

ATTACHMENT 3

**LEGAL DESCRIPTION OF THE EXISTING ILLINOIS AMMONIA PIPELINE
SEGMENT AND OF THE PROPOSED ROUTE OF THE DECATUR LATERAL**

NuStar Pipeline Operating Partnership L.P.
Proposed Route

Primary Route

The pipeline will begin in Section 14, Township 10 North, Range 3 East, of Shelby County, Illinois, and then proceed in a northerly direction to traverse Sections 14, 11, and 2, Township 10 North, Range 3 East; Sections 35, 26, 23, 14 and 11, and then in a northeasterly direction to traverse Sections 2 and 1, Township 11 North, Range 3 East; Sections 36, 25 and 24, Township 12 North, Range 3 East; then in a northerly direction to traverse Section 13, Township 12 North, Range 3 East; then in an easterly and northerly direction to traverse Sections 18 and 7, Township 12 North, Range 4 East; then in westerly, northerly, and easterly directions to traverse across Section 12, Township 12 North, Range 3 East; then in easterly and northerly directions to traverse across Section 7, Township 12 North, Range 4 East; then in a northerly direction to traverse across Section 6, Township 12 North, Range 4 East; then in a northerly direction to traverse Sections 31, 30, 19, and 18, Township 13 North, Range 4 East, all being located in Shelby County, Illinois.

At the entry point of the Moultrie County line, the pipeline will then continue in a northerly direction to traverse Sections 7 and 6, Township 13 North, Range 4 East; and Section 31, Township 14 North, Range 4 East, all being located in Moultrie County, Illinois.

At the entry point of the Shelby County line, the pipeline will then continue in westerly and northerly directions to traverse Sections 36, 25, and 24, Township 14 North, and Range 3 East, all being located in Shelby County, Illinois.

At the entry point of the Macon County line, the pipeline will then continue in a northerly direction to traverse Sections 13, 12, and 1, Township 14 North, Range 3 East; then in westerly and northerly directions to traverse Section 36, then in northerly and northeasterly directions to traverse Section 25, and then in northeasterly and easterly directions to traverse Section 24, Township 15 North, Range 3 East, all being located in Macon County, Illinois.

At the entry point of the Moultrie County line, the pipeline will then continue in easterly and northeasterly directions to traverse Section 19, Township 15 North, Range 4 East, being located in Moultrie County, Illinois.

At the entry point of the Macon County line, the pipeline will then continue in a northeasterly direction to traverse Section 18, Township 15 North, Range 4 East, then in northerly and easterly directions to traverse Section 7, Township 15 North, Range 4 East; then in a northerly direction to traverse Section 6, Township 15 North, Range 4 East, then in a northwesterly direction to traverse Sections 36 and 25, Township 16 North, Range 3 East; then in a northerly direction to traverse Sections 26, 23, and 14, Township 16 North, Range 3 East; then in westerly and northerly directions to traverse Section 11, Township 16 North, Range 3 East, all being located in Macon County, Illinois.

At this point, the pipeline follows one of the three alternate routes described below to terminate near the ADM facility in Decatur, Illinois.

Alternate Route – South (Primary)

The pipeline will then proceed in westerly and northerly directions to traverse Section 10, Township 16 North, Range 3 East; then in a westerly direction to traverse Section 9, Township 16 North, Range 3 East

The pipeline then continues in westerly and northerly directions to traverse Section 8, Township 16 North Range 3 East, and crosses Lake Decatur. The pipeline then continues in northerly and westerly directions to traverse Section 5, Township 16 North, Range 3 East and terminates near the ADM facility in Decatur, Macon County, Illinois.

Alternate Route - Middle

The pipeline will then proceed in westerly and northerly directions to traverse Section 10, Township 16 North, Range 3 East; then in a northerly direction to traverse Section 3, Township 16 North, Range 3 East.

At this point, the pipeline continues in northerly and westerly directions to traverse Section 4, Township 16 North, Range 3 East, and crosses Lake Decatur. The pipeline then continues in a westerly direction to traverse Section 5, Township 16 North, Range 3 East and terminates near the ADM facility in Decatur, Macon County, Illinois.

Alternate Route - North

The pipeline will then proceed in a northerly direction to traverse Section 11, Township 16 North, Range 3 East; then in a northerly and westerly direction to traverse Section 2, Township 16 North, Range 3 East; then in northerly and westerly directions to traverse Section 3, Township 16 North, Range 3 East.

At this point, the pipeline continues in a westerly direction to traverse Section 4, Township 16 North, Range 3 East, and crosses Lake Decatur. The pipeline then continues in a westerly direction to traverse Section 5, Township 16 North, Range 3 East and terminates near the ADM facility in Decatur, Macon County, Illinois.

EXISTING AMMONIA EAST LEG PIPELINE

The pipeline begins at the state line between Missouri and Illinois in Section 19, Township 6 North, Range 11 West of the 3rd P.M., of Jersey County, Illinois, and proceeds in a northeasterly direction to traverse Sections 19, 18, 7, and 8, Township 6 North, Range 11 West of the 3rd P.M.; then in an easterly direction to traverse Sections 5 and 4, Township 6 North, Range 11 West of the 3rd P.M.; then in a northeasterly direction to traverse Section 3, Township 6 North, Range 11 West of the 3rd P.M.; then in a easterly direction to traverse Sections 34 and 35, Township 7 North, Range 11 West of the 3rd P.M.; then in a northeasterly direction to traverse Section 36, Township 7 North, Range 11 West of the 3rd P.M.; then in a northeasterly direction to traverse Sections 31, 32, and 29, Township 7 North, Range 10 West of the 3rd P.M.; then in an easterly direction to traverse Section 28, Township 7 North, Range 10 West of the 3rd P.M.; then in a southeasterly direction to traverse Sections 27 and 34, Township 7 North, Range 10 West of the 3rd P.M.; then in a northeasterly direction to traverse Section 35, Township 7 North, Range 10 West of the 3rd P.M.; then in an easterly direction to traverse Sections 26 and 25, Township 7 North, Range 10 West of the 3rd P.M. , all being located in Jersey County, Illinois.

At the entry point of the Macoupin County line, the pipeline continues in an easterly direction to traverse Sections 30 and 29, Township 7 North, Range 9 West of the 3rd P.M.; then in a northeasterly direction to traverse Sections 28, 21, 22, 15, and 14, Township 7 North, Range 9 West of the 3rd P.M.; then in an easterly direction to traverse Sections 12 and 13, Township 7 North, Range 9 West of the 3rd P.M.; then in a northeasterly direction to traverse Sections 18, 7, 8, 9, 10, 3, 2 and 1, Township 7 North, Range 8 West of the 3rd P.M.; then in a northeasterly direction to traverse Section 6, Township 7 North, Range 7 West of the 3rd P.M.; then in an easterly direction to traverse Section 31, Township 8 North, Range 7 West of the 3rd P.M.; then in a northeasterly direction to traverse Sections 32, 33, 28, 27, and 26, Township 8 North, Range 7 West of the 3rd P.M.; then in an easterly direction to traverse Section 25, Township 8 North, Range 7 West of the 3rd P.M.; then in a northeasterly direction to traverse Sections 30 and 19, Township 8 North, Range 6 West of the 3rd P.M.; then in an easterly direction to traverse Sections 20, 21, 22, 23, and 24, Township 8 North, Range 6 West of the 3rd P.M., all being located in Macoupin County, Illinois.

At the entry point of the Montgomery County line, the pipeline continues in an easterly direction to traverse Section 19, Township 8 North, Range 5 West of the 3rd P.M.; then in a northeasterly direction to traverse Sections 20, 17, 16, 15, 14, 11, and 12, Township 8 North, Range 5 West of the 3rd P.M.; then continuing in a northeasterly direction to traverse Sections 7, 8, 5, 4, 3, and 2, Township 8 North, Range 4 West of the 3rd P.M.; then continuing in a northeasterly direction to traverse Sections 35 and 36, Township 9 North, Range 4 West of the 3rd P.M.; then continuing in a northeasterly direction to traverse Sections 31, 30, 29, 28, 27, 26, and 25, Township 9 North, Range 3 West of the 3rd P.M.; then continuing in a northeasterly direction to traverse Sections 30, 19, 20, 21, 22, 23, 15, 14, and 13, Township 9 North, Range 2

West of the 3rd P.M.; then continuing in a northeasterly direction to traverse Sections 18, 17, 8, 9, 10, 11, 12, and 1, Township 9 North, Range 1 West of the 3rd P.M., all being located in Montgomery County, Illinois.

At the entry point of the Shelby County line, the pipeline continues in a northeasterly direction to traverse Sections 6, 5, and 4, Township 9 North, Range 1 East of the 3rd P.M.; then continuing in a northeasterly direction to traverse Sections 33, 34, 35, 36, and 25, Township 10 North, Range 1 East of the 3rd P.M.; then continuing in a northeasterly direction to traverse Sections 30, 29, 28, 27, 22, 23, 24 and 19, Township 10 North, Range 2 East of the 3rd P.M.; then continuing in a northeasterly direction to traverse Sections 19, 20, 17, 16, 15, and 14, Township 10 North, Range 3 East of the 3rd P.M. to Valve Site 10-15; then continuing in a northeasterly direction to traverse Sections 14, 13, and 12, Township 10 North, Range 3 East of the 3rd P.M.; then in a easterly direction to traverse Sections 7, 8, 9, 10, 11, Township 10 North, Range 4 East of the 3rd P.M.; then in a northeasterly direction to traverse Sections 12 and 1, Township 10 North, Range 4 East of the 3rd P.M.; then in a northeasterly direction to traverse Section 6, Township 10 North, Range 5 East of the 3rd P.M.; then continuing in a northeasterly direction to traverse Sections 31, 32, 33, 34, 35, 26, and 25, Township 11 North, Range 5 East of the 3rd P.M.; then continuing in a northeasterly direction to traverse Sections 30, 29, 28, 27, 22, 23, and 24, Township 11 North, Range 6 East of the 3rd P.M., all being located in Shelby County, Illinois.

At the entry point of the Coles County line, the pipeline continues in an easterly direction to traverse Sections 19, 18, 17, 20, 21, 22, 23, and 24, Township 11 North, Range 7 East of the 3rd P.M.; then continuing in a easterly direction to traverse Sections 19, 20, and 21, Township 11 North, Range 8 East of the 3rd P.M., all being located in Coles County, Illinois.

At the entry point of the Cumberland County line, the pipeline continues in an easterly direction to traverse Sections 28, 27, 26, and 25, Township 11 North, Range 8 East of the 3rd P.M.; then continuing in a easterly direction to traverse Sections 30, 29, 32, 33, 34, 35, and 36, Township 11 North, Range 9 East of the 3rd P.M.; then continuing in a easterly direction to traverse Sections 31, 32, and 33, Township 11 North, Range 10 East of the 3rd P.M.; then in a northeasterly direction to traverse Sections 28, 27, and 26, Township 11 North, Range 10 East of the 3rd P.M., all being located in Cumberland County, Illinois.

At the entry point of the Coles County line, the pipeline continues in a northeasterly direction to traverse Sections 23 and 24, Township 11 North, Range 10 East of the 3rd P.M.; then continuing in a northeasterly direction to traverse Sections 19 and 18, Township 11 North, Range 11 East of the 3rd P.M., all being located in Coles County, Illinois.

At the entry point of the Clark County line, the pipeline continues in a northeasterly direction to traverse Sections 18, 17, 8, 9, 16, 15, 10, 11, 2, and 1, Township 11 North, Range 14 West of the

2nd P.M.; then continue in a northeasterly direction to traverse Section 6, Township 11 North, Range 13 West of the 2nd P.M.; then continue in a northeasterly direction to traverse Sections 31, 32, 33, 28, 27, 26, 23, and 24, Township 12 North, Range 13 West of the 2nd P.M.; then continuing in a northeasterly direction to traverse Sections 19, 20 and 21, Township 12 North, Range 12 West of the 2nd P.M., all being located in Clark County, Illinois.

At the entry point of the Edgar County line, the pipeline continues in a northeasterly direction to traverse Sections 2116, 15, 14, 11, and 12, Township 12 North, Range 12 West of the 2nd P.M.; then continuing in a northeasterly direction to traverse Sections 6 and 5, Township 12 North, Range 11 West of the 2nd P.M., then continuing in a northeasterly direction to traverse Sections 32, 33, 28, 27, 26, 25, and 24, Township 13 North, Range 11 West of the 2nd P.M., then continue in a northeasterly direction to traverse Sections 19, 20, and 21, Township 13 North, Range 10 West of the 2nd P.M., all being located in Edgar County, Illinois.

EXISTING COWDEN ROUTE

The pipeline begins at Valve Site 10-15 in Section 14, Township 10 North, Range 3 East of the 3rd P.M., of Shelby County, Illinois, and proceeds in a southerly direction to traverse Sections 14, 23, 26, and 35, Township 10 North, Range 3 East of the 3rd P.M.; then continuing in a southerly direction to traverse Sections 2, 3, and 10, Township 9 North, Range 3 East of the 3rd P.M., all being located in Shelby County, Illinois.

EXISTING WOOD RIVER LATERAL

The pipeline begins at the state line between Missouri and Illinois in Section 29, Township 5 North, Range 9 West of the 3rd P.M., of Madison County, Illinois, and proceeds in a northeasterly direction to traverse Section 29.

EXISTING TRILLA KOCH LATERAL

The pipeline begins at Valve Site 38-1 in Section 24, Township 11 North, Range 7 East of the 3rd P.M., of Coles County, Illinois and proceeds in a southerly direction to traverse Section 24.
