. The past three month I been going through a number of medical procedures. Due to this reason, I am force to accept the resolution from Prairie Point Energy, LLC aka Nicor Advance Energy without the satisfaction of resolving my actual complaint which is the overcharged issues and refund. I am very disappointed that I will be unable to present my acts on my complaint but my eye sight is in jeopardy.

Best regards,

Sandra Washington
