RE: Nov-14, letter

CHIEF CLERK'S OFFICE

Dear Ms. Rolando:

Thank you for your letter indicating my original letters with my original signature should be filed with the Clerk office to be considered official filings. I do believe I made reference to that filing in my prior correspondence; i.e.; my letters cannot reach into the computer or produce an original signature., that can only be done after I type the letter, pull it out of the computer and sign each letter individually which I have been doing.

I'm sorry, I am not understanding what you propose me to do., however, I will forward additional info on my letters, that indicates I have or will forward a single letter to each of the persons involved signed by me. I am doing my best to comply with you guys, I am doing my best to understand the laws, rules and regulations that are in place for me to follow, I thought I was doing ok, however, I have been instructed to obtain legal help, which I am following that advice. I am forwarding correspondence to my legal advisors, and will share that info w/u as soon as I hear from them, what to do next.

I think this is my Reply Brief and Certificate of Service

I, J. Carter Pierce do hereby certify I am forwarding this letter to the following persons,

CC: Administrative Law Judges, Haynes, and Cardoni, along with sending a copy to each of the following persons: Original letters have been sent prior. (see Oct. 19, & Nov. 4-15). to Administrative Law Judge, Heather Jorgenson, Administrative Law Judge, Jessica L. Cardoni, Karl Wardin, Executive Director, Illinois Bell Telephone Company, et.al, James A. Huttenhower,

Certified this 5<sup>th</sup> day of December, 2015

J. Carter Pierce,

I do hope this suffices as my Certification of My Intent To Comply. (Copy 6 add'l to send).

All cc's of correspondence to date is being forwarded to Legal Advisors. I'll apprise you later.

Re: # 15-0399

Dear Ms. Rolando:

We're in receipt of your letter of October 27, wherein you stated, "What appears to be my Reply Brief On Exceptions" and that you could not accept it, because it did not contain my "original signature". *And the Certificate of Service was incomplete as I did not include service to the Administrative Law Judges, And you are returning the Filing to me.*

*I am herewith asking that you didn't tell me what to do, Do I send you more copies of my Answer? to you, re: my claim of , Misrepresentation of Services? Fair Intervention Being Requested? Fairness Statement? Proof of their Paper correspondence sent to me, and why I took 'what I thought was a pretty good deal and then they changed it after the fact, as well as part of what I'm thinking is my Closing Argument.*

*I did send all the correspondence to you, as well as Mr. James Huttenhower correspondence, again indicating that the matter should be dismissed ( see cc of letter October 20, & complaint sent to me and it doesn't have info, relating to sending you mail, at all, and o'yes, I did mail my copies of correspondence mailed to Judges Cardoni and Jorgenson, as well as to you , Karl Wardin, with my original signature. It was not a signature from the computer, as you well know, if we had been writing to all, it was impossible to sign correspondence from computer copies, so I'm sorta glad I'd asked for U.S.P. service, I think it's so much better, especially now. Stuff can lost on the computer because what I hear it erases things, and things get lost in the computer, I have letters and envelopes that were mailed to me, dated , I always save the envelopes too, attached to the actual letter.*

*As I said prior , I hope this is OK, but I guess I'm gonna need an attorney, so I'm getting "SURE ENOUGH LEGAL HELP" because it's getting complicated. And you guys said I need an ATTORNEY. So, future info Will be with the help of an attorney, I'll supply names, when I know you touch base and tell me more., Otherwise, I'll be in touch, but I'm expecting some kind of reply from you'all.*

Thanks Respectively,  
Mrs. J. Carter Pierce
