In this Agreement, except to the extent, if any, otherwise provided herein, all accounting and financial terms shall have the meanings ascribed to such terms by GAAP, and all computations and determinations as to accounting and financial matters shall be made in accordance with GAAP. In the event that the financial statements generally prepared by the Borrower reflect a change in GAAP that affects the computation of any financial ratio or requirement set forth herein (as contemplated by Section 1.03(b)), the compliance certificate delivered pursuant to Section 5.01(b)(iv) accompanying such financial statements shall include information in reasonable detail reconciling such financial statements which reflect such change in GAAP to financial information that does not reflect such change to the extent relevant to the calculations set forth in such compliance certificate.

(b) If at any time any change in GAAP would affect the computation of any financial ratio or requirement set forth herein and the Borrower or the Majority Lenders shall so request, the Administrative Agent, the Lenders and the Borrower shall negotiate in good faith to amend such ratio or requirement to preserve the original intent thereof in light of such change in GAAP (subject to the approval of the Majority Lenders); provided that, until so amended, such ratio or requirement shall continue to be computed in accordance with GAAP prior to such change therein.

(c) For purposes of any calculation or determination which is to be made on a consolidated basis (including compliance with Section 5.02(c)), such calculation or determination shall exclude any assets, liabilities, revenues and expenses that are included in Borrower's financial statements from "variable interest entities" as a result of the application of FIN No. 46, Consolidation of Variable Interest Entities – an Interpretation of ARB No. 51, as updated through FIN No. 46-R and as modified by FIN No. 94.

For purposes of determining the stated amount of any Facility LC, (a) if a Facility LC provides for one or more automatic increases in the amount available to be drawn thereunder (as a result of lapse of time, the occurrence of certain events or otherwise), then the stated amount thereof shall be the maximum amount available to be drawn thereunder during the remaining term thereof assuming all such increases take effect, regardless of whether such maximum amount is then available; and (b) if a Facility LC has expired by its terms but any amount may still be drawn thereunder by reason of the operation of Rule 3.14 of International Standby Practices 1998, then the stated amount of such Facility LC shall be deemed to be the amount remaining available to be drawn thereunder.

## ARTICLE II

### AMOUNTS AND TERMS OF THE COMMITMENTS

SECTION 2.01 Commitments. Each Lender severally agrees, on the terms and conditions hereinafter set forth, to (a) make Advances to the Borrower and (b) participate in Facility LCs issued upon the request of the Borrower, in each case from time to time during the period from the date hereof to the Commitment Termination Date, in an aggregate amount not to exceed such Lender's Commitment Amount as in effect from time to time; provided that (i) no Advance may be made unless all Lenders have consented thereto as more fully provided in

Section 3.02; (ii) no Advance may be made as a Eurodollar Advance unless all Lenders have consented thereto as more fully provided in Section 3.02; (iii) the aggregate principal amount of all Advances by such Lender shall not exceed such Lender's Pro Rata Share of the aggregate principal amount of all outstanding Advances; (iv) such Lender's participation in Facility LCs shall not exceed such Lender's Pro Rata Share of all LC Obligations; and (v) the Outstanding Credit Extensions shall not at any time exceed the Aggregate Commitment Amount. Within the foregoing limits and subject to the other provisions hereof, the Borrower may from time to time borrow, prepay pursuant to Section 2.10 and reborrow hereunder prior to the Commitment Termination Date; provided, further, that for purposes of the foregoing clause (v), at any time there is a Defaulting Lender, the Aggregate Commitment Amount shall be reduced by an amount equal to the remainder of (A) such Defaulting Lender's Commitment Amount minus (B) the sum of (x) the principal amount of such Defaulting Lender's outstanding Advances plus (y) the amount of cash collateral held by the Administrative Agent for the account of such Defaulting Lender pursuant to Section 2.16.12.

**SECTION 2.02 Procedures for Advances; Limitations on Borrowings.**

(a) The Borrower may request Advances by giving notice (a "Notice of Borrowing") to the Administrative Agent (which shall promptly advise each Lender of its receipt thereof) not later than 10:00 A.M. on the third Business Day prior to the date of any proposed borrowing of Eurodollar Advances and on the date of any proposed borrowing of Base Rate Advances. Each Notice of Borrowing shall be sent by facsimile and shall be in substantially the form of Exhibit B, specifying therein (i) the requested date of borrowing (which shall be a Business Day), (ii) the Type of Advances requested, (iii) the aggregate principal amount of the requested Advances and (iv) in the case of a borrowing of Eurodollar Advances, the initial Interest Period therefor. Each Lender shall, before 12:00 noon on the date of such borrowing, make available for the account of its Applicable Lending Office to the Administrative Agent at its address referred to in Section 8.02, in same day funds, such Lender's ratable portion of the requested borrowing. After the Administrative Agent's receipt of such funds and upon fulfillment of the applicable conditions set forth in Article III, the Administrative Agent will make such funds available to the Borrower at the Administrative Agent's aforesaid address.

(b) Each Notice of Borrowing shall be irrevocable and binding on the Borrower. If a Notice of Borrowing requests Eurodollar Advances, the Borrower shall indemnify each Lender against any loss, cost or expense incurred by such Lender as a result of any failure to fulfill on or before the requested borrowing date the applicable conditions set forth in Article III, including any loss, cost or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by such Lender to fund the requested Advance to be made by such Lender.

(c) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any requested borrowing (or, in the case of a borrowing of Base Rate Advances to be made on the same Business Day as the Administrative Agent's receipt of the relevant Notice of Borrowing, prior to 10:30 A.M. on such Business Day) that such Lender will not make available to the Administrative Agent such Lender's ratable portion of such borrowing, the Administrative Agent may assume that such Lender has made such portion available to the Administrative Agent on the requested borrowing date in accordance with Section 2.02(a) and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on

such date a corresponding amount. If and to the extent that such Lender shall not have so made such ratable portion available to the Administrative Agent, such Lender and the Borrower severally agree to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent, at (i) in the case of the Borrower, the interest rate applicable at the time to Advances made in connection with such borrowing and (ii) in the case of such Lender, the Federal Funds Rate. If such Lender shall repay to the Administrative Agent such corresponding amount, such amount so repaid shall constitute such Lender's Advance as part of such Borrowing for purposes of this Agreement.

(d) The failure of any Lender to make the Advance to be made by it on any borrowing date shall not relieve any other Lender of its obligation, if any, hereunder to make its Advance on such date, but no Lender shall be responsible for the failure of any other Lender to make any Advance to be made by such other Lender.

(e) Each Borrowing of Base Rate Advances shall at all times be in an aggregate amount of \$1,000,000 or an integral multiple thereof; and each Borrowing of Eurodollar Advances shall at all times be in an aggregate amount of \$5,000,000 or a higher integral multiple of \$1,000,000. Notwithstanding anything to the contrary contained herein, the Borrower may not have more than six Borrowings of Eurodollar Advances outstanding at any time.

**SECTION 2.03 Facility Fees.** The Borrower agrees to pay to the Administrative Agent, for the account of the Lenders (subject to Section 2.13(g)(ii)) according to their Pro Rata Shares, a facility fee for the period from the Closing Date to the Commitment Termination Date (or, if later, the date on which all Outstanding Credit Extensions have been paid in full) in an amount equal to the Facility Fee Rate multiplied by the Aggregate Commitment Amount (or, after the Commitment Termination Date, the principal amount of all Outstanding Credit Extensions), payable on the last day of each March, June, September and December and on the Final Termination Date (and, if applicable, thereafter on demand).

**SECTION 2.04 Reduction of Commitment Amounts.**

(a) The Borrower shall have the right, upon at least two Business Days' notice to the Administrative Agent, to ratably reduce the respective Commitment Amounts of the Lenders in accordance with their Pro Rata Shares; provided that the Aggregate Commitment Amount may not be reduced to an amount that is less than the Outstanding Credit Extensions; and provided, further, that each partial reduction of the Commitment Amounts shall be in the aggregate amount of \$5,000,000 or a higher integral multiple of \$1,000,000. Any reduction of the Commitment Amounts pursuant to this Section 2.04 shall be permanent, except as expressly provided otherwise herein.

(b) The Borrower may at any time, upon at least two Business Days' notice to the Administrative Agent, terminate the Commitments so long as the Borrower concurrently pays all of its outstanding obligations hereunder.

(c) At any time a Lender is a Designated Lender, the Borrower may terminate in full the Commitment of such Designated Lender by giving notice to such Designated Lender and the

Administrative Agent; provided that (i) at the time of such termination, no Event of Default or Unmatured Event of Default exists (or the Majority Lenders consent to such termination); and (ii) concurrently with such termination, (A) the Aggregate Commitment Amount shall be reduced by the Commitment Amount of such Designated Lender (it being understood that the Borrower may not terminate the Commitment of a Designated Lender if, after giving effect to such termination, the Outstanding Credit Extensions would exceed the Aggregate Commitment Amount), (B) the Borrower shall pay all amounts owed to such Designated Lender hereunder, less, solely in the case of a Defaulting Lender, the Borrower's reasonable estimate of the amount (if any) of its claims against such Defaulting Lender as a result of the events or circumstances pursuant to which such Lender became a Defaulting Lender, and (C) the Administrative Agent shall return to such Lender any cash collateral held for the account of such Lender pursuant to Section 2.16.12. The termination of the Commitment of a Defaulting Lender pursuant to this Section 2.04(c) shall not be deemed to be a waiver of any right that (x) the Borrower, the Administrative Agent, the LC Issuer or any other Lender may have against such Defaulting Lender or (y) such Defaulting Lender may have against the Borrower based on the estimate described in clause (B) of the preceding sentence.

**SECTION 2.05 Repayment of Advances.** The Borrower shall repay all outstanding Advances made by each Lender, and all other obligations of the Borrower to such Lender hereunder, on the Commitment Termination Date.

**SECTION 2.06 Interest on Advances.** The Borrower shall pay interest on the unpaid principal amount of each Advance from the date of such Advance until such principal amount shall be paid in full, as follows:

(a) At all times such Advance is a Base Rate Advance, a rate per annum equal to the Base Rate plus the Applicable Margin in effect from time to time, payable quarterly on the last day of each March, June, September and December, on the date such Base Rate Advance is converted to a Eurodollar Advance or paid in full and on the Commitment Termination Date (and, if applicable, thereafter on demand).

(b) Subject to Section 2.07, at all times such Advance is a Eurodollar Advance, a rate per annum equal to the sum of the Eurodollar Rate for each applicable Interest Period plus the Applicable Margin in effect from time to time, payable on the last day of each Interest Period for such Eurodollar Advance (and, if any Interest Period for such Advance is six months, on the day that is three months after the first day of such Interest Period) or, if earlier, on the date such Eurodollar Advance is converted to a Base Rate Advance or paid in full and on the Commitment Termination Date (and, if applicable, thereafter on demand).

**SECTION 2.07 Additional Interest on Eurodollar Advances.** The Borrower shall pay to each Lender, so long as such Lender shall be required under regulations of the Board of Governors of the Federal Reserve System to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency Liabilities, additional interest on the unpaid principal amount of each Eurodollar Advance of such Lender, from the date of such Advance until such principal amount is paid in full or converted to a Base Rate Advance, at an interest rate per annum equal to the remainder obtained by subtracting (i) the Eurodollar Rate for each Interest Period for such Advance from (ii) the rate obtained by dividing such Eurodollar Rate by a

percentage equal to 100% minus the Eurodollar Rate Reserve Percentage of such Lender for such Interest Period, payable on each date on which interest is payable on such Advance; provided that no Lender shall be entitled to demand such additional interest more than 90 days following the last day of the Interest Period in respect of which such demand is made; provided, further, that the foregoing proviso shall in no way limit the right of any Lender to demand or receive such additional interest to the extent that such additional interest relates to the retroactive application of the reserve requirements described above if such demand is made within 90 days after the implementation of such retroactive reserve requirements. Such additional interest shall be determined by the applicable Lender and notified to the Borrower through the Administrative Agent, and such determination shall be conclusive and binding for all purposes, absent manifest error.

#### SECTION 2.08 Interest Rate Determination.

(a) The Administrative Agent shall give prompt notice to the Borrower and the Lenders of each applicable interest rate determined by the Administrative Agent for purposes of Section 2.06(a) or (b).

(b) If, with respect to any Borrowing of Eurodollar Advances, the Majority Lenders notify the Administrative Agent that the Eurodollar Rate for any Interest Period for such Advances will not adequately reflect the cost to such Majority Lenders of making, funding or maintaining their respective Eurodollar Advances for such Interest Period, the Administrative Agent shall forthwith so notify the Borrower and the Lenders, whereupon

(i) each Eurodollar Advance will automatically, on the last day of the then existing Interest Period therefor (unless prepaid or converted to a Base Rate Advance prior to such day), convert into a Base Rate Advance, and

(ii) the obligation of the Lenders to make, continue or convert into Eurodollar Advances shall be suspended until the Administrative Agent shall notify the Borrower and the Lenders that the circumstances causing such suspension no longer exist.

#### SECTION 2.09 Continuation and Conversion of Advances.

(a) The Borrower may on any Business Day, upon notice given to the Administrative Agent not later than 10:00 A.M. on the third Business Day prior to the date of any proposed continuation of or conversion into Eurodollar Advances, and on the date of any proposed conversion into Base Rate Advances, and subject to the provisions of Sections 2.08 and 2.12, continue Eurodollar Advances for a new Interest Period or convert a Borrowing of Advances of one Type into Advances of the other Type; provided that (i) any continuation of Eurodollar Advances or conversion of Eurodollar Advances into Base Rate Advances shall be made on, and only on, the last day of an Interest Period for such Eurodollar Advances, unless, in the case of such a conversion, the Borrower shall also reimburse the Lenders pursuant to Section 8.04(b) on the date of such conversion; and (ii) Base Rate Advances may not be converted into Eurodollar Rate Advances unless all Lenders have consented in writing to such conversion. Each such

notice of a continuation or conversion shall, within the restrictions specified above, specify (i) the date of such continuation or conversion, (ii) the Advances to be continued or converted, and (iii) in the case of continuation of or conversion into Eurodollar Advances, the duration of the Interest Period for such Advances.

(b) If the Borrower fails to select the Type of any Advance or the duration of any Interest Period for any Borrowing of Eurodollar Advances in accordance with the provisions contained in the definition of "Interest Period" in Section 1.01 and Section 2.09(a), the Administrative Agent will forthwith so notify the Borrower and the Lenders and such Advances will automatically, on the last day of the then existing Interest Period therefor, convert into Base Rate Advances.

#### SECTION 2.10 Prepayments.

(a) The Borrower may, upon notice to the Administrative Agent not later than 10:00 A.M. at least three Business Days prior to any prepayment of Eurodollar Advances or on the date of any prepayment of Base Rate Advances, in each case stating the proposed date and aggregate principal amount of the prepayment, and if such notice is given the Borrower shall, prepay the outstanding principal amounts of the Advances made as part of the same Borrowing in whole or ratably in part, together with accrued interest to the date of such prepayment on the principal amount prepaid; provided that (i) each partial prepayment of Base Rate Advances shall be in an aggregate principal amount of \$1,000,000 or an integral multiple thereof (or, if the aggregate amount of Advances made pursuant to Section 2.16 as a result of a drawing under a Facility LC is not an integral multiple of \$1,000,000, then the next prepayment of Base Rate Advances may be in an aggregate amount that causes the aggregate principal amount of all Base Rate Advances to be an integral multiple of \$1,000,000); (ii) each partial prepayment of Eurodollar Advances shall be in the amount of \$1,000,000 or a higher integral multiple thereof; and (iii) in the case of any such prepayment of a Eurodollar Advance, the Borrower shall be obligated to reimburse the Lenders pursuant to Section 8.04(b) on the date of such prepayment.

(b) If a Lender at any time becomes a Defaulting Lender and the Outstanding Credit Extensions at such time exceed an amount equal to the total of (i) the Aggregate Commitment Amount minus (ii) such Defaulting Lender's Commitment Amount plus (iii) the principal amount of such Defaulting Lender's outstanding Advances plus (iv) the amount of cash collateral held by the Administrative Agent for the account of such Defaulting Lender pursuant to Section 2.16.12, then the Borrower shall promptly (and in any event within three Business Days) prepay Advances and/or provide cash collateral for Facility LCs (pursuant to documentation reasonably satisfactory to the Administrative Agent and the Borrower) in an amount sufficient to eliminate such excess. Except for the mandatory nature thereof, any prepayment of Advances pursuant to this Section 2.10(b) shall be subject to the provisions of Section 2.10(a); provided that such prepayment may be in any amount that is an integral multiple of \$1,000,000. If the circumstances giving rise to the requirement that the Borrower provide cash collateral pursuant to this Section 2.10(b) cease to exist, then the Administrative Agent shall promptly return such cash collateral to the Borrower.

#### SECTION 2.11 Increased Costs.

(a) If on or after the date of this Agreement, any Lender or the LC Issuer determines that any Change in Law shall increase the cost to such Lender or the LC Issuer, as the case may be, of agreeing to make or making, funding or maintaining Eurodollar Advances or of issuing or participating in any Facility LC, then the Borrower shall from time to time, upon demand by such Lender or the LC Issuer (with a copy of such demand to the Administrative Agent), pay to the Administrative Agent for the account of such Lender or the LC Issuer, as the case may be, additional amounts (without duplication of any amount payable pursuant to Section 2.14) sufficient to compensate such Lender or the LC Issuer for such increased cost; provided that no Lender shall be entitled to demand such compensation more than 90 days following the last day of the Interest Period in respect of which such demand is made and the LC Issuer shall not be entitled to demand such compensation more than 90 days following the expiration or termination (by a drawing or otherwise) of the Facility LC in respect of which such demand is made; provided, further, that the foregoing proviso shall in no way limit the right of any Lender or the LC Issuer to demand or receive such compensation to the extent that such compensation relates to the retroactive application of any law, regulation, guideline or request described in clause (i) or (ii) above if such demand is made within 90 days after the implementation of such retroactive law, interpretation, guideline or request. A certificate as to the amount of such increased cost, submitted to the Borrower and the Administrative Agent by a Lender or the LC Issuer, shall be conclusive and binding for all purposes, absent manifest error.

(b) If any Lender or the LC Issuer determines that, after the date of this Agreement, any Change in Law regarding capital adequacy requirements affects or would affect the amount of capital required or expected to be maintained by such Lender or the LC Issuer or any Person controlling such Lender or the LC Issuer and that the amount of such capital is increased by or based upon the existence of such Lender's Commitment, the LC Issuer's commitment to issue Facility LCs, the Advances made by such Lender or the Reimbursement Obligations owed to the LC Issuer, as the case may be, then, upon demand by such Lender or the LC Issuer (with a copy of such demand to the Administrative Agent), the Borrower shall immediately pay to the Administrative Agent for the account of such Lender or the LC Issuer, from time to time as specified by such Lender or the LC Issuer, additional amounts sufficient to compensate such Lender, the LC Issuer or such controlling Person, as applicable, in the light of such circumstances, to the extent that such Lender determines such increase in capital to be allocable to the existence of such Lender's Commitment or the Advances made by such Lender or the LC Issuer determines such increase in capital to be allocable to the LC Issuer's commitment to issue Facility LCs or the Reimbursement Obligations owed to the LC Issuer; provided that no Lender shall be entitled to demand such compensation more than one year following the payment to or for the account of such Lender of all other amounts payable hereunder by the Borrower and the termination of such Lender's Commitment and the LC Issuer shall not be entitled to demand such compensation more than one year after the expiration or termination (by drawing or otherwise) of all Facility LCs issued by the LC Issuer and the termination of the LC Issuer's commitment to issue Facility LCs; provided, further, that the foregoing proviso shall in no way limit the right of any Lender or the LC Issuer to demand or receive such compensation to the extent that such compensation relates to the retroactive application of any law, regulation, guideline or request described above if such demand is made within one year after the implementation of such retroactive law, interpretation, guideline or request. A certificate as to

such amounts submitted to the Borrower and the Administrative Agent by the applicable Lender or the LC Issuer shall be conclusive and binding, for all purposes, absent manifest error.

(c) Any Lender claiming compensation pursuant to this Section 2.11 shall use reasonable commercial efforts (consistent with its internal policy and legal and regulatory restrictions) to change the jurisdiction of its Applicable Lending Office if the making of such a change would avoid the need for, or reduce the amount of, any such compensation that may thereafter accrue and would not, in the reasonable judgment of such Lender, be otherwise disadvantageous to such Lender.

**SECTION 2.12 Illegality.** Notwithstanding any other provision of this Agreement, if any Lender shall notify the Administrative Agent that any Change in Law makes it unlawful, or any central bank or other governmental authority asserts that it is unlawful, for such Lender or its Eurodollar Lending Office to perform its obligations hereunder to make Eurodollar Advances or to fund or maintain Eurodollar Advances hereunder, (i) the obligation of such Lender to make, continue or convert Advances into Eurodollar Advances shall be suspended (subject to the following paragraph of this Section 2.12) until the Administrative Agent shall notify the Borrower and the Lenders that the circumstances causing such suspension no longer exist and (ii) all Eurodollar Advances of such Lender then outstanding shall, on the last day of the then applicable Interest Period (or such earlier date as such Lender shall designate upon not less than five Business Days' prior written notice to the Administrative Agent), be automatically converted into Base Rate Advances.

If the obligation of any Lender to make, continue or convert into Eurodollar Advances has been suspended pursuant to the preceding paragraph, then, unless and until the Administrative Agent shall notify the Borrower and the Lenders that the circumstances causing such suspension no longer exist, (i) all Advances that would otherwise be made by such Lender as Eurodollar Advances shall instead be made as Base Rate Advances and (ii) to the extent that Eurodollar Advances of such Lender have been converted into Base Rate Advances pursuant to the preceding paragraph or made instead as Base Rate Advances pursuant to the preceding clause (i), all payments and prepayments of principal that would have otherwise been applied to such Eurodollar Advances of such Lender shall be applied instead to such Base Rate Advances of such Lender.

**SECTION 2.13 Payments and Computations.**

(a) The Borrower shall make each payment hereunder not later than 10:00 A.M. on the day when due in U.S. dollars to the Administrative Agent at its address referred to in Section 8.02 in same day funds without setoff, counterclaim or other deduction. The Administrative Agent will promptly thereafter cause to be distributed like funds relating to the payment of principal, interest, facility fees and letter of credit fees ratably (other than amounts payable pursuant to Section 2.02(b), 2.04(c), 2.07, 2.11, 2.14 or 8.04(b) or as provided in Section 2.13(g)) to the Lenders for the account of their respective Applicable Lending Offices, and like funds relating to the payment of any other amount payable to any Lender to such Lender for the account of its Applicable Lending Office, in each case to be applied in accordance with the terms of this Agreement. Upon its acceptance of an Assignment and Acceptance and recording of the information contained therein in the Register pursuant to Section 8.07(d), from the effective date

specified in such Assignment and Acceptance, the Administrative Agent shall make all payments hereunder in respect of the interest assigned thereby to the Lender assignee thereunder, and the parties to such Assignment and Acceptance shall make all appropriate adjustments in such payments for periods prior to such effective date directly between themselves.

(b) The Borrower hereby authorizes each Lender, if and to the extent any payment owed to such Lender by the Borrower is not made when due hereunder, to charge from time to time against any of the Borrower's accounts with such Lender any amount so due. Each Lender agrees to notify the Borrower promptly after any such set-off and application made by such Lender, provided that the failure to give such notice shall not affect the validity of such set-off and application.

(c) All computations of interest based on the Prime Rate shall be made by the Administrative Agent on the basis of a year of 365 or 366 days, as the case may be, and all computations of interest based on the Eurodollar Rate or the Federal Funds Rate and of fees shall be made by the Administrative Agent, and all computations of interest pursuant to Section 2.07 shall be made by a Lender, on the basis of a year of 360 days, in each case for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest or fees are payable. Each determination by the Administrative Agent (or, in the case of Section 2.07, by a Lender) of an interest rate hereunder shall be conclusive and binding for all purposes, absent manifest error.

(d) Whenever any payment hereunder shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of any interest or fees, as the case may be; provided that if such extension would cause payment of interest on or principal of a Eurodollar Advance to be made in the next following calendar month, such payment shall be made on the next preceding Business Day.

(e) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due by the Borrower to the Lenders hereunder that the Borrower will not make such payment in full, the Administrative Agent may assume that the Borrower has made such payment in full to the Administrative Agent on such date and the Administrative Agent may, in reliance upon such assumption, cause to be distributed to each Lender on such due date an amount equal to the amount then due such Lender. If and to the extent that the Borrower shall not have so made such payment in full to the Administrative Agent, each Lender shall repay to the Administrative Agent forthwith on demand such amount distributed to such Lender together with interest thereon, for each day from the date such amount is distributed to such Lender until the date such Lender repays such amount to the Administrative Agent, at the Federal Funds Rate.

(f) Notwithstanding anything to the contrary contained herein, any amount payable by the Borrower hereunder that is not paid when due (whether at stated maturity, by acceleration or otherwise) shall (to the fullest extent permitted by law) bear interest from the date when due until paid in full at a rate per annum equal at all times to the Base Rate plus the Applicable Margin plus 2%, payable upon demand.

(g) If at any time a Lender is a Defaulting Lender, then, to the extent permitted by applicable law (and notwithstanding any other provision of this Agreement), (i) any payment of principal of or interest on Advances or of reimbursement obligations with respect to Facility LCs (including through sharing of payments pursuant to Section 2.15, but excluding (1) any payment pursuant to Section 2.04(c) and (2) any payment to be made on such Defaulting Lender's Termination Date net of any amount described in Section 2.04(c)(ii)(B)) shall, if the Borrower so directs at the time of making such payment, be applied to amounts owed to Lenders other than such Defaulting Lender, as if the amount owed to such Defaulting Lender hereunder in respect of Advances and reimbursement obligations were zero; (ii) such Defaulting Lender's Pro Rata Share of the Outstanding Credit Extensions shall be excluded for purposes of calculating facility fees pursuant to Section 2.03 in respect of each day on which such Lender is a Defaulting Lender, and such Defaulting Lender shall not be entitled to receive any facility fees for any such day; and (iii) such Defaulting Lender's Pro Rata Share shall be deemed to be zero for purposes of calculating letter of credit fees pursuant to Section 2.16.4 in respect of each day on which such Lender is a Defaulting Lender (and the Pro Rata Shares of the other Lenders shall be correspondingly increased for such purposes), and such Defaulting Lender shall not be entitled to receive any letter of credit fees for any such day. In addition, if any Lender is a Defaulting Lender at the time any payment is to be made by the Lenders to the LC Issuer pursuant to Section 2.16.5, 2.16.6 or 2.16.10 and such Defaulting Lender fails to make its Pro Rata Share of such payment, then, solely for purposes of determining the amount of the payment to be made by each Lender to the LC Issuer (and without limiting the liability of such Defaulting Lender for its failure to make such payment), the Pro Rata Shares of the other Lenders shall be correspondingly increased so that, subject to the following proviso, the LC Issuer receives the full amount of the payments to which it is entitled from the Lenders; provided that under no circumstances shall any Lender be obligated to make a payment to the LC Issuer pursuant to this sentence that would cause the aggregate principal amount of such Lender's Advances plus such Lender's Pro Rata Share (without giving effect to any adjustment pursuant to the foregoing provisions of this sentence) of all LC Obligations to exceed such Lender's Commitment Amount (or, if the Commitments have terminated, such Lender's Commitment Amount at the time of such termination, adjusted for any assignments by or to such Lender). The provisions of this Section 2.13(g) do not limit, but are in addition to, any other claim or right that the Borrower, the Administrative Agent, the LC Issuer or any other Lender may have against a Defaulting Lender.

#### SECTION 2.14 Taxes.

(a) All payments by or on behalf of the Borrower hereunder shall be made, in accordance with Section 2.13, free and clear of and without deduction for any and all present or future taxes, levies, imposts, deductions, charges or withholdings, and all liabilities with respect thereto, excluding, in the case of each Lender, the LC Issuer and the Administrative Agent, (i) taxes imposed on its net income, and franchise taxes imposed on it, by the jurisdiction under the laws of which such Lender, the LC Issuer or the Administrative Agent (as the case may be) is organized or any political subdivision thereof and, in the case of each Lender, taxes imposed on its net income, and franchise taxes imposed on it, by the jurisdiction of such Lender's Applicable Lending Office or any political subdivision thereof and (ii) any United States withholding taxes imposed by FATCA (all such non-excluded taxes, levies, imposts, deductions, charges, withholdings and liabilities, "Taxes"). If the Borrower shall be required by law to deduct any Taxes from or in respect of any sum payable hereunder to any Lender, the LC Issuer or the

Administrative Agent, (i) the sum payable shall be increased as may be necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 2.14) such Lender, the LC Issuer or the Administrative Agent (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Borrower shall make such deductions and (iii) the Borrower shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable law.

(b) In addition, the Borrower severally agrees to pay any present or future stamp or documentary taxes or any other excise or property taxes, charges or similar levies to the extent arising from the execution, delivery or registration of this Agreement (all of the foregoing, “Other Taxes”).

(c) No Lender may claim or demand payment or reimbursement in respect of any Taxes or Other Taxes pursuant to this Section 2.14 if such Taxes or Other Taxes, as the case may be, were imposed solely as the result of a voluntary change in the location of the jurisdiction of such Lender’s Applicable Lending Office.

(d) The Borrower will indemnify each Lender, the LC Issuer and the Administrative Agent for the full amount of Taxes or Other Taxes (including any Taxes or Other Taxes imposed by any jurisdiction on amounts payable under this Section 2.14) paid by such Lender, the LC Issuer or the Administrative Agent (as the case may be) and any liability (including penalties, interest and expenses) arising therefrom or with respect thereto, whether or not such Taxes or Other Taxes were correctly or legally asserted. This indemnification shall be made within 30 days from the date such Lender, the LC Issuer or the Administrative Agent (as the case may be) makes written demand therefor.

(e) Prior to the date of an initial borrowing hereunder in the case of each Lender listed on the signature pages hereof, and on the date of the Assignment and Acceptance pursuant to which it became a Lender in the case of each other Lender, and from time to time thereafter within 30 days from the date of request if requested by the Borrower or the Administrative Agent, each Lender organized under the laws of a jurisdiction outside the United States shall provide the Administrative Agent and the Borrower with the forms prescribed by the Internal Revenue Service of the United States certifying that such Lender is exempt from United States withholding taxes with respect to all payments to be made to such Lender hereunder. If for any reason during the term of this Agreement, any Lender becomes unable to submit the forms referred to above or the information or representations contained therein are no longer accurate in any material respect, such Lender shall notify the Administrative Agent and the Borrower in writing to that effect. Unless the Borrower and the Administrative Agent have received forms or other documents satisfactory to them (as set forth above) indicating that payments hereunder are not subject to United States withholding tax, the Borrower or the Administrative Agent shall withhold taxes from such payments at the applicable statutory rate in the case of payments to or for any Lender organized under the laws of a jurisdiction outside the United States and such Lender may not claim or demand payment or reimbursement for such withheld taxes pursuant to this Section 2.14.

(f) Any Lender claiming any additional amounts payable pursuant to this Section 2.14 shall use reasonable commercial efforts (consistent with its internal policy and legal and regulatory restrictions) to change the jurisdiction of its Applicable Lending Office if the making of such a change would avoid the need for, or reduce the amount of, any such additional amounts which may thereafter accrue and would not, in the reasonable judgment of such Lender, be otherwise disadvantageous to such Lender.

(g) If the Borrower makes any additional payment to any Lender pursuant to this Section 2.14 in respect of any Taxes or Other Taxes, and such Lender determines that it has received (i) a refund of such Taxes or Other Taxes or (ii) a credit against or relief or remission for, or a reduction in the amount of, any tax or other governmental charge attributable solely to any deduction or credit for any Taxes or Other Taxes with respect to which it has received payments under this Section 2.14, such Lender shall, to the extent that it can do so without prejudice to the retention of such refund, credit, relief, remission or reduction, pay to the Borrower such amount as such Lender shall have determined to be attributable to the deduction or withholding of such Taxes or Other Taxes. If such Lender determines that it was not entitled to such refund, credit, relief, remission or reduction to the full extent of any payment made pursuant to the first sentence of this Section 2.14(g), the Borrower shall upon notice and demand of such Lender promptly repay the amount of such overpayment. Any determination made by a Lender pursuant to this Section 2.14(g) shall in the absence of bad faith or manifest error be conclusive, and nothing in this Section 2.14(g) shall be construed as requiring any Lender to conduct its business or to arrange or alter in any respect its tax or financial affairs (except as required by Section 2.14(f)) so that it is entitled to receive such a refund, credit or reduction or as allowing any Person to inspect any records, including tax returns, of such Lender.

(h) If a payment made to a Lender or the LC Issuer under this Agreement would be subject to U.S. Federal withholding Tax imposed by FATCA if such Lender or the LC Issuer were to fail to comply with the applicable reporting requirements of FATCA (including those contained in section 1471(b) or 1472(b) of the Code, as applicable), such Lender or the LC Issuer shall deliver to the Borrower and the Administrative Agent, at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent, any other documentation prescribed by applicable law (including as prescribed by section 1471(b)(3)(C)(i) of the Code) or reasonably requested by the Borrower or Administrative Agent that is necessary for such Person to comply with its obligations under FATCA to determine that such Lender or the LC Issuer has or has not complied with its obligations under FATCA and, as necessary, to determine the amount to deduct and withhold from such payment. Solely for purposes of this Section 2.14(h), "FATCA" shall include any amendment made to FATCA after the date of this Agreement, whether or not such amendment is included in the definition set forth in Section 1.01.

(i) Without prejudice to the survival of any other agreement of the Borrower or any Lender hereunder, the agreements and obligations of the Borrower and the Lenders contained in this Section 2.14 shall survive the payment in full of principal and interest hereunder and the termination of this Agreement; provided that no Lender shall be entitled to demand any payment from the Borrower under this Section 2.14 more than one year following the payment to or for the account of such Lender of all other amounts payable by the Borrower hereunder to such Lender and the termination of such Lender's Commitment; provided, further, that the foregoing

proviso shall in no way limit the right of any Lender to demand or receive any payment under this Section 2.14 to the extent that such payment relates to the retroactive application of any Taxes or Other Taxes if such demand is made within one year after the implementation of such Taxes or Other Taxes.

SECTION 2.15 Sharing of Payments, Etc. If any Lender shall obtain any payment (whether voluntary, involuntary, through the exercise of any right of set-off, or otherwise) on account of the Advances made by it to the Borrower or its participation interest in any Facility LC issued for the account of the Borrower (other than pursuant to Section 2.02(b), 2.07, 2.11, 2.14, 2.16.7 or 8.04(b)) in excess of its ratable share of payments on account of the Advances to the Borrower and LC Obligations obtained by all Lenders, such Lender shall forthwith purchase from the other Lenders such participations in the Advances and/or LC Obligations as shall be necessary to cause such purchasing Lender to share the excess payment ratably with each of them, provided that if all or any portion of such excess payment is thereafter recovered from such purchasing Lender, such purchase from each Lender shall be rescinded and such Lender shall repay to the purchasing Lender the purchase price to the extent of such recovery together with an amount equal to such Lender's ratable share (according to the proportion of (i) the amount of such Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered. The Borrower agrees that any Lender so purchasing a participation from another Lender pursuant to this Section 2.15 may, to the fullest extent permitted by law, exercise all its rights of payment (including the right of set-off) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation.

#### SECTION 2.16 Facility LCs.

SECTION 2.16.1 Issuance. The LC Issuer shall in its sole discretion, on the terms and conditions set forth in this Agreement (including the limitations set forth in Section 2.01), upon the request of the Borrower, issue standby letters of credit and extend, increase or otherwise modify Facility LCs ("Modify," and each such action a "Modification"), from time to time from the date of this Agreement to the Commitment Termination Date. No Facility LC shall have an expiry date later than the earlier of (a) 364 days after the date of issuance, or of extension or renewal, thereof or (b) 360 days after the scheduled Commitment Termination Date. No Facility LC may be renewed or extended, or increased in amount, after the Commitment Termination Date (but a Facility LC may be decreased in amount or, subject to the following sentence, otherwise amended after such date). The LC Issuer shall not be obligated to issue or Modify any Facility LC if (i) any order, judgment or decree of any court or other governmental authority shall by its terms purport to enjoin or restrain the LC Issuer from issuing such Facility LC or (ii) any applicable law, or any request or directive from any governmental authority having jurisdiction over the LC Issuer, shall prohibit, or request or direct that the LC Issuer refrain from, the issuance of letters of credit generally or of such Facility LC in particular. Facility LCs may be issued for any proper corporate purpose. By their execution of this Agreement, the parties hereto agree that on the Closing Date (without any further action by any Person), each Existing Letter of Credit shall be deemed to have been issued under this Agreement and the rights and obligations of the issuer and the account party thereunder shall be subject to the terms hereof.

**SECTION 2.16.2 Participations.** Upon the issuance or Modification by the LC Issuer of a Facility LC in accordance with this Section 2.16 (or, in the case of the Existing Letters of Credit, on the Closing Date), the LC Issuer shall be deemed, without further action by any party hereto, to have unconditionally and irrevocably sold to each Lender, and each Lender shall be deemed, without further action by any party hereto, to have unconditionally and irrevocably purchased from the LC Issuer, a participation in such Facility LC (and each Modification thereof) and the related LC Obligations in proportion to its Pro Rata Share.

**SECTION 2.16.3 Notice.** Subject to Section 2.16.1, the Borrower shall give the LC Issuer notice prior to 10:00 A.M. at least five Business Days (or such lesser time as the LC Issuer may agree) prior to the proposed date of issuance or Modification of each Facility LC, specifying the beneficiary, the proposed date of issuance (or Modification) and the expiry date of such Facility LC, and describing the proposed terms of such Facility LC and the nature of the transactions proposed to be supported thereby. Upon receipt of such notice, the LC Issuer shall promptly notify the Administrative Agent, and the Administrative Agent shall promptly notify each Lender, of the contents thereof and of the amount of such Lender's participation in such proposed Facility LC. The issuance or Modification by the LC Issuer of any Facility LC shall, in addition to the applicable conditions precedent set forth in Article III (the satisfaction of which the LC Issuer shall have no duty to ascertain; provided that the LC Issuer shall not issue a Facility LC if the LC Issuer shall have received written notice (which has not been rescinded) from the Administrative Agent or any Lender that any applicable condition precedent to the issuance or modification of such Facility LC has not been satisfied and, in fact, such condition precedent is not satisfied at the requested time of issuance), be subject to the conditions precedent that such Facility LC shall be satisfactory to the LC Issuer and that the Borrower shall have executed and delivered such application agreement and/or such other instruments and agreements relating to such Facility LC as the LC Issuer shall have reasonably requested (each a "Facility LC Application"). In the event of any conflict (including any additional terms requiring the posting of collateral) between the terms of this Agreement and the terms of any Facility LC Application, the terms of this Agreement shall control.

**SECTION 2.16.4 LC Fees.** The Borrower agrees to pay to the Administrative Agent, for the account of each Lender (subject to Section 2.13(g)(iii)), a letter of credit fee at a rate per annum equal to the LC Fee Rate on such Lender's Pro Rata Share of the undrawn stated amount of all Facility LCs outstanding from time to time, payable in arrears on the last day of each March, June, September and December and on the Final Termination Date (and, if applicable, thereafter on demand). The Borrower also agrees to pay to the LC Issuer for its own account (x) a fronting fee in an amount and at the times agreed upon between the LC Issuer and the Borrower and (y) documentary and processing charges in connection with the issuance or Modification of and draws under Facility LCs in accordance with the LC Issuer's standard schedule for such charges as in effect from time to time.

**SECTION 2.16.5 Administration; Reimbursement by Lenders.** Upon receipt from the beneficiary of any Facility LC of any demand for payment under such Facility LC, the LC Issuer shall notify the Administrative Agent and the Administrative Agent shall promptly notify the Borrower and each Lender as to the amount to be paid by the LC Issuer as a result of such demand and the proposed payment date (the "LC Payment Date"). The responsibility of the LC Issuer to the Borrower and each Lender shall be only to determine that the documents

(including each demand for payment) delivered under each Facility LC in connection with such presentment shall be in conformity in all material respects with such Facility LC. The LC Issuer shall endeavor to exercise the same care in the issuance and administration of the Facility LCs as it does with respect to letters of credit in which no participations are granted, it being understood that in the absence of any gross negligence or willful misconduct by the LC Issuer, each Lender shall be unconditionally and irrevocably liable, without regard to the occurrence of the Commitment Termination Date or the Final Termination Date, the occurrence of any Event of Default or Unmatured Event of Default or any condition precedent whatsoever, to reimburse the LC Issuer on demand for (i) such Lender's Pro Rata Share of the amount of each payment made by the LC Issuer under any Facility LC to the extent such amount is not reimbursed by the Borrower pursuant to Section 2.16.6, plus (ii) interest on the foregoing amount to be reimbursed by such Lender, for each day from the date of the LC Issuer's demand for such reimbursement (or, if such demand is made after 11:00 A.M. on such day, from the next succeeding Business Day) to the date on which such Lender pays the amount to be reimbursed by it, at a rate of interest per annum equal to the Federal Funds Rate for the first three days and, thereafter, at the Base Rate.

SECTION 2.16.6 Reimbursement by Borrower. The Borrower shall be irrevocably and unconditionally obligated to reimburse the LC Issuer on or before the applicable LC Payment Date for any amount to be paid by the LC Issuer upon any drawing under any Facility LC, without presentment, demand, protest or other formalities of any kind; provided that neither the Borrower nor any Lender shall hereby be precluded from asserting any claim for direct (but not consequential) damages suffered by the Borrower or such Lender to the extent, but only to the extent, caused by (i) the willful misconduct or gross negligence of the LC Issuer in determining whether a request presented under any Facility LC complied with the terms of such Facility LC or (ii) the LC Issuer's failure to pay under any Facility LC after the presentation to it of a request strictly complying with the terms and conditions of such Facility LC. If the Borrower fails to fully reimburse the LC Issuer by 11:00 A.M. on an LC Payment Date, the LC Issuer shall promptly notify the Administrative Agent. Upon receipt of such notice, the Administrative Agent shall promptly notify each Lender of such LC Payment Date, the amount of the unpaid Reimbursement Obligations and such Lender's Pro Rata Share thereof. In such event, the Borrower shall be deemed to have requested Base Rate Advances to be disbursed on the applicable LC Payment Date in an amount equal to the unpaid Reimbursement Obligations, without regard to the minimum and multiples specified for Base Rate Advances in Section 2.02(e), but subject to the conditions set forth in Article III. All Reimbursement Obligations that are not fully refinanced by the making of Base Rate Advances because the Borrower cannot satisfy the conditions set forth in Article III or for any other reason shall bear interest, payable on demand, for each day until paid at a rate per annum equal to the Base Rate plus 2%. The LC Issuer will pay to each Lender ratably in accordance with its Pro Rata Share all amounts received by it from the Borrower for application in payment, in whole or in part, of the Reimbursement Obligations in respect of any Facility LC, but only to the extent such Lender has made payment to the LC Issuer in respect of such Facility LC pursuant to Section 2.16.5. So long as the Commitment Termination Date has not occurred, but subject to the terms and conditions of this Agreement (including the submission of a Notice of Borrowing in compliance with Section 2.02 and the satisfaction of the applicable conditions precedent set forth in Article III), the Borrower may request Advances hereunder for the purpose of satisfying any Reimbursement Obligation.

SECTION 2.16.7 Obligations Absolute. The Borrower's obligations under this Section 2.16 shall be absolute and unconditional under any and all circumstances and irrespective of any setoff, counterclaim or defense to payment which the Borrower may have against the LC Issuer, any Lender or any beneficiary of a Facility LC. The Borrower agrees with the LC Issuer and the Lenders that the LC Issuer and the Lenders shall not be responsible for, and the Reimbursement Obligations in respect of any Facility LC shall not be affected by, among other things, the validity or genuineness of documents or of any endorsements thereon, even if such documents should in fact prove to be in any or all respects invalid, fraudulent or forged, or any dispute between or among the Borrower, any of its Affiliates, the beneficiary of any Facility LC or any financing institution or other party to whom any Facility LC may be transferred or any claims or defenses whatsoever of the Borrower or of any of its Affiliates against the beneficiary of any Facility LC or any such transferee. The LC Issuer shall not be liable for any error, omission, interruption or delay in transmission, dispatch or delivery of any message or advice, however transmitted, in connection with any Facility LC. The Borrower agrees that any action taken or omitted by the LC Issuer or any Lender under or in connection with any Facility LC and the related drafts and documents, if done without gross negligence or willful misconduct, shall be binding upon the Borrower and shall not put the LC Issuer or any Lender under any liability to the Borrower. Nothing in this Section 2.16.7 is intended to limit the right of the Borrower to make a claim against the LC Issuer for damages as contemplated by the proviso to the first sentence of Section 2.16.6.

SECTION 2.16.8 Actions of LC Issuer. The LC Issuer shall be entitled to rely, and shall be fully protected in relying, upon any Facility LC, draft, writing, resolution, notice, consent, certificate, affidavit, letter, facsimile, message, statement, order or other document believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and upon advice and statements of legal counsel, independent accountants and other experts selected by the LC Issuer. The LC Issuer shall be fully justified in failing or refusing to take any action under this Agreement unless it shall first have received such advice or concurrence of the Majority Lenders as it reasonably deems appropriate or it shall first be indemnified to its reasonable satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Notwithstanding any other provision of this Section 2.16, the LC Issuer shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement in accordance with a request of the Majority Lenders, and such request and any action taken or failure to act pursuant thereto shall be binding upon the Lenders and any future holder of a participation in any Facility LC.

SECTION 2.16.9 Indemnification. The Borrower hereby agrees to indemnify and hold harmless each Lender, the LC Issuer and the Administrative Agent, and their respective directors, officers, agents and employees, from and against any claim, damage, loss, liability, cost or expense which such Lender, the LC Issuer or the Administrative Agent may incur (or which may be claimed against such Lender, the LC Issuer or the Administrative Agent by any Person whatsoever) by reason of or in connection with the issuance, execution and delivery or transfer of or payment or failure to pay under any Facility LC or any actual or proposed use of any Facility LC, including any claim, damage, loss, liability, cost or expense which the LC Issuer may incur by reason of or in connection with (i) the failure of any other Lender to fulfill or comply with its obligations to the LC Issuer hereunder (but nothing herein contained shall affect

any right the Borrower may have against any Defaulting Lender) or (ii) by reason of or on account of the LC Issuer issuing any Facility LC that specifies that the term “Beneficiary” included therein includes any successor by operation of law of the named Beneficiary, but which Facility LC does not require that any drawing by any such successor Beneficiary be accompanied by a copy of a legal document, satisfactory to the LC Issuer, evidencing the appointment of such successor Beneficiary; provided that the Borrower shall not be required to indemnify any Lender, the LC Issuer or the Administrative Agent for any claim, damage, loss, liability, cost or expense to the extent, but only to the extent, caused by (x) the willful misconduct or gross negligence of the LC Issuer in determining whether a request presented under any Facility LC complied with the terms of such Facility LC or (y) the LC Issuer’s failure to pay under any Facility LC after the presentation to it of a request strictly complying with the terms and conditions of such Facility LC. Nothing in this Section 2.16.9 is intended to limit the obligations of the Borrower under any other provision of this Agreement.

SECTION 2.16.10 Lenders’ Indemnification. Each Lender shall, ratably in accordance with its Pro Rata Share, indemnify the LC Issuer, its Affiliates and their respective directors, officers, agents and employees (to the extent not reimbursed by the Borrower) against any cost, expense (including reasonable counsel fees and disbursements), claim, demand, action, loss or liability (except such as result from such indemnitees’ gross negligence or willful misconduct or the LC Issuer’s failure to pay under any Facility LC after the presentation to it of a request strictly complying with the terms and conditions of the Facility LC) that such indemnitees may suffer or incur in connection with this Section 2.16 or any action taken or omitted by such indemnitees hereunder.

SECTION 2.16.11 Rights as a Lender. In its capacity as a Lender, the LC Issuer shall have the same rights and obligations as any other Lender.

SECTION 2.16.12 Rights with Respect to Designated Lenders. If any Lender is a Designated Lender, then the LC Issuer may, by notice to such Designated Lender and the Administrative Agent, require such Designated Lender to (a) deliver to the Administrative Agent, for the account of the LC Issuer, cash collateral in an amount equal to such Designated Lender’s Pro Rata Share of the undrawn principal amount of all Facility LCs (the “Reserve Amount”) or (b) make other arrangements reasonably satisfactory to the LC Issuer to assure that such Designated Lender will reimburse the LC Issuer for its Pro Rata Share of any payment made by the LC Issuer under any Facility LC. Any such cash collateral (i) shall be held by the Administrative Agent pursuant to arrangements reasonably satisfactory to such Designated Lender, the LC Issuer and the Administrative Agent and (ii) if at any time such Designated Lender becomes obligated to pay any amount to the LC Issuer pursuant to Section 2.16.5 or to make an Advance pursuant to Section 2.16.6, shall be applied (to the extent required) by the Administrative Agent to pay such amount or to make such Advance. Upon the expiration, termination or reduction in amount of any applicable Facility LC, the Administrative Agent shall release (subject to Section 2.13(g) in the case of a Defaulting Lender) to such Designated Lender (or such other Person as may be entitled thereto) any cash collateral held by the Administrative Agent in excess of the Reserve Amount. If any Designated Lender fails to provide cash collateral or make other arrangements as required by the first sentence of this Section 2.16.12, then the Administrative Agent shall retain as cash collateral all amounts otherwise payable to

such Designated Lender under this Agreement until the Administrative Agent has retained an amount equal to the Reserve Amount.

**SECTION 2.17 Extension of Scheduled Commitment Termination Date.** The Borrower may request an extension of the scheduled Commitment Termination Date by submitting a request for an extension to the Administrative Agent (an “Extension Request”) no more than 60 days prior to the scheduled Commitment Termination Date then in effect. The Extension Request must specify the new scheduled Commitment Termination Date and the date (which must be at least 30 days after the Extension Request is delivered to the Administrative Agent) as of which the Lenders must respond to the Extension Request (the “Response Date”). The new scheduled Commitment Termination Date shall be 364 days after the scheduled Commitment Termination Date in effect at the time an Extension Request is received, including the scheduled Commitment Termination Date as one of the days in the calculation of the days elapsed. Promptly upon receipt of an Extension Request, the Administrative Agent shall notify each Lender of the contents thereof and shall request each Lender to approve such Extension Request, which approval shall be at the sole discretion of each Lender. Each Lender approving such Extension Request shall deliver its written consent no later than the Response Date. If the written consent of each of the Lenders (excluding any Person which ceases to be a Lender pursuant to Section 8.07(g)(iii)) is received by the Administrative Agent, the new scheduled Commitment Termination Date specified in the Extension Request shall become effective on the existing scheduled Commitment Termination Date and the Administrative Agent shall promptly notify each Borrower and each Lender of the new scheduled Commitment Termination Date. If all Lenders (including any Person which becomes a Lender pursuant to Section 8.07(g)) do not consent to an Extension Request, the scheduled Commitment Termination Date shall not be extended pursuant to such Extension Request.

### ARTICLE III

#### CONDITIONS PRECEDENT

**SECTION 3.01 Conditions Precedent to Effectiveness.** This Agreement (including the Commitments of the Lenders and the obligations of the Borrower hereunder) shall become effective if, on or before October 16, 2015, all of the following conditions precedent have been satisfied:

(a) the Administrative Agent shall have received evidence, satisfactory to the Administrative Agent, that the Borrower has paid (or will pay with the proceeds of the initial Credit Extensions) all amounts then payable by the Borrower under the Existing Agreement (after giving effect to the last sentence of Section 2.16.1) and that all commitments to make extensions of credit to the Borrower thereunder have been (or concurrently with the initial Advances will be) terminated;

(b) the Administrative Agent shall have received (i) a counterpart of this Agreement signed on behalf of each party hereto or (ii) written evidence (which may include electronic transmission of a signed signature page of this Agreement) that each party hereto has signed a counterpart of this Agreement and each of the following documents, each dated a date

reasonably satisfactory to the Administrative Agent and otherwise in form and substance satisfactory to the Administrative Agent:

(d) The Borrower or any Principal Subsidiary shall fail to pay any principal of or premium or interest on any Debt that is outstanding in a principal amount in excess of \$50,000,000 in the aggregate (but excluding Debt hereunder, Nonrecourse Indebtedness, Debt of a Receivables SPC under a Permitted Securitization, and Transitional Funding Instruments) when the same becomes due and payable (whether by scheduled maturity, required prepayment, acceleration, demand or otherwise), and such failure shall continue after the applicable grace period, if any, specified in the agreement or instrument relating to such Debt; or any other event shall occur or condition shall exist under any agreement or instrument relating to any such Debt and shall continue after the applicable grace period, if any, specified in such agreement or instrument, if the effect of such event or condition is to accelerate, or to permit the acceleration of, the maturity of such Debt; or any such Debt shall be declared to be due and payable, or required to be prepaid (other than by a regularly scheduled required prepayment), prior to the stated maturity thereof, other than any acceleration of any Debt secured by equipment leases or fuel leases of the Borrower or a Principal Subsidiary as a result of the occurrence of any event requiring a prepayment (whether or not characterized as such) thereunder, which prepayment will not result in a Material Adverse Change; or

(e) The Borrower or any Principal Subsidiary shall generally not pay its debts as such debts become due, or shall admit in writing its inability to pay its debts generally, or shall make a general assignment for the benefit of creditors; or any proceeding shall be instituted by or against the Borrower or any Principal Subsidiary seeking to adjudicate it as bankrupt or insolvent, or seeking liquidation, winding up, reorganization, arrangement, adjustment, protection, relief, or composition of it or its debts under any law relating to bankruptcy, insolvency or reorganization or relief of debtors, or seeking the entry of an order for relief or the appointment of a receiver, trustee, custodian or other similar official for it or for any substantial part of its property and, in the case of any such proceeding instituted against it (but not instituted by it), either such proceeding shall remain undismissed or unstayed for a period of 60 days, or any of the actions sought in such proceeding (including the entry of an order for relief against, or the appointment of a receiver, trustee, custodian or other similar official for, it or for any substantial part of its property,) shall occur; or the Borrower or any Principal Subsidiary shall take any action to authorize or to consent to any of the actions set forth above in this Section 6.01(e); or

(f) One or more judgments or orders for the payment of money in an aggregate amount exceeding \$50,000,000 (excluding any such judgments or orders which are fully covered by insurance, subject to any customary deductible, and under which the applicable insurance carrier has acknowledged such full coverage in writing) shall be rendered against the Borrower or any Principal Subsidiary and either (i) enforcement proceedings shall have been commenced by any creditor upon such judgment or order or (ii) there shall be any period of 30 consecutive days during which a stay of enforcement of such judgment or order, by reason of a pending appeal or otherwise, shall not be in effect; or

(g) (i) Any Reportable Event that the Majority Lenders determine in good faith is reasonably likely to result in the termination of any Single Employer Plan or in the appointment by the appropriate United States District Court of a trustee to administer a Single Employer Plan shall have occurred and be continuing 60 days after written notice to such effect shall have been given to the Borrower by the Administrative Agent; (ii) any Single Employer Plan shall be terminated; (iii) a trustee shall be appointed by an appropriate United States District Court to administer any Single Employer Plan; (iv) the PBGC shall institute proceedings to terminate any Single Employer Plan or to appoint a trustee to administer any Single Employer Plan; or (v) the Borrower or any other member of the Controlled Group withdraws from any Multiemployer Plan; provided that on the date of any event described in clauses (i) through (v) above, the Borrower has received notice assessing the liability of the Borrower with respect to the applicable Plan and such liability exceeds \$50,000,000; or

(h) The outstanding capital stock of the Borrower shall fail to be at least 85% owned, directly or indirectly, by Exelon (other than as a result of Exelon distributing to Exelon's shareholders generally the capital stock of the Borrower or the capital stock of a subsidiary of Exelon that is the Borrower's direct or indirect parent company);

then, and in any such event, the Administrative Agent shall at the request, or may with the consent, of the Majority Lenders, by notice to the Borrower, (i) declare the respective Commitments of the Lenders and the commitment of the LC Issuer to issue Facility LCs to be terminated, whereupon the same shall forthwith terminate, and/or (ii) declare the outstanding principal amount of the Advances, all interest thereon and all other amounts payable under this

Agreement by the Borrower (including all contingent LC Obligations) to be forthwith due and payable, whereupon the outstanding principal amount of the Advances, all such interest and all such other amounts shall become and be forthwith due and payable, without presentment, demand, protest or further notice of any kind, all of which are hereby expressly waived by the Borrower; provided that in the event of an Event of Default under Section 6.01(e), (A) the obligation of each Lender to make any Advance to the Borrower and the obligation of the LC Issuer to issue Facility LCs shall automatically be terminated and (B) the outstanding principal amount of all Advances, all interest thereon and all other amounts payable by the Borrower hereunder (including all contingent LC Obligations) shall automatically and immediately become due and payable, without presentment, demand, protest or any notice of any kind, all of which are hereby expressly waived by the Borrower.

## ARTICLE VII

### THE ADMINISTRATIVE AGENT

#### SECTION 7.01 Authorization and Action.

(a) Each Lender hereby appoints and authorizes the Administrative Agent to take such action as administrative agent on its behalf and to exercise such powers under this Agreement as are delegated to the Administrative Agent by the terms hereof, together with such powers as are reasonably incidental thereto. As to any matters not expressly provided for by this Agreement (including enforcement or collection of the obligations of the Borrower hereunder), the Administrative Agent shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the instructions of the Majority Lenders, and such instructions shall be binding upon all Lenders; provided that the Administrative Agent shall not be required to take any action which exposes the Administrative Agent to personal liability or which is contrary to this Agreement or applicable law. The Administrative Agent agrees to give to each Lender prompt notice of each notice given to it by the Borrower pursuant to the terms of this Agreement.

(b) The Administrative Agent may perform any and all of its duties and exercise its rights hereunder by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights hereunder through its respective Affiliates, directors, officers, employees, agents and advisors (collectively, the "Related Parties"). The provisions of this Article VII shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent.

SECTION 7.02 Administrative Agent's Reliance, Etc. Neither the Administrative Agent nor any of its directors, officers, agents or employees shall be liable for any action taken or omitted to be taken by it or them under or in connection with this Agreement, except for its or their respective own gross negligence or willful misconduct. Without limiting the generality of the foregoing: (i) the Administrative Agent may consult with legal counsel (including counsel for the Borrower), independent public accountants and other experts selected by it and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts; (ii) the Administrative Agent makes no warranty

or representation to any Lender and shall not be responsible to any Lender for any statements, warranties or representations (whether written or oral) made in or in connection with this Agreement; (iii) the Administrative Agent shall not have any duty to ascertain or to inquire as to the performance or observance of any of the terms, covenants or conditions of this Agreement on the part of the Borrower or to inspect the property (including the books and records) of the Borrower; (iv) the Administrative Agent shall not be responsible to any Lender for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any other instrument or document furnished pursuant hereto; and (v) the Administrative Agent shall not incur any liability under or in respect of this Agreement by acting upon any notice, consent, certificate or other instrument or writing (which may be by facsimile) believed by it to be genuine and signed or sent by the proper party or parties.

**SECTION 7.03 Administrative Agent and Affiliates.** With respect to its Commitment, Advances and other rights and obligations hereunder in its capacity as a Lender, JPMCB shall have the same rights and powers under this Agreement as any other Lender and may exercise the same as though it were not the Administrative Agent; and the term “Lender” or “Lenders” shall include JPMCB in its individual capacity. JPMCB and its affiliates may accept deposits from, lend money to, act as trustee under indentures of, and generally engage in any kind of business with, the Borrower, any Affiliate thereof and any Person who may do business with or own securities of the Borrower or any such Affiliate, all as if it were not Administrative Agent and without any duty to account therefor to the Lenders.

**SECTION 7.04 Lender Credit Decision.** Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender and based on the financial statements referred to in Section 4.01(e) and such other documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement.

**SECTION 7.05 Indemnification.** The Lenders agree to indemnify the Administrative Agent (to the extent not reimbursed by the Borrower), ratably according to their respective Pro Rata Shares, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against the Administrative Agent in any way relating to or arising out of this Agreement or any action taken or omitted by the Administrative Agent under this Agreement, provided that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent’s gross negligence or willful misconduct. Without limiting the foregoing, each Lender agrees to reimburse the Administrative Agent promptly upon demand for its Pro Rata Share of any out-of-pocket expenses (including reasonable counsel fees) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, to the extent that such expenses are reimbursable by the Borrower but for which the Administrative Agent is not reimbursed by the Borrower.

**SECTION 7.06 Successor Administrative Agent.** The Administrative Agent may resign at any time by giving written notice thereof to the Lenders and the Borrower and may be removed at any time with or without cause by the Majority Lenders. Upon any such resignation or removal, the Majority Lenders shall have the right to appoint a successor Administrative Agent. If no successor Administrative Agent shall have been so appointed by the Majority Lenders, and shall have accepted such appointment, within 30 days after the retiring Administrative Agent's giving of notice of resignation or the Majority Lenders' removal of the retiring Administrative Agent, then the retiring Administrative Agent may, on behalf of the Lenders, appoint a successor Administrative Agent, which shall be a commercial bank described in clause (i) or (ii) of the definition of "Eligible Assignee" having a combined capital and surplus of at least \$150,000,000. Upon the acceptance of any appointment as Administrative Agent hereunder by a successor Administrative Agent, such successor Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations under this Agreement. After any retiring Administrative Agent's resignation or removal hereunder as Administrative Agent, the provisions of this Article VII shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement. Notwithstanding the foregoing, if no Event of Default or Unmatured Event of Default shall have occurred and be continuing, then no successor Administrative Agent shall be appointed under this Section 7.06 without the prior written consent of the Borrower, which consent shall not be unreasonably withheld or delayed.

**SECTION 7.07 Arrangers.** The title "Arranger" is purely honorific, and no Person designated as an "Arranger" shall have any duties or responsibilities in such capacity.

## ARTICLE VIII

### MISCELLANEOUS

**SECTION 8.01 Amendments, Etc.** No amendment or waiver of any provision of this Agreement, nor consent to any departure by the Borrower therefrom, shall in any event be effective unless the same shall be in writing and signed by the Majority Lenders and, in the case of an amendment, the Borrower, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided that no amendment, waiver or consent shall, unless in writing and signed by all Lenders (other than any Lender that is the Borrower or an Affiliate thereof), do any of the following: (a) waive or amend any of the conditions specified in Section 3.01 or 3.02, (b) increase or extend the Commitments of the Lenders (other than pursuant to Section 2.17) or subject the Lenders to any additional obligations, (c) reduce the principal of, or interest on, any Advance, any Reimbursement Obligation or any fees or other amounts payable hereunder, (d) postpone any date fixed for any payment of principal of, or interest on, any Advance, any Reimbursement Obligation or any fees or other amounts payable hereunder, (e) change the percentage of the Commitments or of the aggregate unpaid principal amount of the Advances, or the number of Lenders, that shall be required for the Lenders or any of them to take any action hereunder, (f) amend this Section 8.01 or (g) waive or amend any provision regarding pro rata sharing or otherwise relates to the distribution of payments among Lenders; provided, further, that (i) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent, in addition to the

Lenders required above to take such action, affect the rights or duties of the Administrative Agent under this Agreement; and (ii) no amendment, waiver or consent shall, unless in writing and signed by the LC Issuer, in addition to the Lenders required above to take such action, affect the rights or duties of the LC Issuer under this Agreement.

**SECTION 8.02 Notices, Etc.** All notices and other communications provided for hereunder shall be in writing (including facsimile transmission) and mailed, sent by facsimile or delivered, if to the Borrower, at 10 S. Dearborn, 52nd Floor, Chicago, IL 60603, Attention: Treasurer, facsimile: (312) 394-4082; if to any Lender, at its Domestic Lending Office specified in its Administrative Questionnaire or in the Assignment and Acceptance pursuant to which it became a Lender; and if to the Administrative Agent, at its address at 1111 Fannin St., 10th Floor, Houston, TX 77002, Attention: Kimberly Brown, facsimile: (713) 750-2782 or, as to each party, at such other address as shall be designated by such party in a written notice to the other parties. All such notices and communications shall be effective (a) if mailed, three Business Days after being deposited in the U.S. mail, postage prepaid, (b) if sent by facsimile, when the sender receives electronic confirmation of receipt, and (c) otherwise, when delivered, except that notices and communications to the Administrative Agent pursuant to Article II or VII shall not be effective until received by the Administrative Agent.

**SECTION 8.03 No Waiver; Remedies.** No failure on the part of any Lender, the LC Issuer or the Administrative Agent to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

**SECTION 8.04 Costs and Expenses; Indemnification.**

(a) The Borrower agrees to pay on demand all costs and expenses incurred by the Administrative Agent, the LC Issuer and the Arrangers in connection with the preparation, execution, delivery, administration, syndication, modification and amendment of this Agreement and the other documents to be delivered hereunder, including the reasonable fees, internal charges and out-of-pocket expenses of counsel (including in-house counsel) for the Administrative Agent, the LC Issuer and the Arrangers with respect thereto and with respect to advising the Administrative Agent, the LC Issuer and the Arrangers as to their respective rights and responsibilities under this Agreement. The Borrower further agrees to pay on demand all costs and expenses, if any (including counsel fees and expenses of outside counsel and of internal counsel), incurred by the Administrative Agent, the LC Issuer or any Lender in connection with the collection and enforcement (whether through negotiations, legal proceedings or otherwise) of the Borrower's obligations under this Agreement and the other documents to be delivered by the Borrower hereunder, including reasonable counsel fees and expenses in connection with the enforcement of rights under this Section 8.04(a).

(b) If any payment of principal of, or any conversion of, any Eurodollar Advance is made other than on the last day of the Interest Period for such Advance, as a result of a payment or conversion pursuant to Section 2.09 or 2.12 or acceleration of the maturity of the Advances pursuant to Section 6.01 or for any other reason, the Borrower shall, upon demand by any Lender (with a copy of such demand to the Administrative Agent), pay to the Administrative Agent for

the account of such Lender any amount required to compensate such Lender for any additional loss, cost or expense which it may reasonably incur as a result of such payment or conversion, including any loss, cost or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by any Lender to fund or maintain such Advance.

(c) The Borrower agrees to indemnify and hold each Lender, the LC Issuer, the Administrative Agent and each of their respective Affiliates, officers, directors and employees (each, an “Indemnified Person”) harmless from and against any claim, damage, loss, liability, cost or expense (including reasonable attorney’s fees and expenses, whether or not such Indemnified Person is named as a party to any proceeding or is otherwise subjected to judicial or legal process arising from any such proceeding) that any of them may pay or incur arising out of or relating to this Agreement or the transactions contemplated hereby, or the use by the Borrower or any Subsidiary of the proceeds of any Advance; provided that the Borrower shall not be liable for any portion of any such claim, damage, loss, liability, cost or expense resulting from such Indemnified Person’s gross negligence or willful misconduct. The Borrower’s obligations under this Section 8.04(c) shall survive the repayment of all amounts owing by the Borrower to the Lenders and the Administrative Agent under this Agreement and the termination of the Commitments. If and to the extent that the obligations of the Borrower under this Section 8.04(c) are unenforceable for any reason, the Borrower agrees to make the maximum contribution to the payment and satisfaction thereof which is permissible under applicable law.

SECTION 8.05 Right of Set-off. Upon (i) the occurrence and during the continuance of any Event of Default and (ii) the making of the request or the granting of the consent specified by Section 6.01 to authorize the Administrative Agent to declare the Advances due and payable pursuant to the provisions of Section 6.01, each Lender is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender to or for the credit or the account of the Borrower against any and all of the obligations of the Borrower now or hereafter existing under this Agreement, whether or not such Lender shall have made any demand under this Agreement and although such obligations may be unmatured. Each Lender agrees to notify the Borrower promptly after any such set-off and application made by such Lender, provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of each Lender under this Section 8.05 are in addition to other rights and remedies (including other rights of set-off) that such Lender may have.

SECTION 8.06 Binding Effect. This Agreement shall be binding upon and inure to the benefit of the Borrower, the Administrative Agent and each Lender and their respective successors and assigns, provided that (except as permitted by Section 5.02(b)(iii)) the Borrower shall not have the right to assign rights hereunder or any interest herein without the prior written consent of all Lenders.

SECTION 8.07 Assignments and Participations.

(a) Each Lender may, with the prior written consent of the Borrower, the LC Issuer and the Administrative Agent (which consents shall not be unreasonably withheld or delayed), and if demanded by the Borrower pursuant to Section 8.07(g) shall to the extent required by such

Section, assign to one or more banks or other entities all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment, the Advances owing to it and its participation in Facility LCs); provided that (i) each such assignment shall be of a constant, and not a varying, percentage of all of the assigning Lender's rights and obligations under this Agreement, (ii) the Commitment Amount of the assigning Lender being assigned pursuant to each such assignment (determined as of the date of the Assignment and Acceptance with respect to such assignment) shall in no event be less than \$500,000 or, if less, the entire amount of such Lender's Commitment, and shall be an integral multiple of \$100,000 or such Lender's entire Commitment, (iii) each such assignment shall be to an Eligible Assignee, (iv) the parties to each such assignment shall execute and deliver to the Administrative Agent, for its acceptance and recording in the Register, an Assignment and Acceptance, together with a processing and recordation fee of \$3,500 (which shall be payable by one or more of the parties to the Assignment and Acceptance, and not by the Borrower (except in the case of a demand under Section 8.07(g)), and shall not be payable if the assignee is a Federal Reserve Bank), (v) the consent of the Borrower shall not be required after the occurrence and during the continuance of any Event of Default under Section 6.01(a), Section 6.01(c)(i) (with respect to a breach of Section 5.02(c) only) or Section 6.01(e) and (vi) the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within five Business Days after having received notice thereof. Upon such execution, delivery, acceptance and recording, from and after the effective date specified in each Assignment and Acceptance, (x) the assignee thereunder shall be a party hereto and, to the extent that rights and obligations hereunder have been assigned to it pursuant to such Assignment and Acceptance, have the rights and obligations of a Lender hereunder and (y) the Lender assignor thereunder shall, to the extent that rights and obligations hereunder have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights and be released from its obligations under this Agreement and, in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto (although an assigning Lender shall continue to be entitled to indemnification pursuant to Section 8.04(c)). Notwithstanding anything contained in this Section 8.07(a) to the contrary, (A) the consent of the Borrower, the LC Issuer and the Administrative Agent shall not be required with respect to any assignment by any Lender to an Affiliate of such Lender or to another Lender and (B) any Lender may at any time, without the consent of the Borrower, the LC Issuer or the Administrative Agent, and without any requirement to have an Assignment and Acceptance executed, assign all or any part of its rights under this Agreement to a Federal Reserve Bank, provided that no such assignment shall release the transferor Lender from any of its obligations hereunder.

(b) By executing and delivering an Assignment and Acceptance, the Lender assignor thereunder and the assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (i) other than as provided in such Assignment and Acceptance, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any other instrument or document furnished pursuant hereto; (ii) such assigning Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of the Borrower or the performance or observance by the Borrower of any of its

obligations under this Agreement or any other instrument or document furnished pursuant hereto; (iii) such assignee confirms that it has received a copy of this Agreement, together with copies of the financial statements referred to in Section 4.01(e) and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (iv) such assignee will, independently and without reliance upon the Administrative Agent, such assigning Lender or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (v) such assignee confirms that it is an Eligible Assignee; (vi) such assignee appoints and authorizes the Administrative Agent to take such action as agent on its behalf and to exercise such powers under this Agreement as are delegated to the Administrative Agent by the terms hereof, together with such powers as are reasonably incidental thereto; and (vii) such assignee agrees that it will perform in accordance with their terms all of the obligations which by the terms of this Agreement are required to be performed by it as a Lender.

(c) The Administrative Agent shall maintain at its address referred to in Section 8.02 a copy of each Assignment and Acceptance delivered to and accepted by it and a register for the recordation of the names and addresses of the Lenders and the Commitment Amount of, and principal amount of the Advances owing to, each Lender from time to time (the “Register”). The entries in the Register shall be conclusive and binding for all purposes, absent manifest error, and the Borrower, the Administrative Agent and the Lenders may treat each Person whose name is recorded in the Register as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower or any Lender at any reasonable time and from time to time upon reasonable prior notice.

(d) Upon its receipt of an Assignment and Acceptance executed by an assigning Lender and an assignee representing that it is an Eligible Assignee, the Administrative Agent shall, if such Assignment and Acceptance has been completed and is in substantially the form of Exhibit A, (i) accept such Assignment and Acceptance, (ii) record the information contained therein in the Register and (iii) give prompt notice thereof to the Borrower.

(e) Each Lender may sell participations to one or more banks or other entities (each, a “Participant”) in or to all or a portion of its rights and/or obligations under this Agreement (including all or a portion of its Commitment, the Advances owing to it and its participation in Facility LCs); provided that (i) such Lender’s obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement and (iv) such Lender shall retain the sole right to approve, without the consent of any Participant, any amendment, modification or waiver of any provision of this Agreement, other than any such amendment, modification or waiver with respect to any Advance or Commitment in which such Participant has an interest that forgives principal, interest or fees or reduces the interest rate or fees payable with respect to any such Advance or Commitment, postpones any date fixed for any regularly scheduled payment of principal of, or interest or fees on, any such Advance or Commitment, extends any Commitment, releases any guarantor of any such Advance or releases any substantial portion of collateral, if any, securing any such Advance.

(f) Any Lender may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Section 8.07, disclose to the assignee or participant or proposed assignee or participant, any information relating to the Borrower furnished to such Lender by or on behalf of the Borrower; provided that, prior to any such disclosure, the assignee or participant or proposed assignee or participant shall agree to preserve the confidentiality of any confidential information relating to the Borrower received by it from such Lender (subject to customary exceptions regarding regulatory requirements, compliance with legal process and other requirements of law).

(g) If any Lender (i) shall make demand for payment under Section 2.11(a), 2.11(b) or 2.14, (ii) shall deliver any notice to the Administrative Agent pursuant to Section 2.12 resulting in the suspension of certain obligations of the Lenders with respect to Eurodollar Advances, (iii) does not consent to, or revokes its consent to, an extension of the scheduled Commitment Termination Date pursuant to Section 2.17, (iv) does not consent to an amendment or waiver that requires the consent of all Lenders and has been approved by the Majority Lenders or (v) is a Designated Lender, then (A) in the case of clause (i), within 60 days after such demand (if, but only if, the payment demanded under Section 2.11(a), 2.11(b) or 2.14 has been made by the Borrower), (B) in the case of clause (ii), within 60 days after such notice (if such suspension is still in effect), (C) in the case of clause (iii), no later than five days prior to the then effective scheduled Commitment Termination Date, (D) in the case of clause (iv), within 60 days after the date the Majority Lenders approve the applicable amendment or waiver, or (E) in the case of clause (v), at any time so long as such Lender continues to be a Designated Lender, as the case may be, the Borrower may demand that such Lender assign in accordance with this Section 8.07 to one or more Eligible Assignees designated by the Borrower and reasonably acceptable to the Administrative Agent and the LC Issuer all (but not less than all) of such Lender's Commitment, the Advances owing to it, its participation in the Facility LCs and all of its other rights and obligations hereunder within the next succeeding 30 days (or, in the case of clause (iii), (iv) or (v), five days). If any such Eligible Assignee designated by the Borrower shall fail to consummate such assignment on terms acceptable to such Lender, or if the Borrower shall fail to designate any such Eligible Assignee for all of such Lender's Commitment, Advances and participation in Facility LCs, then such Lender may (but shall not be required to) assign such Commitment and Advances to any other Eligible Assignee in accordance with this Section 8.07 during such period. No replacement of a Defaulting Lender pursuant to this Section 8.07(g) shall be deemed to be a waiver of any right that the Borrower, the Administrative Agent, the LC Issuer or any other Lender may have against such Defaulting Lender. Concurrently with any Designated Lender making an assignment pursuant to this Section 8.07(g), the Administrative Agent shall return to such Lender any cash collateral held for the account of such Lender pursuant to Section 2.16.12.

(h) Notwithstanding anything to the contrary contained herein, any Lender (a "Granting Bank") may grant to a special purpose funding vehicle (an "SPC"), identified as such in writing from time to time by the Granting Bank to the Administrative Agent and the Borrower, the option to provide to the Borrower all or any part of any Advance that such Granting Bank would otherwise be obligated to make pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPC to make any Advance, (ii) if an SPC elects not to exercise such option or otherwise fails to provide all or any part of such Advance, the Granting Bank shall be obligated to make such Advance pursuant to the terms hereof. The

making of an Advance by an SPC hereunder shall utilize the Commitment of the Granting Bank to the same extent, and as if, such Advance were made by such Granting Bank. Each party hereto hereby agrees that no SPC shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Bank). In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPC, it will not institute against, or join any other person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the laws of the United States or any State thereof. In addition, notwithstanding anything to the contrary contained in this Section 8.07, any SPC may (i) with notice to, but without the prior written consent of, the Borrower and the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Advance to the Granting Bank or to any financial institution (consented to by the Borrower and Administrative Agent, which consents shall not be unreasonably withheld or delayed) providing liquidity and/or credit support to or for the account of such SPC to support the funding or maintenance of Advances and (ii) disclose on a confidential basis any non-public information relating to its Advances to any rating agency, commercial paper dealer or provider of any surety, guarantee or credit or liquidity enhancement to such SPC. This Section 8.07(h) may not be amended in any manner which adversely affects a Granting Bank or an SPC without the written consent of such Granting Bank or SPC.

**SECTION 8.08 Governing Law. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF ILLINOIS.**

**SECTION 8.09 Consent to Jurisdiction; Certain Waivers. (a) THE BORROWER HEREBY IRREVOCABLY SUBMITS TO THE NON-EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF ILLINOIS SITTING IN COOK COUNTY AND OF THE UNITED STATES DISTRICT COURT OF THE NORTHERN DISTRICT OF ILLINOIS IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT AND THE BORROWER HEREBY IRREVOCABLY AGREES THAT ALL CLAIMS IN RESPECT OF SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN ANY SUCH COURT AND IRREVOCABLY WAIVE ANY OBJECTION IT MAY NOW OR HEREAFTER HAVE AS TO THE VENUE OF ANY SUCH SUIT, ACTION OR PROCEEDING BROUGHT IN SUCH A COURT OR THAT SUCH COURT IS AN INCONVENIENT FORUM. NOTHING HEREIN SHALL LIMIT THE RIGHT OF THE ADMINISTRATIVE AGENT OR ANY LENDER TO BRING PROCEEDINGS AGAINST THE BORROWER IN THE COURTS OF ANY OTHER JURISDICTION.**

SECTION 8.11 Execution in Counterparts; Integration. This Agreement constitutes the entire agreement and understanding among the parties hereto and supersedes all prior and contemporaneous agreements and understandings, oral or written, relating to the subject matter hereof.

SECTION 8.12 USA PATRIOT ACT NOTIFICATION. The following notification is provided to the Borrower pursuant to Section 326 of the USA Patriot Act of 2001, 31 U.S.C. Section 5318:

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT. To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person or entity that opens an account, including any deposit account, treasury management account, loan, other extension of credit, or other financial services product. What this means for the Borrower: When the Borrower opens an account, the Administrative Agent and the Lenders will ask for the Borrower's name, tax identification number and business address and other information that will allow the Administrative Agent and the Lenders to identify the Borrower. The Administrative Agent and the Lenders may also ask to see the Borrower's legal organizational documents or other identifying documents.

SECTION 8.13 No Advisory or Fiduciary Responsibility. In connection with all aspects of the transactions contemplated hereby (including in connection with any amendment, waiver or other modification hereof), the Borrower acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (i) (A) the arranging and other services regarding this Agreement provided by the Administrative Agent, the Arrangers and the Lenders are arm's-length commercial transactions between the Borrower and its Affiliates, on the one hand, and the Administrative Agent, the Arrangers and the Lenders on the other hand, (B) the Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) the Borrower is capable of evaluating, and understands and accepts, the

terms, risks and conditions of the transactions contemplated hereby; (ii) (A) the Administrative Agent, each Arranger and each Lender is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower or any of its Affiliates, or any other Person and (B) neither the Administrative Agent, any Arranger nor any Lender has any obligation to the Borrower or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein; and (iii) the Administrative Agent, the Arrangers and the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and its Affiliates, and neither the Administrative Agent, any Arranger nor any Lender has any obligation to disclose any of such interests to the Borrower or its Affiliates. To the fullest extent permitted by law, the Borrower hereby waives and releases any claims that it may have against the Administrative Agent, the Arrangers and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

SECTION 8.14 Termination of Existing Agreement. The Borrower and each Lender that is a party to the Existing Agreement (which Lenders constitute “Majority Lenders” under and as defined in the Existing Agreement) agree that concurrently with the effectiveness hereof pursuant to Section 3.01, all commitments to extend credit to the Borrower under the Existing Agreement shall terminate and be of no further force or effect (without regard to any requirement in the Existing Agreement for prior notice of termination of such commitments).

**SCHEDULE I  
PRICING SCHEDULE**

The “Applicable Margin,” the “LC Fee Rate,” and the “Facility Fee Rate” for any day are the respective percentages set forth below in the applicable row under the column corresponding to the Status that exists on such day:

Status	Applicable Margin for Eurodollar Advances and LC Fee Rate	Applicable Margin for Base Rate Advances	Applicable Facility Fee Rate
Level I	0.900%	0.000%	0.100%
Level II	1.000%	0.000%	0.125%
Level III	1.075%	0.075%	0.175%
Level IV	1.275%	0.275%	0.225%
Level V	1.475%	0.475%	0.275%
Level VI	1.650%	0.650%	0.350%

The Applicable Margin, the LC Fee Rate, and the Facility Fee Rate shall be determined in accordance with the table above based on the Status in effect from time to time. The Status in effect on any date for purposes of this Pricing Schedule is based on the applicable Fitch Rating, Moody’s Rating and S&P Rating in effect at the close of business on such date.

For the purposes of the foregoing (but subject to the final paragraph of this Pricing Schedule):

“Debt Rating” means, as of any date of determination, the Fitch Rating, the Moody’s Rating or the S&P Rating.

“Level I Status” exists at any date if, on such date, the Fitch Rating is A or better, the Moody’s Rating is A2 or better or the S&P Rating is A or better.

“Level II Status” exists at any date if, on such date, (i) Level I Status does not exist and (ii) the Fitch Rating is A- or better, the Moody’s Rating is A3 or better or the S&P Rating is A- or better.

“Level III Status” exists at any date if, on such date, (i) neither Level I Status nor Level II Status exists and (ii) the Fitch Rating is BBB+ or better, the Moody’s Rating is Baa1 or better or the S&P Rating is BBB+ or better.

“Level IV Status” exists at any date if, on such date, (i) none of Level I Status, Level II Status or Level III Status exists and (ii) the Fitch Rating is BBB or better, the Moody’s Rating is Baa2 or better or the S&P Rating is BBB or better.

“Level V Status” exists at any date if, on such date, (i) none of Level I Status, Level II Status, Level III Status or Level IV Status exists and (ii) the Fitch Rating is BBB- or better, the Moody’s Rating is Baa3 or better or the S&P Rating is BBB- or better.

“Level VI Status” exists at any date if, on such date, none of Level I Status, Level II Status, Level III Status, Level IV Status or Level V Status exists.

“Status” means Level I Status, Level II Status, Level III Status, Level IV Status, Level V Status or Level VI Status.

For purposes of the foregoing, (x) at any time that Debt Ratings are available from each of S&P, Moody’s and Fitch and there is a split among such Debt Ratings, then (i) if any two of such Debt Ratings are in the same level, such level shall apply or (ii) if each of such Debt Ratings is in a different level, the level that is the middle level shall apply and (y) at any time that Debt Ratings are available only from any two of S&P, Moody’s and Fitch and there is a split in such Debt Ratings, then the higher\* of such Debt Ratings shall apply, unless there is a split in Debt Ratings of more than one level, in which case the level that is one level higher than the lower Debt Rating shall apply. The Debt Ratings shall be determined from the most recent public announcement of any changes in the Debt Ratings. If the rating system of S&P, Moody’s or Fitch shall change, the Borrower and the Administrative Agent shall negotiate in good faith to amend the definition of “Debt Rating” to reflect such changed rating system and, pending the effectiveness of such amendment (which shall require the approval of the Majority Lenders), the Debt Rating shall be determined by reference to the rating most recently in effect prior to such change. If the Borrower has no Fitch Rating, no Moody’s Rating and no S&P Rating, Level VI Status shall apply.

---

\*It being understood and agreed, by way of example, that a Debt Rating of A- is one level higher than a Debt Rating of BBB+.

To the Administrative Agent and each of the Lenders from time to time party to the Credit Agreement dated as of October 16, 2015 among Commonwealth Edison Company, the various financial institutions party thereto, as Lenders, and JPMorgan Chase Bank, N.A., as Administrative Agent

Ladies and Gentlemen:

We have been asked to furnish this letter to you pursuant to Section 3.01(b)(iv) of the Credit Agreement dated as of October 16, 2015 (the "*Credit Agreement*") among Commonwealth Edison Company (the "*Borrower*"), various financial institutions party thereto, as Lenders, and JPMorgan Chase Bank, N.A., as Administrative Agent. Unless otherwise defined in this letter, capitalized terms defined in the Credit Agreement are used herein as therein defined.

We have acted as special Illinois counsel to the Borrower in connection with its execution and delivery of the Credit Agreement. In that capacity, we have examined:

- (i) the Credit Agreement;
- (ii) the Restated Articles of Incorporation of the Borrower and all amendments thereto (the "*ComEd Charter*"), as certified on the date hereof by an officer of the Borrower to be true, correct and complete; and
- (iii) the by-laws of the Borrower and all amendments thereto (the "*ComEd By-Laws*"), as certified on the date hereof by an officer of the Borrower to be true, correct and complete.

We are familiar with the corporate proceedings taken by the Borrower in connection with the Credit Agreement and the transactions contemplated thereby. For purposes of expressing the opinions expressed in this letter, we have relied, as to various questions of fact material thereto, upon the representations made by the Borrower in the Credit Agreement and upon certificates of officers of the Borrower. We have also examined originals, or copies of originals certified to our satisfaction, of such corporate records of the Borrower and such agreements, documents, certificates and other statements of government officials and other instruments, have examined such questions of law and have satisfied ourselves as to such matters of fact as we have considered relevant and necessary as a basis for the opinions expressed in this letter. We have assumed the genuineness of all signatures, the legal capacity of all natural

persons, the authenticity of all documents submitted to us as originals and the conformity with the original documents of all documents submitted to us as certified or photostatic copies or by facsimile or other means of electronic transmission or which we obtained from the Electronic Data Gathering, Analysis and Retrieval System (“*EDGAR*”) of the Securities and Exchange Commission (“*SEC*”) or other internet sites through which documents filed with the SEC can be obtained, and the authenticity of the originals of such latter documents. If any document we examined in printed, word processed or similar form has been filed with the SEC on EDGAR, we have assumed that the document filed on EDGAR is identical to the document we examined, except for EDGAR formatting changes. With respect to any instrument or agreement executed or to be executed by any party other than the Borrower, we have assumed, to the extent relevant to the opinions set forth herein, that (i) such other party (if not a natural person) has been duly formed or organized and was at all relevant times and is validly existing and in good standing under the laws of its jurisdiction of formation or organization and (ii) such other party had at all relevant times and has full right, power and authority to execute, deliver and perform its obligations under each instrument or agreement to which it is a party and each such instrument or agreement has been duly authorized (if applicable), executed and delivered by, and was at all relevant times and is a valid, binding and enforceable agreement or obligation, as the case may be, of, such other party.

Based upon the foregoing and subject to the qualifications, limitations and assumptions stated below, it is our opinion that, as of the date hereof:

1. The Borrower is a corporation duly organized, validly existing and in good standing under the laws of the State of Illinois.
2. The execution and delivery by the Borrower of, and performance by the Borrower of its obligations under, the Credit Agreement are within its corporate powers, have been duly authorized by all necessary corporate action, and do not (a) violate any provision of the ComEd Charter, the ComEd By-laws or any law, rule or regulation known to us to be customarily applicable to transactions of the nature contemplated by the Credit Agreement or (b) breach, constitute a default under or otherwise violate any agreement or instrument known to us to which the Borrower is a party or by which it or its properties are bound; and such execution, delivery and performance do not, to our knowledge, result in or require the creation of any lien, security interest or encumbrance on or in any of the Borrower’s properties under any such agreement or instrument.
3. The Credit Agreement has been duly executed and delivered by the Borrower.
4. The Credit Agreement is the legal, valid and binding obligation of the Borrower, enforceable against the Borrower in accordance with its terms.

5. No authorization, approval or other action by, and no notice to or filing with, any governmental authority or regulatory body of the United States or the State of Illinois is required for the due execution and delivery by the Borrower of, and performance by the Borrower of its obligations under, the Credit Agreement, except for an authorization from the Federal Energy Regulatory Commission (“FERC”) under the Federal Power Act, which authorization has been obtained and, to our knowledge, remains in effect, and the consent and approval of the Illinois Commerce Commission under the Illinois Public Utilities Act, as amended, which consent and approval have been obtained and, to our knowledge, remain in effect.

6. The Borrower is not required to be registered as an “investment company” within the meaning of the Investment Company Act of 1940, as amended (the “*Investment Company Act*”).

7. We confirm to you that, to our knowledge, except as disclosed in the Borrower’s periodic reports filed with the SEC, there is no pending or overtly threatened action or proceeding to which the Borrower or any of its Subsidiaries is a party before any court, governmental agency or arbitrator that relates to the Credit Agreement or that could reasonably be expected to affect materially and adversely the Borrower’s performance of its obligations under the Credit Agreement.

We express no opinion in paragraph 2(b) as to any breach or violation of, or default under, any financial covenant, any provision requiring a mathematical, accounting or financial computation or determination or any cross default or cross acceleration provisions triggered by another instrument or agreement.

Our opinion in paragraph 4 is subject to bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance, fraudulent transfer and other similar laws relating to or affecting the rights and remedies of creditors generally and by general principles of equity (whether considered in a proceeding in equity or at law). Such principles of equity are of general application and, in applying such principles, a court, among other things, might not allow a contracting party to exercise remedies in respect of a default deemed immaterial, or might decline to order an obligor to perform covenants. Such principles would include an expectation that parties act with reasonableness and in good faith, and might be applied, for example, to provisions which purport to grant a party with the authority to exercise sole discretion or make conclusive determinations. We note further, that, in addition to the application of equitable principles described above, courts have imposed an obligation on contracting parties to act reasonably and in good faith in the exercise of their contractual rights and remedies, and may also apply public policy considerations in limiting the rights of parties seeking to obtain indemnification or contribution.

To the Administrative Agent and Each of the Lenders

We express no opinion as to the enforceability of provisions of the Credit Agreement that (a) attempt to exculpate other parties from liability for future actions, inactions or practices, (b) purport to establish evidentiary standards, (c) purport to confer subject matter jurisdiction on any court or fix venue, (d) relate to severability or separability, (e) relate to payment without set-off or that otherwise purport to make obligations of, or determinations by, any party unconditional and absolute or (f) constitute agreements to agree. We also express no opinion as to the enforceability of provisions in the Credit Agreement to the effect that terms may not be waived or modified except in writing.

With respect to our opinions in paragraphs 4 and 5, we note that the existing authorization from FERC terminates on December 31, 2015, and will need to be extended to the extent that Credit Extensions under the Credit Agreement are governed by such authorization and will extend beyond that date.

With respect to our opinion in paragraph 6 that the Borrower is not required to register as an "investment company" within the meaning of the Investment Company Act, we have relied exclusively, as to all factual matters, on a certificate, dated as of the date of this letter, of Joseph R. Trpik, Jr., Senior Vice President, Chief Financial Officer and Treasurer of the Borrower.

Any opinion herein which is expressed to be "to our knowledge" or is otherwise qualified by words of like import means that the lawyers in this firm who have had an involvement in reviewing the Credit Agreement have no current conscious awareness of any facts or information contrary to such opinion.

This letter is limited to the federal laws of the United States of America and the laws of the State of Illinois.

This letter is being delivered solely for the benefit of the persons to whom it is addressed; accordingly, it may not be relied upon by any other person or otherwise circulated or utilized for any purpose without our written consent. This letter may not be quoted or filed with any governmental authority or other regulatory agency (except to the extent required by law). We assume no obligation to update or supplement this letter to reflect any facts or circumstances which may hereafter come to our attention with respect to the opinions expressed above, including any changes in applicable law which may hereafter occur or any further required authorization from FERC.

Very truly yours,

In this Agreement, except to the extent, if any, otherwise provided herein, all accounting and financial terms shall have the meanings ascribed to such terms by GAAP, and all computations and determinations as to accounting and financial matters shall be made in accordance with GAAP. In the event that the financial statements generally prepared by the Borrower reflect a change in GAAP that affects the computation of any financial ratio or requirement set forth herein (as contemplated by Section 1.03(b)), the compliance certificate delivered pursuant to Section 5.01(b)(iv) accompanying such financial statements shall include information in reasonable detail reconciling such financial statements which reflect such change in GAAP to financial information that does not reflect such change to the extent relevant to the calculations set forth in such compliance certificate.

## ARTICLE II

### AMOUNTS AND TERMS OF THE COMMITMENTS

SECTION 2.01 Commitments. Each Lender severally agrees, on the terms and conditions hereinafter set forth, to (a) make Advances to the Borrower and (b) participate in Facility LCs issued upon the request of the Borrower, in each case from time to time during the period from the date hereof to the Commitment Termination Date, in an aggregate amount not to exceed such Lender's Commitment Amount as in effect from time to time; provided that (i) no Advance may be made unless all Lenders have consented thereto as more fully provided in Section 3.02; (ii) no Advance may be made as a Eurodollar Advance unless all Lenders have consented thereto as more fully provided in Section 3.02; (iii) the aggregate principal amount of all Advances by such Lender shall not exceed such Lender's Pro Rata Share of the aggregate principal amount of all outstanding Advances; (iv) such Lender's participation in Facility LCs shall not exceed such Lender's Pro Rata Share of all LC Obligations; and (v) the Outstanding Credit Extensions shall not at any time exceed the Aggregate Commitment Amount. Within the foregoing limits and subject to the other provisions hereof, the Borrower may from time to time borrow, prepay pursuant to Section 2.10 and reborrow hereunder prior to the Commitment Termination Date; provided, further, that for purposes of the foregoing clause (v), at any time there is a Defaulting Lender, the Aggregate Commitment Amount shall be reduced by an amount equal to the remainder of (A) such Defaulting Lender's Commitment Amount minus (B) the sum of (x) the principal amount of such Defaulting Lender's outstanding Advances plus (y) the

amount of cash collateral held by the Administrative Agent for the account of such Defaulting Lender pursuant to Section 2.16.12.

**SECTION 2.02 Procedures for Advances; Limitations on Borrowings.**

(a) The Borrower may request Advances by giving notice (a “Notice of Borrowing”) to the Administrative Agent (which shall promptly advise each Lender of its receipt thereof) not later than 10:00 A.M. on the third Business Day prior to the date of any proposed borrowing of Eurodollar Advances and on the date of any proposed borrowing of Base Rate Advances. Each Notice of Borrowing shall be sent by facsimile and shall be in substantially the form of Exhibit B, specifying therein (i) the requested date of borrowing (which shall be a Business Day), (ii) the Type of Advances requested, (iii) the aggregate principal amount of the requested Advances and (iv) in the case of a borrowing of Eurodollar Advances, the initial Interest Period therefor. Each Lender shall, before 12:00 noon on the date of such borrowing, make available for the account of its Applicable Lending Office to the Administrative Agent at its address referred to in Section 8.02, in same day funds, such Lender’s ratable portion of the requested borrowing. After the Administrative Agent’s receipt of such funds and upon fulfillment of the applicable conditions set forth in Article III, the Administrative Agent will make such funds available to the Borrower at the Administrative Agent’s aforesaid address.

(b) Each Notice of Borrowing shall be irrevocable and binding on the Borrower. If a Notice of Borrowing requests Eurodollar Advances, the Borrower shall indemnify each Lender against any loss, cost or expense incurred by such Lender as a result of any failure to fulfill on or before the requested borrowing date the applicable conditions set forth in Article III, including any loss, cost or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by such Lender to fund the requested Advance to be made by such Lender.

(c) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any requested borrowing (or, in the case of a borrowing of Base Rate Advances to be made on the same Business Day as the Administrative Agent’s receipt of the relevant Notice of Borrowing, prior to 10:30 A.M. on such Business Day) that such Lender will not make available to the Administrative Agent such Lender’s ratable portion of such borrowing, the Administrative Agent may assume that such Lender has made such portion available to the Administrative Agent on the requested borrowing date in accordance with Section 2.02(a) and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If and to the extent that such Lender shall not have so made such ratable portion available to the Administrative Agent, such Lender and the Borrower severally agree to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent, at (i) in the case of the Borrower, the interest rate applicable at the time to Advances made in connection with such borrowing and (ii) in the case of such Lender, the Federal Funds Rate. If such Lender shall repay to the Administrative Agent such corresponding amount, such amount so repaid shall constitute such Lender’s Advance as part of such Borrowing for purposes of this Agreement.

(d) The failure of any Lender to make the Advance to be made by it on any borrowing date shall not relieve any other Lender of its obligation, if any, hereunder to make its

Advance on such date, but no Lender shall be responsible for the failure of any other Lender to make any Advance to be made by such other Lender.

(e) Each Borrowing of Base Rate Advances shall at all times be in an aggregate amount of \$1,000,000 or an integral multiple thereof; and each Borrowing of Eurodollar Advances shall at all times be in an aggregate amount of \$5,000,000 or a higher integral multiple of \$1,000,000. Notwithstanding anything to the contrary contained herein, the Borrower may not have more than six Borrowings of Eurodollar Advances outstanding at any time.

**SECTION 2.03 Facility Fees.** The Borrower agrees to pay to the Administrative Agent, for the account of the Lenders (subject to Section 2.13(g)(ii)) according to their Pro Rata Shares, a facility fee for the period from the Closing Date to the Commitment Termination Date (or, if later, the date on which all Outstanding Credit Extensions have been paid in full) in an amount equal to the Facility Fee Rate multiplied by the Aggregate Commitment Amount (or, after the Commitment Termination Date, the principal amount of all Outstanding Credit Extensions), payable on the last day of each March, June, September and December and on the Final Termination Date (and, if applicable, thereafter on demand).

**SECTION 2.04 Reduction of Commitment Amounts.**

(a) The Borrower shall have the right, upon at least two Business Days' notice to the Administrative Agent, to ratably reduce the respective Commitment Amounts of the Lenders in accordance with their Pro Rata Shares; provided that the Aggregate Commitment Amount may not be reduced to an amount that is less than the Outstanding Credit Extensions; and provided, further, that each partial reduction of the Commitment Amounts shall be in the aggregate amount of \$5,000,000 or a higher integral multiple of \$1,000,000. Any reduction of the Commitment Amounts pursuant to this Section 2.04 shall be permanent, except as expressly provided otherwise herein.

(b) The Borrower may at any time, upon at least two Business Days' notice to the Administrative Agent, terminate the Commitments so long as the Borrower concurrently pays all of its outstanding obligations hereunder.

(c) At any time a Lender is a Designated Lender, the Borrower may terminate in full the Commitment of such Designated Lender by giving notice to such Designated Lender and the Administrative Agent; provided that (i) at the time of such termination, no Event of Default or Unmatured Event of Default exists (or the Majority Lenders consent to such termination); and (ii) concurrently with such termination, (A) the Aggregate Commitment Amount shall be reduced by the Commitment Amount of such Designated Lender (it being understood that the Borrower may not terminate the Commitment of a Designated Lender if, after giving effect to such termination, the Outstanding Credit Extensions would exceed the Aggregate Commitment Amount), (B) the Borrower shall pay all amounts owed to such Designated Lender hereunder, less, solely in the case of a Defaulting Lender, the Borrower's reasonable estimate of the amount (if any) of its claims against such Defaulting Lender as a result of the events or circumstances pursuant to which such Lender became a Defaulting Lender, and (C) the Administrative Agent shall return to such Lender any cash collateral held for the account of such Lender pursuant to Section 2.16.12. The termination of the Commitment of a Defaulting Lender pursuant to this

Section 2.04(c) shall not be deemed to be a waiver of any right that (x) the Borrower, the Administrative Agent, the LC Issuer or any other Lender may have against such Defaulting Lender or (y) such Defaulting Lender may have against the Borrower based on the estimate described in clause (B) of the preceding sentence.

SECTION 2.05 Repayment of Advances. The Borrower shall repay all outstanding Advances made by each Lender, and all other obligations of the Borrower to such Lender hereunder, on the Commitment Termination Date.

SECTION 2.06 Interest on Advances. The Borrower shall pay interest on the unpaid principal amount of each Advance from the date of such Advance until such principal amount shall be paid in full, as follows:

(a) At all times such Advance is a Base Rate Advance, a rate per annum equal to the Base Rate plus the Applicable Margin in effect from time to time, payable quarterly on the last day of each March, June, September and December, on the date such Base Rate Advance is converted to a Eurodollar Advance or paid in full and on the Commitment Termination Date (and, if applicable, thereafter on demand).

(b) Subject to Section 2.07, at all times such Advance is a Eurodollar Advance, a rate per annum equal to the sum of the Eurodollar Rate for each applicable Interest Period plus the Applicable Margin in effect from time to time, payable on the last day of each Interest Period for such Eurodollar Advance (and, if any Interest Period for such Advance is six months, on the day that is three months after the first day of such Interest Period) or, if earlier, on the date such Eurodollar Advance is converted to a Base Rate Advance or paid in full and on the Commitment Termination Date (and, if applicable, thereafter on demand).

SECTION 2.07 Additional Interest on Eurodollar Advances. The Borrower shall pay to each Lender, so long as such Lender shall be required under regulations of the Board of Governors of the Federal Reserve System to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency Liabilities, additional interest on the unpaid principal amount of each Eurodollar Advance of such Lender, from the date of such Advance until such principal amount is paid in full or converted to a Base Rate Advance, at an interest rate per annum equal to the remainder obtained by subtracting (i) the Eurodollar Rate for each Interest Period for such Advance from (ii) the rate obtained by dividing such Eurodollar Rate by a percentage equal to 100% minus the Eurodollar Rate Reserve Percentage of such Lender for such Interest Period, payable on each date on which interest is payable on such Advance; provided that no Lender shall be entitled to demand such additional interest more than 90 days following the last day of the Interest Period in respect of which such demand is made; provided, further, that the foregoing proviso shall in no way limit the right of any Lender to demand or receive such additional interest to the extent that such additional interest relates to the retroactive application of the reserve requirements described above if such demand is made within 90 days after the implementation of such retroactive reserve requirements. Such additional interest shall be determined by the applicable Lender and notified to the Borrower through the Administrative Agent, and such determination shall be conclusive and binding for all purposes, absent manifest error.

SECTION 2.08 Interest Rate Determination.

(a) The Administrative Agent shall give prompt notice to the Borrower and the Lenders of each applicable interest rate determined by the Administrative Agent for purposes of Section 2.06(a) or (b).

(b) If, with respect to any Borrowing of Eurodollar Advances, the Majority Lenders notify the Administrative Agent that the Eurodollar Rate for any Interest Period for such Advances will not adequately reflect the cost to such Majority Lenders of making, funding or maintaining their respective Eurodollar Advances for such Interest Period, the Administrative Agent shall forthwith so notify the Borrower and the Lenders, whereupon

(i) each Eurodollar Advance will automatically, on the last day of the then existing Interest Period therefor (unless prepaid or converted to a Base Rate Advance prior to such day), convert into a Base Rate Advance, and

(ii) the obligation of the Lenders to make, continue or convert into Eurodollar Advances shall be suspended until the Administrative Agent shall notify the Borrower and the Lenders that the circumstances causing such suspension no longer exist.

SECTION 2.09 Continuation and Conversion of Advances.

(a) The Borrower may on any Business Day, upon notice given to the Administrative Agent not later than 10:00 A.M. on the third Business Day prior to the date of any proposed continuation of or conversion into Eurodollar Advances, and on the date of any proposed conversion into Base Rate Advances, and subject to the provisions of Sections 2.08 and 2.12, continue Eurodollar Advances for a new Interest Period or convert a Borrowing of Advances of one Type into Advances of the other Type; provided that (i) any continuation of Eurodollar Advances or conversion of Eurodollar Advances into Base Rate Advances shall be made on, and only on, the last day of an Interest Period for such Eurodollar Advances, unless, in the case of such a conversion, the Borrower shall also reimburse the Lenders pursuant to Section 8.04(b) on the date of such conversion; and (ii) Base Rate Advances may not be converted into Eurodollar Rate Advances unless all Lenders have consented in writing to such conversion. Each such notice of a continuation or conversion shall, within the restrictions specified above, specify (i) the date of such continuation or conversion, (ii) the Advances to be continued or converted, and (iii) in the case of continuation of or conversion into Eurodollar Advances, the duration of the Interest Period for such Advances.

(b) If the Borrower fails to select the Type of any Advance or the duration of any Interest Period for any Borrowing of Eurodollar Advances in accordance with the provisions contained in the definition of "Interest Period" in Section 1.01 and Section 2.09(a), the Administrative Agent will forthwith so notify the Borrower and the Lenders and such Advances will automatically, on the last day of the then existing Interest Period therefor, convert into Base Rate Advances.

### SECTION 2.10 Prepayments.

(a) The Borrower may, upon notice to the Administrative Agent not later than 10:00 A.M. at least three Business Days prior to any prepayment of Eurodollar Advances or on the date of any prepayment of Base Rate Advances, in each case stating the proposed date and aggregate principal amount of the prepayment, and if such notice is given the Borrower shall, prepay the outstanding principal amounts of the Advances made as part of the same Borrowing in whole or ratably in part, together with accrued interest to the date of such prepayment on the principal amount prepaid; provided that (i) each partial prepayment of Base Rate Advances shall be in an aggregate principal amount of \$1,000,000 or an integral multiple thereof (or, if the aggregate amount of Advances made pursuant to Section 2.16 as a result of a drawing under a Facility LC is not an integral multiple of \$1,000,000, then the next prepayment of Base Rate Advances may be in an aggregate amount that causes the aggregate principal amount of all Base Rate Advances to be an integral multiple of \$1,000,000); (ii) each partial prepayment of Eurodollar Advances shall be in the amount of \$1,000,000 or a higher integral multiple thereof; and (iii) in the case of any such prepayment of a Eurodollar Advance, the Borrower shall be obligated to reimburse the Lenders pursuant to Section 8.04(b) on the date of such prepayment.

(b) If a Lender at any time becomes a Defaulting Lender and the Outstanding Credit Extensions at such time exceed an amount equal to the total of (i) the Aggregate Commitment Amount minus (ii) such Defaulting Lender's Commitment Amount plus (iii) the principal amount of such Defaulting Lender's outstanding Advances plus (iv) the amount of cash collateral held by the Administrative Agent for the account of such Defaulting Lender pursuant to Section 2.16.12, then the Borrower shall promptly (and in any event within three Business Days) prepay Advances and/or provide cash collateral for Facility LCs (pursuant to documentation reasonably satisfactory to the Administrative Agent and the Borrower) in an amount sufficient to eliminate such excess. Except for the mandatory nature thereof, any prepayment of Advances pursuant to this Section 2.10(b) shall be subject to the provisions of Section 2.10(a); provided that such prepayment may be in any amount that is an integral multiple of \$1,000,000. If the circumstances giving rise to the requirement that the Borrower provide cash collateral pursuant to this Section 2.10(b) cease to exist, then the Administrative Agent shall promptly return such cash collateral to the Borrower.

### SECTION 2.11 Increased Costs.

(a) If on or after the date of this Agreement, any Lender or the LC Issuer determines that any Change in Law shall increase the cost to such Lender or the LC Issuer, as the case may be, of agreeing to make or making, funding or maintaining Eurodollar Advances or of issuing or participating in any Facility LC, then the Borrower shall from time to time, upon demand by such Lender or the LC Issuer (with a copy of such demand to the Administrative Agent), pay to the Administrative Agent for the account of such Lender or the LC Issuer, as the case may be, additional amounts (without duplication of any amount payable pursuant to Section 2.14) sufficient to compensate such Lender or the LC Issuer for such increased cost; provided that no Lender shall be entitled to demand such compensation more than 90 days following the last day of the Interest Period in respect of which such demand is made and the LC Issuer shall not be entitled to demand such compensation more than 90 days following the expiration or termination (by a drawing or otherwise) of the Facility LC in respect of which such demand is made;

provided, further, that the foregoing proviso shall in no way limit the right of any Lender or the LC Issuer to demand or receive such compensation to the extent that such compensation relates to the retroactive application of any law, regulation, guideline or request described in clause (i) or (ii) above if such demand is made within 90 days after the implementation of such retroactive law, interpretation, guideline or request. A certificate as to the amount of such increased cost, submitted to the Borrower and the Administrative Agent by a Lender or the LC Issuer, shall be conclusive and binding for all purposes, absent manifest error.

(b) If any Lender or the LC Issuer determines that, after the date of this Agreement, any Change in Law regarding capital adequacy requirements affects or would affect the amount of capital required or expected to be maintained by such Lender or the LC Issuer or any Person controlling such Lender or the LC Issuer and that the amount of such capital is increased by or based upon the existence of such Lender's Commitment, the LC Issuer's commitment to issue Facility LCs, the Advances made by such Lender or the Reimbursement Obligations owed to the LC Issuer, as the case may be, then, upon demand by such Lender or the LC Issuer (with a copy of such demand to the Administrative Agent), the Borrower shall immediately pay to the Administrative Agent for the account of such Lender or the LC Issuer, from time to time as specified by such Lender or the LC Issuer, additional amounts sufficient to compensate such Lender, the LC Issuer or such controlling Person, as applicable, in the light of such circumstances, to the extent that such Lender determines such increase in capital to be allocable to the existence of such Lender's Commitment or the Advances made by such Lender or the LC Issuer determines such increase in capital to be allocable to the LC Issuer's commitment to issue Facility LCs or the Reimbursement Obligations owed to the LC Issuer; provided that no Lender shall be entitled to demand such compensation more than one year following the payment to or for the account of such Lender of all other amounts payable hereunder by the Borrower and the termination of such Lender's Commitment and the LC Issuer shall not be entitled to demand such compensation more than one year after the expiration or termination (by drawing or otherwise) of all Facility LCs issued by the LC Issuer and the termination of the LC Issuer's commitment to issue Facility LCs; provided, further, that the foregoing proviso shall in no way limit the right of any Lender or the LC Issuer to demand or receive such compensation to the extent that such compensation relates to the retroactive application of any law, regulation, guideline or request described above if such demand is made within one year after the implementation of such retroactive law, interpretation, guideline or request. A certificate as to such amounts submitted to the Borrower and the Administrative Agent by the applicable Lender or the LC Issuer shall be conclusive and binding, for all purposes, absent manifest error.

(c) Any Lender claiming compensation pursuant to this Section 2.11 shall use reasonable commercial efforts (consistent with its internal policy and legal and regulatory restrictions) to change the jurisdiction of its Applicable Lending Office if the making of such a change would avoid the need for, or reduce the amount of, any such compensation that may thereafter accrue and would not, in the reasonable judgment of such Lender, be otherwise disadvantageous to such Lender.

**SECTION 2.12 Illegality.** Notwithstanding any other provision of this Agreement, if any Lender shall notify the Administrative Agent that any Change in Law makes it unlawful, or any central bank or other governmental authority asserts that it is unlawful, for such Lender or its Eurodollar Lending Office to perform its obligations hereunder to make Eurodollar Advances or

to fund or maintain Eurodollar Advances hereunder, (i) the obligation of such Lender to make, continue or convert Advances into Eurodollar Advances shall be suspended (subject to the following paragraph of this Section 2.12) until the Administrative Agent shall notify the Borrower and the Lenders that the circumstances causing such suspension no longer exist and (ii) all Eurodollar Advances of such Lender then outstanding shall, on the last day of the then applicable Interest Period (or such earlier date as such Lender shall designate upon not less than five Business Days' prior written notice to the Administrative Agent), be automatically converted into Base Rate Advances.

If the obligation of any Lender to make, continue or convert into Eurodollar Advances has been suspended pursuant to the preceding paragraph, then, unless and until the Administrative Agent shall notify the Borrower and the Lenders that the circumstances causing such suspension no longer exist, (i) all Advances that would otherwise be made by such Lender as Eurodollar Advances shall instead be made as Base Rate Advances and (ii) to the extent that Eurodollar Advances of such Lender have been converted into Base Rate Advances pursuant to the preceding paragraph or made instead as Base Rate Advances pursuant to the preceding clause (i), all payments and prepayments of principal that would have otherwise been applied to such Eurodollar Advances of such Lender shall be applied instead to such Base Rate Advances of such Lender.

### SECTION 2.13 Payments and Computations.

(a) The Borrower shall make each payment hereunder not later than 10:00 A.M. on the day when due in U.S. dollars to the Administrative Agent at its address referred to in Section 8.02 in same day funds without setoff, counterclaim or other deduction. The Administrative Agent will promptly thereafter cause to be distributed like funds relating to the payment of principal, interest, facility fees and letter of credit fees ratably (other than amounts payable pursuant to Section 2.02(b), 2.04(c), 2.07, 2.11, 2.14 or 8.04(b) or as provided in Section 2.13(g)) to the Lenders for the account of their respective Applicable Lending Offices, and like funds relating to the payment of any other amount payable to any Lender to such Lender for the account of its Applicable Lending Office, in each case to be applied in accordance with the terms of this Agreement. Upon its acceptance of an Assignment and Acceptance and recording of the information contained therein in the Register pursuant to Section 8.07(d), from the effective date specified in such Assignment and Acceptance, the Administrative Agent shall make all payments hereunder in respect of the interest assigned thereby to the Lender assignee thereunder, and the parties to such Assignment and Acceptance shall make all appropriate adjustments in such payments for periods prior to such effective date directly between themselves.

(b) The Borrower hereby authorizes each Lender, if and to the extent any payment owed to such Lender by the Borrower is not made when due hereunder, to charge from time to time against any of the Borrower's accounts with such Lender any amount so due. Each Lender agrees to notify the Borrower promptly after any such set-off and application made by such Lender, provided that the failure to give such notice shall not affect the validity of such set-off and application.

(c) All computations of interest based on the Prime Rate shall be made by the Administrative Agent on the basis of a year of 365 or 366 days, as the case may be, and all computations of interest based on the Eurodollar Rate or the Federal Funds Rate and of fees shall be made by the Administrative Agent, and all computations of interest pursuant to Section 2.07 shall be made by a Lender, on the basis of a year of 360 days, in each case for the actual number

of days (including the first day but excluding the last day) occurring in the period for which such interest or fees are payable. Each determination by the Administrative Agent (or, in the case of Section 2.07, by a Lender) of an interest rate hereunder shall be conclusive and binding for all purposes, absent manifest error.

(d) Whenever any payment hereunder shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of any interest or fees, as the case may be; provided that if such extension would cause payment of interest on or principal of a Eurodollar Advance to be made in the next following calendar month, such payment shall be made on the next preceding Business Day.

(e) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due by the Borrower to the Lenders hereunder that the Borrower will not make such payment in full, the Administrative Agent may assume that the Borrower has made such payment in full to the Administrative Agent on such date and the Administrative Agent may, in reliance upon such assumption, cause to be distributed to each Lender on such due date an amount equal to the amount then due such Lender. If and to the extent that the Borrower shall not have so made such payment in full to the Administrative Agent, each Lender shall repay to the Administrative Agent forthwith on demand such amount distributed to such Lender together with interest thereon, for each day from the date such amount is distributed to such Lender until the date such Lender repays such amount to the Administrative Agent, at the Federal Funds Rate.

(f) Notwithstanding anything to the contrary contained herein, any amount payable by the Borrower hereunder that is not paid when due (whether at stated maturity, by acceleration or otherwise) shall (to the fullest extent permitted by law) bear interest from the date when due until paid in full at a rate per annum equal at all times to the Base Rate plus the Applicable Margin plus 2%, payable upon demand.

(g) If at any time a Lender is a Defaulting Lender, then, to the extent permitted by applicable law (and notwithstanding any other provision of this Agreement), (i) any payment of principal of or interest on Advances or of reimbursement obligations with respect to Facility LCs (including through sharing of payments pursuant to Section 2.15, but excluding (1) any payment pursuant to Section 2.04(c) and (2) any payment to be made on such Defaulting Lender's Termination Date net of any amount described in Section 2.04(c)(ii)(B)) shall, if the Borrower so directs at the time of making such payment, be applied to amounts owed to Lenders other than such Defaulting Lender, as if the amount owed to such Defaulting Lender hereunder in respect of Advances and reimbursement obligations were zero; (ii) such Defaulting Lender's Pro Rata Share of the Outstanding Credit Extensions shall be excluded for purposes of calculating facility fees pursuant to Section 2.03 in respect of each day on which such Lender is a Defaulting Lender, and such Defaulting Lender shall not be entitled to receive any facility fees for any such day; and (iii) such Defaulting Lender's Pro Rata Share shall be deemed to be zero for purposes of calculating letter of credit fees pursuant to Section 2.16.4 in respect of each day on which such Lender is a Defaulting Lender (and the Pro Rata Shares of the other Lenders shall be correspondingly increased for such purposes), and such Defaulting Lender shall not be entitled to receive any letter of credit fees for any such day. In addition, if any Lender is a Defaulting

Lender at the time any payment is to be made by the Lenders to the LC Issuer pursuant to Section 2.16.5, 2.16.6 or 2.16.10 and such Defaulting Lender fails to make its Pro Rata Share of such payment, then, solely for purposes of determining the amount of the payment to be made by each Lender to the LC Issuer (and without limiting the liability of such Defaulting Lender for its failure to make such payment), the Pro Rata Shares of the other Lenders shall be correspondingly increased so that, subject to the following proviso, the LC Issuer receives the full amount of the payments to which it is entitled from the Lenders; provided that under no circumstances shall any Lender be obligated to make a payment to the LC Issuer pursuant to this sentence that would cause the aggregate principal amount of such Lender's Advances plus such Lender's Pro Rata Share (without giving effect to any adjustment pursuant to the foregoing provisions of this sentence) of all LC Obligations to exceed such Lender's Commitment Amount (or, if the Commitments have terminated, such Lender's Commitment Amount at the time of such termination, adjusted for any assignments by or to such Lender). The provisions of this Section 2.13(g) do not limit, but are in addition to, any other claim or right that the Borrower, the Administrative Agent, the LC Issuer or any other Lender may have against a Defaulting Lender.

#### SECTION 2.14 Taxes.

(a) All payments by or on behalf of the Borrower hereunder shall be made, in accordance with Section 2.13, free and clear of and without deduction for any and all present or future taxes, levies, imposts, deductions, charges or withholdings, and all liabilities with respect thereto, excluding, in the case of each Lender, the LC Issuer and the Administrative Agent, (i) taxes imposed on its net income, and franchise taxes imposed on it, by the jurisdiction under the laws of which such Lender, the LC Issuer or the Administrative Agent (as the case may be) is organized or any political subdivision thereof and, in the case of each Lender, taxes imposed on its net income, and franchise taxes imposed on it, by the jurisdiction of such Lender's Applicable Lending Office or any political subdivision thereof and (ii) any United States withholding taxes imposed by FATCA (all such non-excluded taxes, levies, imposts, deductions, charges, withholdings and liabilities, "Taxes"). If the Borrower shall be required by law to deduct any Taxes from or in respect of any sum payable hereunder to any Lender, the LC Issuer or the Administrative Agent, (i) the sum payable shall be increased as may be necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 2.14) such Lender, the LC Issuer or the Administrative Agent (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Borrower shall make such deductions and (iii) the Borrower shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable law.

(b) In addition, the Borrower severally agrees to pay any present or future stamp or documentary taxes or any other excise or property taxes, charges or similar levies to the extent arising from the execution, delivery or registration of this Agreement (all of the foregoing, "Other Taxes").

(c) No Lender may claim or demand payment or reimbursement in respect of any Taxes or Other Taxes pursuant to this Section 2.14 if such Taxes or Other Taxes, as the case may be, were imposed solely as the result of a voluntary change in the location of the jurisdiction of such Lender's Applicable Lending Office.

(d) The Borrower will indemnify each Lender, the LC Issuer and the Administrative Agent for the full amount of Taxes or Other Taxes (including any Taxes or Other Taxes imposed by any jurisdiction on amounts payable under this Section 2.14) paid by such Lender, the LC Issuer or the Administrative Agent (as the case may be) and any liability (including penalties, interest and expenses) arising therefrom or with respect thereto, whether or not such Taxes or Other Taxes were correctly or legally asserted. This indemnification shall be made within 30 days from the date such Lender, the LC Issuer or the Administrative Agent (as the case may be) makes written demand therefor.

(e) Prior to the date of an initial borrowing hereunder in the case of each Lender listed on the signature pages hereof, and on the date of the Assignment and Acceptance pursuant to which it became a Lender in the case of each other Lender, and from time to time thereafter within 30 days from the date of request if requested by the Borrower or the Administrative Agent, each Lender organized under the laws of a jurisdiction outside the United States shall provide the Administrative Agent and the Borrower with the forms prescribed by the Internal Revenue Service of the United States certifying that such Lender is exempt from United States withholding taxes with respect to all payments to be made to such Lender hereunder. If for any reason during the term of this Agreement, any Lender becomes unable to submit the forms referred to above or the information or representations contained therein are no longer accurate in any material respect, such Lender shall notify the Administrative Agent and the Borrower in writing to that effect. Unless the Borrower and the Administrative Agent have received forms or other documents satisfactory to them (as set forth above) indicating that payments hereunder are not subject to United States withholding tax, the Borrower or the Administrative Agent shall withhold taxes from such payments at the applicable statutory rate in the case of payments to or for any Lender organized under the laws of a jurisdiction outside the United States and such Lender may not claim or demand payment or reimbursement for such withheld taxes pursuant to this Section 2.14.

(f) Any Lender claiming any additional amounts payable pursuant to this Section 2.14 shall use reasonable commercial efforts (consistent with its internal policy and legal and regulatory restrictions) to change the jurisdiction of its Applicable Lending Office if the making of such a change would avoid the need for, or reduce the amount of, any such additional amounts which may thereafter accrue and would not, in the reasonable judgment of such Lender, be otherwise disadvantageous to such Lender.

(g) If the Borrower makes any additional payment to any Lender pursuant to this Section 2.14 in respect of any Taxes or Other Taxes, and such Lender determines that it has received (i) a refund of such Taxes or Other Taxes or (ii) a credit against or relief or remission for, or a reduction in the amount of, any tax or other governmental charge attributable solely to any deduction or credit for any Taxes or Other Taxes with respect to which it has received payments under this Section 2.14, such Lender shall, to the extent that it can do so without prejudice to the retention of such refund, credit, relief, remission or reduction, pay to the Borrower such amount as such Lender shall have determined to be attributable to the deduction or withholding of such Taxes or Other Taxes. If such Lender determines that it was not entitled to such refund, credit, relief, remission or reduction to the full extent of any payment made pursuant to the first sentence of this Section 2.14(g), the Borrower shall upon notice and demand of such Lender promptly repay the amount of such overpayment. Any determination made by a

Lender pursuant to this Section 2.14(g) shall in the absence of bad faith or manifest error be conclusive, and nothing in this Section 2.14(g) shall be construed as requiring any Lender to conduct its business or to arrange or alter in any respect its tax or financial affairs (except as required by Section 2.14(f)) so that it is entitled to receive such a refund, credit or reduction or as allowing any Person to inspect any records, including tax returns, of such Lender.

(h) If a payment made to a Lender or the LC Issuer under this Agreement would be subject to U.S. Federal withholding Tax imposed by FATCA if such Lender or the LC Issuer were to fail to comply with the applicable reporting requirements of FATCA (including those contained in section 1471(b) or 1472(b) of the Code, as applicable), such Lender or the LC Issuer shall deliver to the Borrower and the Administrative Agent, at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent, any other documentation prescribed by applicable law (including as prescribed by section 1471(b)(3)(C)(i) of the Code) or reasonably requested by the Borrower or Administrative Agent that is necessary for such Person to comply with its obligations under FATCA to determine that such Lender or the LC Issuer has or has not complied with its obligations under FATCA and, as necessary, to determine the amount to deduct and withhold from such payment. Solely for purposes of this Section 2.14(h), "FATCA" shall include any amendment made to FATCA after the date of this Agreement, whether or not such amendment is included in the definition set forth in Section 1.01.

(i) Without prejudice to the survival of any other agreement of the Borrower or any Lender hereunder, the agreements and obligations of the Borrower and the Lenders contained in this Section 2.14 shall survive the payment in full of principal and interest hereunder and the termination of this Agreement; provided that no Lender shall be entitled to demand any payment from the Borrower under this Section 2.14 more than one year following the payment to or for the account of such Lender of all other amounts payable by the Borrower hereunder to such Lender and the termination of such Lender's Commitment; provided, further, that the foregoing proviso shall in no way limit the right of any Lender to demand or receive any payment under this Section 2.14 to the extent that such payment relates to the retroactive application of any Taxes or Other Taxes if such demand is made within one year after the implementation of such Taxes or Other Taxes.

SECTION 2.15 Sharing of Payments, Etc. If any Lender shall obtain any payment (whether voluntary, involuntary, through the exercise of any right of set-off, or otherwise) on account of the Advances made by it to the Borrower or its participation interest in any Facility LC issued for the account of the Borrower (other than pursuant to Section 2.02(b), 2.07, 2.11, 2.14, 2.16.7 or 8.04(b)) in excess of its ratable share of payments on account of the Advances to the Borrower and LC Obligations obtained by all Lenders, such Lender shall forthwith purchase from the other Lenders such participations in the Advances and/or LC Obligations as shall be necessary to cause such purchasing Lender to share the excess payment ratably with each of them, provided that if all or any portion of such excess payment is thereafter recovered from such purchasing Lender, such purchase from each Lender shall be rescinded and such Lender shall repay to the purchasing Lender the purchase price to the extent of such recovery together with an amount equal to such Lender's ratable share (according to the proportion of (i) the amount of such Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in

respect of the total amount so recovered. The Borrower agrees that any Lender so purchasing a participation from another Lender pursuant to this Section 2.15 may, to the fullest extent permitted by law, exercise all its rights of payment (including the right of set-off) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation.

#### SECTION 2.16 Facility LCs.

SECTION 2.16.1 Issuance. The LC Issuer shall in its sole discretion, on the terms and conditions set forth in this Agreement (including the limitations set forth in Section 2.01), upon the request of the Borrower, issue standby letters of credit and extend, increase or otherwise modify Facility LCs (“Modify,” and each such action a “Modification”), from time to time from the date of this Agreement to the Commitment Termination Date. No Facility LC shall have an expiry date later than the earlier of (a) 364 days after the date of issuance, or of extension or renewal, thereof or (b) 360 days after the scheduled Commitment Termination Date. No Facility LC may be renewed or extended, or increased in amount, after the Commitment Termination Date (but a Facility LC may be decreased in amount or, subject to the following sentence, otherwise amended after such date). The LC Issuer shall not be obligated to issue or Modify any Facility LC if (i) any order, judgment or decree of any court or other governmental authority shall by its terms purport to enjoin or restrain the LC Issuer from issuing such Facility LC or (ii) any applicable law, or any request or directive from any governmental authority having jurisdiction over the LC Issuer, shall prohibit, or request or direct that the LC Issuer refrain from, the issuance of letters of credit generally or of such Facility LC in particular. Facility LCs may be issued for any proper corporate purpose. By their execution of this Agreement, the parties hereto agree that on the Closing Date (without any further action by any Person), each Existing Letter of Credit shall be deemed to have been issued under this Agreement and the rights and obligations of the issuer and the account party thereunder shall be subject to the terms hereof.

SECTION 2.16.2 Participations. Upon the issuance or Modification by the LC Issuer of a Facility LC in accordance with this Section 2.16 (or, in the case of the Existing Letters of Credit, on the Closing Date), the LC Issuer shall be deemed, without further action by any party hereto, to have unconditionally and irrevocably sold to each Lender, and each Lender shall be deemed, without further action by any party hereto, to have unconditionally and irrevocably purchased from the LC Issuer, a participation in such Facility LC (and each Modification thereof) and the related LC Obligations in proportion to its Pro Rata Share.

SECTION 2.16.3 Notice. Subject to Section 2.16.1, the Borrower shall give the LC Issuer notice prior to 10:00 A.M. at least five Business Days (or such lesser time as the LC Issuer may agree) prior to the proposed date of issuance or Modification of each Facility LC, specifying the beneficiary, the proposed date of issuance (or Modification) and the expiry date of such Facility LC, and describing the proposed terms of such Facility LC and the nature of the transactions proposed to be supported thereby. Upon receipt of such notice, the LC Issuer shall promptly notify the Administrative Agent, and the Administrative Agent shall promptly notify each Lender, of the contents thereof and of the amount of such Lender’s participation in such proposed Facility LC. The issuance or Modification by the LC Issuer of any Facility LC shall, in addition to the applicable conditions precedent set forth in Article III (the satisfaction of which

the LC Issuer shall have no duty to ascertain; provided that the LC Issuer shall not issue a Facility LC if the LC Issuer shall have received written notice (which has not been rescinded) from the Administrative Agent or any Lender that any applicable condition precedent to the issuance or modification of such Facility LC has not been satisfied and, in fact, such condition precedent is not satisfied at the requested time of issuance), be subject to the conditions precedent that such Facility LC shall be satisfactory to the LC Issuer and that the Borrower shall have executed and delivered such application agreement and/or such other instruments and agreements relating to such Facility LC as the LC Issuer shall have reasonably requested (each a "Facility LC Application"). In the event of any conflict (including any additional terms requiring the posting of collateral) between the terms of this Agreement and the terms of any Facility LC Application, the terms of this Agreement shall control.

**SECTION 2.16.4 LC Fees.** The Borrower agrees to pay to the Administrative Agent, for the account of each Lender (subject to Section 2.13(g)(iii)), a letter of credit fee at a rate per annum equal to the LC Fee Rate on such Lender's Pro Rata Share of the undrawn stated amount of all Facility LCs outstanding from time to time, payable in arrears on the last day of each March, June, September and December and on the Final Termination Date (and, if applicable, thereafter on demand). The Borrower also agrees to pay to the LC Issuer for its own account (x) a fronting fee in an amount and at the times agreed upon between the LC Issuer and the Borrower and (y) documentary and processing charges in connection with the issuance or Modification of and draws under Facility LCs in accordance with the LC Issuer's standard schedule for such charges as in effect from time to time.

**SECTION 2.16.5 Administration; Reimbursement by Lenders.** Upon receipt from the beneficiary of any Facility LC of any demand for payment under such Facility LC, the LC Issuer shall notify the Administrative Agent and the Administrative Agent shall promptly notify the Borrower and each Lender as to the amount to be paid by the LC Issuer as a result of such demand and the proposed payment date (the "LC Payment Date"). The responsibility of the LC Issuer to the Borrower and each Lender shall be only to determine that the documents (including each demand for payment) delivered under each Facility LC in connection with such presentment shall be in conformity in all material respects with such Facility LC. The LC Issuer shall endeavor to exercise the same care in the issuance and administration of the Facility LCs as it does with respect to letters of credit in which no participations are granted, it being understood that in the absence of any gross negligence or willful misconduct by the LC Issuer, each Lender shall be unconditionally and irrevocably liable, without regard to the occurrence of the Commitment Termination Date or the Final Termination Date, the occurrence of any Event of Default or Unmatured Event of Default or any condition precedent whatsoever, to reimburse the LC Issuer on demand for (i) such Lender's Pro Rata Share of the amount of each payment made by the LC Issuer under any Facility LC to the extent such amount is not reimbursed by the Borrower pursuant to Section 2.16.6, plus (ii) interest on the foregoing amount to be reimbursed by such Lender, for each day from the date of the LC Issuer's demand for such reimbursement (or, if such demand is made after 11:00 A.M. on such day, from the next succeeding Business Day) to the date on which such Lender pays the amount to be reimbursed by it, at a rate of interest per annum equal to the Federal Funds Rate for the first three days and, thereafter, at the Base Rate.

**SECTION 2.16.6 Reimbursement by Borrower.** The Borrower shall be irrevocably and unconditionally obligated to reimburse the LC Issuer on or before the applicable LC Payment Date for any amount to be paid by the LC Issuer upon any drawing under any Facility LC, without presentment, demand, protest or other formalities of any kind; provided that neither the Borrower nor any Lender shall hereby be precluded from asserting any claim for direct (but not consequential) damages suffered by the Borrower or such Lender to the extent, but only to the extent, caused by (i) the willful misconduct or gross negligence of the LC Issuer in determining whether a request presented under any Facility LC complied with the terms of such Facility LC or (ii) the LC Issuer's failure to pay under any Facility LC after the presentation to it of a request strictly complying with the terms and conditions of such Facility LC. If the Borrower fails to fully reimburse the LC Issuer by 11:00 A.M. on an LC Payment Date, the LC Issuer shall promptly notify the Administrative Agent. Upon receipt of such notice, the Administrative Agent shall promptly notify each Lender of such LC Payment Date, the amount of the unpaid Reimbursement Obligations and such Lender's Pro Rata Share thereof. In such event, the Borrower shall be deemed to have requested Base Rate Advances to be disbursed on the applicable LC Payment Date in an amount equal to the unpaid Reimbursement Obligations, without regard to the minimum and multiples specified for Base Rate Advances in Section 2.02(e), but subject to the conditions set forth in Article III. All Reimbursement Obligations that are not fully refinanced by the making of Base Rate Advances because the Borrower cannot satisfy the conditions set forth in Article III or for any other reason shall bear interest, payable on demand, for each day until paid at a rate per annum equal to the Base Rate plus 2%. The LC Issuer will pay to each Lender ratably in accordance with its Pro Rata Share all amounts received by it from the Borrower for application in payment, in whole or in part, of the Reimbursement Obligations in respect of any Facility LC, but only to the extent such Lender has made payment to the LC Issuer in respect of such Facility LC pursuant to Section 2.16.5. So long as the Commitment Termination Date has not occurred, but subject to the terms and conditions of this Agreement (including the submission of a Notice of Borrowing in compliance with Section 2.02 and the satisfaction of the applicable conditions precedent set forth in Article III), the Borrower may request Advances hereunder for the purpose of satisfying any Reimbursement Obligation.

**SECTION 2.16.7 Obligations Absolute.** The Borrower's obligations under this Section 2.16 shall be absolute and unconditional under any and all circumstances and irrespective of any setoff, counterclaim or defense to payment which the Borrower may have against the LC Issuer, any Lender or any beneficiary of a Facility LC. The Borrower agrees with the LC Issuer and the Lenders that the LC Issuer and the Lenders shall not be responsible for, and the Reimbursement Obligations in respect of any Facility LC shall not be affected by, among other things, the validity or genuineness of documents or of any endorsements thereon, even if such documents should in fact prove to be in any or all respects invalid, fraudulent or forged, or any dispute between or among the Borrower, any of its Affiliates, the beneficiary of any Facility LC or any financing institution or other party to whom any Facility LC may be transferred or any claims or defenses whatsoever of the Borrower or of any of its Affiliates against the beneficiary of any Facility LC or any such transferee. The LC Issuer shall not be liable for any error, omission, interruption or delay in transmission, dispatch or delivery of any message or advice, however transmitted, in connection with any Facility LC. The Borrower agrees that any action taken or omitted by the LC Issuer or any Lender under or in connection with any Facility LC and the related drafts and documents, if done without gross negligence or willful misconduct, shall be

binding upon the Borrower and shall not put the LC Issuer or any Lender under any liability to the Borrower. Nothing in this Section 2.16.7 is intended to limit the right of the Borrower to make a claim against the LC Issuer for damages as contemplated by the proviso to the first sentence of Section 2.16.6.

SECTION 2.16.8 Actions of LC Issuer. The LC Issuer shall be entitled to rely, and shall be fully protected in relying, upon any Facility LC, draft, writing, resolution, notice, consent, certificate, affidavit, letter, facsimile, message, statement, order or other document believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and upon advice and statements of legal counsel, independent accountants and other experts selected by the LC Issuer. The LC Issuer shall be fully justified in failing or refusing to take any action under this Agreement unless it shall first have received such advice or concurrence of the Majority Lenders as it reasonably deems appropriate or it shall first be indemnified to its reasonable satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Notwithstanding any other provision of this Section 2.16, the LC Issuer shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement in accordance with a request of the Majority Lenders, and such request and any action taken or failure to act pursuant thereto shall be binding upon the Lenders and any future holder of a participation in any Facility LC.

SECTION 2.16.9 Indemnification. The Borrower hereby agrees to indemnify and hold harmless each Lender, the LC Issuer and the Administrative Agent, and their respective directors, officers, agents and employees, from and against any claim, damage, loss, liability, cost or expense which such Lender, the LC Issuer or the Administrative Agent may incur (or which may be claimed against such Lender, the LC Issuer or the Administrative Agent by any Person whatsoever) by reason of or in connection with the issuance, execution and delivery or transfer of or payment or failure to pay under any Facility LC or any actual or proposed use of any Facility LC, including any claim, damage, loss, liability, cost or expense which the LC Issuer may incur by reason of or in connection with (i) the failure of any other Lender to fulfill or comply with its obligations to the LC Issuer hereunder (but nothing herein contained shall affect any right the Borrower may have against any Defaulting Lender) or (ii) by reason of or on account of the LC Issuer issuing any Facility LC that specifies that the term "Beneficiary" included therein includes any successor by operation of law of the named Beneficiary, but which Facility LC does not require that any drawing by any such successor Beneficiary be accompanied by a copy of a legal document, satisfactory to the LC Issuer, evidencing the appointment of such successor Beneficiary; provided that the Borrower shall not be required to indemnify any Lender, the LC Issuer or the Administrative Agent for any claim, damage, loss, liability, cost or expense to the extent, but only to the extent, caused by (x) the willful misconduct or gross negligence of the LC Issuer in determining whether a request presented under any Facility LC complied with the terms of such Facility LC or (y) the LC Issuer's failure to pay under any Facility LC after the presentation to it of a request strictly complying with the terms and conditions of such Facility LC. Nothing in this Section 2.16.9 is intended to limit the obligations of the Borrower under any other provision of this Agreement.

SECTION 2.16.10 Lenders' Indemnification. Each Lender shall, ratably in accordance with its Pro Rata Share, indemnify the LC Issuer, its Affiliates and their respective

directors, officers, agents and employees (to the extent not reimbursed by the Borrower) against any cost, expense (including reasonable counsel fees and disbursements), claim, demand, action, loss or liability (except such as result from such indemnitees' gross negligence or willful misconduct or the LC Issuer's failure to pay under any Facility LC after the presentation to it of a request strictly complying with the terms and conditions of the Facility LC) that such indemnitees may suffer or incur in connection with this Section 2.16 or any action taken or omitted by such indemnitees hereunder.

**SECTION 2.16.11 Rights as a Lender.** In its capacity as a Lender, the LC Issuer shall have the same rights and obligations as any other Lender.

**SECTION 2.16.12 Rights with Respect to Designated Lenders.** If any Lender is a Designated Lender, then the LC Issuer may, by notice to such Designated Lender and the Administrative Agent, require such Designated Lender to (a) deliver to the Administrative Agent, for the account of the LC Issuer, cash collateral in an amount equal to such Designated Lender's Pro Rata Share of the undrawn principal amount of all Facility LCs (the "Reserve Amount") or (b) make other arrangements reasonably satisfactory to the LC Issuer to assure that such Designated Lender will reimburse the LC Issuer for its Pro Rata Share of any payment made by the LC Issuer under any Facility LC. Any such cash collateral (i) shall be held by the Administrative Agent pursuant to arrangements reasonably satisfactory to such Designated Lender, the LC Issuer and the Administrative Agent and (ii) if at any time such Designated Lender becomes obligated to pay any amount to the LC Issuer pursuant to Section 2.16.5 or to make an Advance pursuant to Section 2.16.6, shall be applied (to the extent required) by the Administrative Agent to pay such amount or to make such Advance. Upon the expiration, termination or reduction in amount of any applicable Facility LC, the Administrative Agent shall release (subject to Section 2.13(g) in the case of a Defaulting Lender) to such Designated Lender (or such other Person as may be entitled thereto) any cash collateral held by the Administrative Agent in excess of the Reserve Amount. If any Designated Lender fails to provide cash collateral or make other arrangements as required by the first sentence of this Section 2.16.12, then the Administrative Agent shall retain as cash collateral all amounts otherwise payable to such Designated Lender under this Agreement until the Administrative Agent has retained an amount equal to the Reserve Amount.

**SECTION 2.17 Extension of Scheduled Commitment Termination Date.** The Borrower may request an extension of the scheduled Commitment Termination Date by submitting a request for an extension to the Administrative Agent (an "Extension Request") no more than 60 days prior to the scheduled Commitment Termination Date then in effect. The Extension Request must specify the new scheduled Commitment Termination Date and the date (which must be at least 30 days after the Extension Request is delivered to the Administrative Agent) as of which the Lenders must respond to the Extension Request (the "Response Date"). The new scheduled Commitment Termination Date shall be 364 days after the scheduled Commitment Termination Date in effect at the time an Extension Request is received, including the scheduled Commitment Termination Date as one of the days in the calculation of the days elapsed. Promptly upon receipt of an Extension Request, the Administrative Agent shall notify each Lender of the contents thereof and shall request each Lender to approve such Extension Request, which approval shall be at the sole discretion of each Lender. Each Lender approving such Extension Request shall deliver its written consent no later than the Response Date. If the

written consent of each of the Lenders (excluding any Person which ceases to be a Lender pursuant to Section 8.07(g)(iii)) is received by the Administrative Agent, the new scheduled Commitment Termination Date specified in the Extension Request shall become effective on the existing scheduled Commitment Termination Date and the Administrative Agent shall promptly notify each Borrower and each Lender of the new scheduled Commitment Termination Date. If all Lenders (including any Person which becomes a Lender pursuant to Section 8.07(g)) do not consent to an Extension Request, the scheduled Commitment Termination Date shall not be extended pursuant to such Extension Request.

## ARTICLE VII

### THE ADMINISTRATIVE AGENT

#### SECTION 7.01 Authorization and Action.

SECTION 7.01.1 Each Lender hereby appoints and authorizes the Administrative Agent to take such action as administrative agent on its behalf and to exercise such powers under this Agreement as are delegated to the Administrative Agent by the terms hereof, together with such powers as are reasonably incidental thereto. As to any matters not expressly provided for by this Agreement (including enforcement or collection of the obligations of the Borrower hereunder), the Administrative Agent shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the instructions of the Majority Lenders, and such instructions shall be binding upon all Lenders; provided that the Administrative Agent shall not be required to take any action which exposes the Administrative Agent to personal liability or which is contrary to this Agreement or applicable law. The Administrative Agent agrees to give to each Lender prompt notice of each notice given to it by the Borrower pursuant to the terms of this Agreement.

SECTION 7.01.2 The Administrative Agent may perform any and all of its duties and exercise its rights hereunder by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights hereunder through its respective Affiliates, directors, officers, employees, agents and advisors (collectively, the “Related Parties”). The provisions of this Article VII shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent.

SECTION 7.02 Administrative Agent’s Reliance, Etc. Neither the Administrative Agent nor any of its directors, officers, agents or employees shall be liable for any action taken or omitted to be taken by it or them under or in connection with this Agreement, except for its or their respective own gross negligence or willful misconduct. Without limiting the generality of the foregoing: (i) the Administrative Agent may consult with legal counsel (including counsel for the Borrower), independent public accountants and other experts selected by it and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts; (ii) the Administrative Agent makes no warranty or representation to any Lender and shall not be responsible to any Lender for any statements, warranties or representations (whether written or oral) made in or in connection with this Agreement; (iii) the Administrative Agent shall not have any duty to ascertain or to inquire as to the performance or observance of any of the terms, covenants or conditions of this Agreement on the part of the Borrower or to inspect the property (including the books and records) of the Borrower; (iv) the Administrative Agent shall not be responsible to any Lender for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any other instrument or document furnished pursuant hereto; and (v) the Administrative Agent shall not incur any liability under or in respect of this Agreement by acting upon any notice, consent, certificate or other instrument or writing (which may be by facsimile) believed by it to be genuine and signed or sent by the proper party or parties.

**SECTION 7.03 Administrative Agent and Affiliates.** With respect to its Commitment, Advances and other rights and obligations hereunder in its capacity as a Lender, JPMCB shall have the same rights and powers under this Agreement as any other Lender and may exercise the same as though it were not the Administrative Agent; and the term “Lender” or “Lenders” shall include JPMCB in its individual capacity. JPMCB and its affiliates may accept deposits from, lend money to, act as trustee under indentures of, and generally engage in any kind of business with, the Borrower, any Affiliate thereof and any Person who may do business with or own securities of the Borrower or any such Affiliate, all as if it were not Administrative Agent and without any duty to account therefor to the Lenders.

**SECTION 7.04 Lender Credit Decision.** Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender and based on the financial statements referred to in Section 4.01(e) and such other documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement.

**SECTION 7.05 Indemnification.** The Lenders agree to indemnify the Administrative Agent (to the extent not reimbursed by the Borrower), ratably according to their respective Pro Rata Shares, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against the Administrative Agent in any way relating to or arising out of this Agreement or any action taken or omitted by the Administrative Agent under this Agreement, provided that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent’s gross negligence or willful misconduct. Without limiting the foregoing, each Lender agrees to reimburse the Administrative Agent promptly upon demand for its Pro Rata Share of any out-of-pocket expenses (including reasonable counsel fees) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, to the extent that such expenses are reimbursable by the Borrower but for which the Administrative Agent is not reimbursed by the Borrower.

**SECTION 7.06 Successor Administrative Agent.** The Administrative Agent may resign at any time by giving written notice thereof to the Lenders and the Borrower and may be removed at any time with or without cause by the Majority Lenders. Upon any such resignation or removal, the Majority Lenders shall have the right to appoint a successor Administrative Agent. If no successor Administrative Agent shall have been so appointed by the Majority Lenders, and shall have accepted such appointment, within 30 days after the retiring Administrative Agent’s giving of notice of resignation or the Majority Lenders’ removal of the retiring Administrative Agent, then the retiring Administrative Agent may, on behalf of the Lenders, appoint a successor Administrative Agent, which shall be a commercial bank described in clause (i) or (ii) of the definition of “Eligible Assignee” having a combined capital and surplus of at least \$150,000,000. Upon the acceptance of any appointment as Administrative Agent

hereunder by a successor Administrative Agent, such successor Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations under this Agreement. After any retiring Administrative Agent's resignation or removal hereunder as Administrative Agent, the provisions of this Article VII shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement. Notwithstanding the foregoing, if no Event of Default or Unmatured Event of Default shall have occurred and be continuing, then no successor Administrative Agent shall be appointed under this Section 7.06 without the prior written consent of the Borrower, which consent shall not be unreasonably withheld or delayed.

SECTION 7.07 Arrangers. The title "Arranger" is purely honorific, and no Person designated as an "Arranger" shall have any duties or responsibilities in such capacity.

## ARTICLE VIII

### MISCELLANEOUS

SECTION 8.01 Amendments, Etc. No amendment or waiver of any provision of this Agreement, nor consent to any departure by the Borrower therefrom, shall in any event be effective unless the same shall be in writing and signed by the Majority Lenders and, in the case of an amendment, the Borrower, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided that no amendment, waiver or consent shall, unless in writing and signed by all Lenders (other than any Lender that is the Borrower or an Affiliate thereof), do any of the following: (a) waive or amend any of the conditions specified in Section 3.01 or 3.02, (b) increase or extend the Commitments of the Lenders (other than pursuant to Section 2.17) or subject the Lenders to any additional obligations, (c) reduce the principal of, or interest on, any Advance, any Reimbursement Obligation or any fees or other amounts payable hereunder, (d) postpone any date fixed for any payment of principal of, or interest on, any Advance, any Reimbursement Obligation or any fees or other amounts payable hereunder, (e) change the percentage of the Commitments or of the aggregate unpaid principal amount of the Advances, or the number of Lenders, that shall be required for the Lenders or any of them to take any action hereunder, (f) amend this Section 8.01 or (g) waive or amend any provision regarding pro rata sharing or otherwise relates to the distribution of payments among Lenders; provided, further, that (i) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent, in addition to the Lenders required above to take such action, affect the rights or duties of the Administrative Agent under this Agreement; and (ii) no amendment, waiver or consent shall, unless in writing and signed by the LC Issuer, in addition to the Lenders required above to take such action, affect the rights or duties of the LC Issuer under this Agreement.

SECTION 8.02 Notices, Etc. All notices and other communications provided for hereunder shall be in writing (including facsimile transmission) and mailed, sent by facsimile or delivered, if to the Borrower, at 10 S. All such notices and communications shall be effective (a) if mailed, three Business Days after being deposited in the U.S. mail, postage prepaid, (b) if sent by facsimile, when the sender receives electronic confirmation of receipt, and (c) otherwise, when delivered, except that notices and communications to the Administrative Agent pursuant to Article II or VII shall not be effective until received by the Administrative Agent.

**SECTION 8.03 No Waiver; Remedies.** No failure on the part of any Lender, the LC Issuer or the Administrative Agent to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

**SECTION 8.04 Costs and Expenses; Indemnification.**

(a) The Borrower agrees to pay on demand all costs and expenses incurred by the Administrative Agent, the LC Issuer and the Arrangers in connection with the preparation, execution, delivery, administration, syndication, modification and amendment of this Agreement and the other documents to be delivered hereunder, including the reasonable fees, internal charges and out-of-pocket expenses of counsel (including in-house counsel) for the Administrative Agent, the LC Issuer and the Arrangers with respect thereto and with respect to advising the Administrative Agent, the LC Issuer and the Arrangers as to their respective rights and responsibilities under this Agreement. The Borrower further agrees to pay on demand all costs and expenses, if any (including counsel fees and expenses of outside counsel and of internal counsel), incurred by the Administrative Agent, the LC Issuer or any Lender in connection with the collection and enforcement (whether through negotiations, legal proceedings or otherwise) of the Borrower's obligations under this Agreement and the other documents to be delivered by the Borrower hereunder, including reasonable counsel fees and expenses in connection with the enforcement of rights under this Section 8.04(a).

(b) If any payment of principal of, or any conversion of, any Eurodollar Advance is made other than on the last day of the Interest Period for such Advance, as a result of a payment or conversion pursuant to Section 2.09 or 2.12 or acceleration of the maturity of the Advances pursuant to Section 6.01 or for any other reason, the Borrower shall, upon demand by any Lender (with a copy of such demand to the Administrative Agent), pay to the Administrative Agent for the account of such Lender any amount required to compensate such Lender for any additional loss, cost or expense which it may reasonably incur as a result of such payment or conversion, including any loss, cost or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by any Lender to fund or maintain such Advance.

(c) The Borrower agrees to indemnify and hold each Lender, the LC Issuer, the Administrative Agent and each of their respective Affiliates, officers, directors and employees (each, an "Indemnified Person") harmless from and against any claim, damage, loss, liability, cost or expense (including reasonable attorney's fees and expenses, whether or not such Indemnified Person is named as a party to any proceeding or is otherwise subjected to judicial or legal process arising from any such proceeding) that any of them may pay or incur arising out of

or relating to this Agreement or the transactions contemplated hereby, or the use by the Borrower or any Subsidiary of the proceeds of any Advance; provided that the Borrower shall not be liable for any portion of any such claim, damage, loss, liability, cost or expense resulting from such Indemnified Person's gross negligence or willful misconduct. The Borrower's obligations under this Section 8.04(c) shall survive the repayment of all amounts owing by the Borrower to the Lenders and the Administrative Agent under this Agreement and the termination of the Commitments. If and to the extent that the obligations of the Borrower under this Section 8.04(c) are unenforceable for any reason, the Borrower agrees to make the maximum contribution to the payment and satisfaction thereof which is permissible under applicable law.

**SECTION 8.05 Right of Set-off.** Upon (i) the occurrence and during the continuance of any Event of Default and (ii) the making of the request or the granting of the consent specified by Section 6.01 to authorize the Administrative Agent to declare the Advances due and payable pursuant to the provisions of Section 6.01, each Lender is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender to or for the credit or the account of the Borrower against any and all of the obligations of the Borrower now or hereafter existing under this Agreement, whether or not such Lender shall have made any demand under this Agreement and although such obligations may be unmatured. Each Lender agrees to notify the Borrower promptly after any such set-off and application made by such Lender, provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of each Lender under this Section 8.05 are in addition to other rights and remedies (including other rights of set-off) that such Lender may have.

**SECTION 8.06 Binding Effect.** This Agreement shall be binding upon and inure to the benefit of the Borrower, the Administrative Agent and each Lender and their respective successors and assigns, provided that (except as permitted by Section 5.02(b)(iii)) the Borrower shall not have the right to assign rights hereunder or any interest herein without the prior written consent of all Lenders.

**SECTION 8.07 Assignments and Participations.**

(a) Each Lender may, with the prior written consent of the Borrower, the LC Issuer and the Administrative Agent (which consents shall not be unreasonably withheld or delayed), and if demanded by the Borrower pursuant to Section 8.07(g) shall to the extent required by such Section, assign to one or more banks or other entities all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment, the Advances owing to it and its participation in Facility LCs); provided that (i) each such assignment shall be of a constant, and not a varying, percentage of all of the assigning Lender's rights and obligations under this Agreement, (ii) the Commitment Amount of the assigning Lender being assigned pursuant to each such assignment (determined as of the date of the Assignment and Acceptance with respect to such assignment) shall in no event be less than \$500,000 or, if less, the entire amount of such Lender's Commitment, and shall be an integral multiple of \$100,000 or such Lender's entire Commitment, (iii) each such assignment shall be to an Eligible Assignee, (iv) the parties to each such assignment shall execute and deliver to the Administrative Agent, for its acceptance and recording in the Register, an Assignment and Acceptance, together with a

processing and recordation fee of \$3,500 (which shall be payable by one or more of the parties to the Assignment and Acceptance, and not by the Borrower (except in the case of a demand under Section 8.07(g)), and shall not be payable if the assignee is a Federal Reserve Bank), (v) the consent of the Borrower shall not be required after the occurrence and during the continuance of any Event of Default under Section 6.01(a), Section 6.01(c)(i) (with respect to a breach of Section 5.02(c) only) or Section 6.01(e) and (vi) the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within five Business Days after having received notice thereof. Upon such execution, delivery, acceptance and recording, from and after the effective date specified in each Assignment and Acceptance, (x) the assignee thereunder shall be a party hereto and, to the extent that rights and obligations hereunder have been assigned to it pursuant to such Assignment and Acceptance, have the rights and obligations of a Lender hereunder and (y) the Lender assignor thereunder shall, to the extent that rights and obligations hereunder have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights and be released from its obligations under this Agreement and, in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto (although an assigning Lender shall continue to be entitled to indemnification pursuant to Section 8.04(c)). Notwithstanding anything contained in this Section 8.07(a) to the contrary, (A) the consent of the Borrower, the LC Issuer and the Administrative Agent shall not be required with respect to any assignment by any Lender to an Affiliate of such Lender or to another Lender and (B) any Lender may at any time, without the consent of the Borrower, the LC Issuer or the Administrative Agent, and without any requirement to have an Assignment and Acceptance executed, assign all or any part of its rights under this Agreement to a Federal Reserve Bank, provided that no such assignment shall release the transferor Lender from any of its obligations hereunder.

(b) By executing and delivering an Assignment and Acceptance, the Lender assignor thereunder and the assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (i) other than as provided in such Assignment and Acceptance, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any other instrument or document furnished pursuant hereto; (ii) such assigning Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of the Borrower or the performance or observance by the Borrower of any of its obligations under this Agreement or any other instrument or document furnished pursuant hereto; (iii) such assignee confirms that it has received a copy of this Agreement, together with copies of the financial statements referred to in Section 4.01(e) and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (iv) such assignee will, independently and without reliance upon the Administrative Agent, such assigning Lender or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (v) such assignee confirms that it is an Eligible Assignee; (vi) such assignee appoints and authorizes the Administrative Agent to take such action as agent on its behalf and to exercise such powers under this Agreement as are delegated to the Administrative Agent by the terms hereof, together with such

powers as are reasonably incidental thereto; and (vii) such assignee agrees that it will perform in accordance with their terms all of the obligations which by the terms of this Agreement are required to be performed by it as a Lender.

(c) The Administrative Agent shall maintain at its address referred to in Section 8.02 a copy of each Assignment and Acceptance delivered to and accepted by it and a register for the recordation of the names and addresses of the Lenders and the Commitment Amount of, and principal amount of the Advances owing to, each Lender from time to time (the “Register”). The entries in the Register shall be conclusive and binding for all purposes, absent manifest error, and the Borrower, the Administrative Agent and the Lenders may treat each Person whose name is recorded in the Register as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower or any Lender at any reasonable time and from time to time upon reasonable prior notice.

(d) Upon its receipt of an Assignment and Acceptance executed by an assigning Lender and an assignee representing that it is an Eligible Assignee, the Administrative Agent shall, if such Assignment and Acceptance has been completed and is in substantially the form of Exhibit A, (i) accept such Assignment and Acceptance, (ii) record the information contained therein in the Register and (iii) give prompt notice thereof to the Borrower.

(e) Each Lender may sell participations to one or more banks or other entities (each, a “Participant”) in or to all or a portion of its rights and/or obligations under this Agreement (including all or a portion of its Commitment, the Advances owing to it and its participation in Facility LCs); provided that (i) such Lender’s obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement and (iv) such Lender shall retain the sole right to approve, without the consent of any Participant, any amendment, modification or waiver of any provision of this Agreement, other than any such amendment, modification or waiver with respect to any Advance or Commitment in which such Participant has an interest that forgives principal, interest or fees or reduces the interest rate or fees payable with respect to any such Advance or Commitment, postpones any date fixed for any regularly scheduled payment of principal of, or interest or fees on, any such Advance or Commitment, extends any Commitment, releases any guarantor of any such Advance or releases any substantial portion of collateral, if any, securing any such Advance.

(f) Any Lender may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Section 8.07, disclose to the assignee or participant or proposed assignee or participant, any information relating to the Borrower furnished to such Lender by or on behalf of the Borrower; provided that, prior to any such disclosure, the assignee or participant or proposed assignee or participant shall agree to preserve the confidentiality of any confidential information relating to the Borrower received by it from such Lender (subject to customary exceptions regarding regulatory requirements, compliance with legal process and other requirements of law).

(g) If any Lender (i) shall make demand for payment under Section 2.11(a), 2.11(b) or 2.14, (ii) shall deliver any notice to the Administrative Agent pursuant to Section 2.12 resulting in the suspension of certain obligations of the Lenders with respect to Eurodollar Advances, (iii) does not consent to, or revokes its consent to, an extension of the scheduled Commitment Termination Date pursuant to Section 2.17, (iv) does not consent to an amendment or waiver that requires the consent of all Lenders and has been approved by the Majority Lenders or (v) is a Designated Lender, then (A) in the case of clause (i), within 60 days after such demand (if, but only if, the payment demanded under Section 2.11(a), 2.11(b) or 2.14 has been made by the Borrower), (B) in the case of clause (ii), within 60 days after such notice (if such suspension is still in effect), (C) in the case of clause (iii), no later than five days prior to the then effective scheduled Commitment Termination Date, (D) in the case of clause (iv), within 60 days after the date the Majority Lenders approve the applicable amendment or waiver, or (E) in the case of clause (v), at any time so long as such Lender continues to be a Designated Lender, as the case may be, the Borrower may demand that such Lender assign in accordance with this Section 8.07 to one or more Eligible Assignees designated by the Borrower and reasonably acceptable to the Administrative Agent and the LC Issuer all (but not less than all) of such Lender's Commitment, the Advances owing to it, its participation in the Facility LCs and all of its other rights and obligations hereunder within the next succeeding 30 days (or, in the case of clause (iii), (iv) or (v), five days). If any such Eligible Assignee designated by the Borrower shall fail to consummate such assignment on terms acceptable to such Lender, or if the Borrower shall fail to designate any such Eligible Assignee for all of such Lender's Commitment, Advances and participation in Facility LCs, then such Lender may (but shall not be required to) assign such Commitment and Advances to any other Eligible Assignee in accordance with this Section 8.07 during such period. No replacement of a Defaulting Lender pursuant to this Section 8.07(g) shall be deemed to be a waiver of any right that the Borrower, the Administrative Agent, the LC Issuer or any other Lender may have against such Defaulting Lender. Concurrently with any Designated Lender making an assignment pursuant to this Section 8.07(g), the Administrative Agent shall return to such Lender any cash collateral held for the account of such Lender pursuant to Section 2.16.12.

(h) Notwithstanding anything to the contrary contained herein, any Lender (a "Granting Bank") may grant to a special purpose funding vehicle (an "SPC"), identified as such in writing from time to time by the Granting Bank to the Administrative Agent and the Borrower, the option to provide to the Borrower all or any part of any Advance that such Granting Bank would otherwise be obligated to make pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPC to make any Advance, (ii) if an SPC elects not to exercise such option or otherwise fails to provide all or any part of such Advance, the Granting Bank shall be obligated to make such Advance pursuant to the terms hereof. The making of an Advance by an SPC hereunder shall utilize the Commitment of the Granting Bank to the same extent, and as if, such Advance were made by such Granting Bank. Each party hereto hereby agrees that no SPC shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Bank). In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPC, it will not institute against, or join any other person in instituting against, such SPC any

bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the laws of the United States or any State thereof. In addition, notwithstanding anything to the contrary contained in this Section 8.07, any SPC may (i) with notice to, but without the prior written consent of, the Borrower and the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Advance to the Granting Bank or to any financial institution (consented to by the Borrower and Administrative Agent, which consents shall not be unreasonably withheld or delayed) providing liquidity and/or credit support to or for the account of such SPC to support the funding or maintenance of Advances and (ii) disclose on a confidential basis any non-public information relating to its Advances to any rating agency, commercial paper dealer or provider of any surety, guarantee or credit or liquidity enhancement to such SPC. This Section 8.07(h) may not be amended in any manner which adversely affects a Granting Bank or an SPC without the written consent of such Granting Bank or SPC.

SECTION 8.12 USA PATRIOT ACT NOTIFICATION. The following notification is provided to the Borrower pursuant to Section 326 of the USA Patriot Act of 2001, 31 U.S.C. Section 5318:

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT. To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person or entity that opens an account, including any deposit account, treasury management account, loan, other extension of credit, or other financial services product. What this means for the Borrower: When the Borrower opens an account, the Administrative Agent and the Lenders will ask for the Borrower's name, tax identification number and business address and other information that will allow the Administrative Agent and the Lenders to identify the Borrower. The Administrative Agent and the Lenders may also ask to see the Borrower's legal organizational documents or other identifying documents.

SECTION 8.13 No Advisory or Fiduciary Responsibility. In connection with all aspects of the transactions contemplated hereby (including in connection with any amendment, waiver or other modification hereof), the Borrower acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (i) (A) the arranging and other services regarding this Agreement provided by the Administrative Agent, the Arrangers and the Lenders are arm's-length commercial transactions between the Borrower and its Affiliates, on the one hand, and the Administrative Agent, the Arrangers and the Lenders on the other hand, (B) the Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) the Borrower is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby; (ii) (A) the Administrative Agent, each Arranger and each Lender is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower or any of its Affiliates, or any other Person and (B) neither the Administrative Agent, any Arranger nor any Lender has any obligation to the Borrower or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein; and (iii) the Administrative Agent, the Arrangers and the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and its Affiliates, and neither the Administrative Agent, any Arranger nor any Lender has any obligation to disclose any of such interests to the Borrower or its Affiliates. To the fullest extent permitted by law, the Borrower hereby waives and releases any claims that it may have against the Administrative Agent, the

Arrangers and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

SECTION 8.14 Termination of Existing Agreement. The Borrower and each Lender that is a party to the Existing Agreement (which Lenders constitute “Majority Lenders” under and as defined in the Existing Agreement) agree that concurrently with the effectiveness hereof pursuant to Section 3.01, all commitments to extend credit to the Borrower under the Existing Agreement shall terminate and be of no further force or effect (without regard to any requirement in the Existing Agreement for prior notice of termination of such commitments).

## SCHEDULE I PRICING SCHEDULE

The “Applicable Margin,” the “LC Fee Rate,” and the “Facility Fee Rate” for any day are the respective percentages set forth below in the applicable row under the column corresponding to the Status that exists on such day:

Status	Applicable Margin for Eurodollar Advances and LC Fee Rate	Applicable Margin for Base Rate Advances	Applicable Facility Fee Rate
Level I	0.900%	0.000%	0.100%
Level II	1.000%	0.000%	0.125%
Level III	1.075%	0.075%	0.175%
Level IV	1.275%	0.275%	0.225%
Level V	1.475%	0.475%	0.275%
Level VI	1.650%	0.650%	0.350%

The Applicable Margin, the LC Fee Rate, and the Facility Fee Rate shall be determined in accordance with the table above based on the Status in effect from time to time. The Status in effect on any date for purposes of this Pricing Schedule is based on the applicable Fitch Rating, Moody’s Rating and S&P Rating in effect at the close of business on such date.

For the purposes of the foregoing (but subject to the final paragraph of this Pricing Schedule):

“Debt Rating” means, as of any date of determination, the Fitch Rating, the Moody’s Rating or the S&P Rating.

“Level I Status” exists at any date if, on such date, the Fitch Rating is A or better, the Moody’s Rating is A2 or better or the S&P Rating is A or better.

“Level II Status” exists at any date if, on such date, (i) Level I Status does not exist and (ii) the Fitch Rating is A- or better, the Moody’s Rating is A3 or better or the S&P Rating is A- or better.

“Level III Status” exists at any date if, on such date, (i) neither Level I Status nor Level II Status exists and (ii) the Fitch Rating is BBB+ or better, the Moody’s Rating is Baa1 or better or the S&P Rating is BBB+ or better.

“Level IV Status” exists at any date if, on such date, (i) none of Level I Status, Level II Status or Level III Status exists and (ii) the Fitch Rating is BBB or better, the Moody’s Rating is Baa2 or better or the S&P Rating is BBB or better.

“Level V Status” exists at any date if, on such date, (i) none of Level I Status, Level II Status, Level III Status or Level IV Status exists and (ii) the Fitch Rating is BBB- or better, the Moody’s Rating is Baa3 or better or the S&P Rating is BBB- or better.

“Level VI Status” exists at any date if, on such date, none of Level I Status, Level II Status, Level III Status, Level IV Status or Level V Status exists.

“Status” means Level I Status, Level II Status, Level III Status, Level IV Status, Level V Status or Level VI Status.

For purposes of the foregoing, (x) at any time that Debt Ratings are available from each of S&P, Moody’s and Fitch and there is a split among such Debt Ratings, then (i) if any two of such Debt Ratings are in the same level, such level shall apply or (ii) if each of such Debt Ratings is in a different level, the level that is the middle level shall apply and (y) at any time that Debt Ratings are available only from any two of S&P, Moody’s and Fitch and there is a split in such Debt Ratings, then the higher\* of such Debt Ratings shall apply, unless there is a split in Debt Ratings of more than one level, in which case the level that is one level higher than the lower Debt Rating shall apply. The Debt Ratings shall be determined from the most recent public announcement of any changes in the Debt Ratings. If the rating system of S&P, Moody’s or Fitch shall change, the Borrower and the Administrative Agent shall negotiate in good faith to amend the definition of “Debt Rating” to reflect such changed rating system and, pending the effectiveness of such amendment (which shall require the approval of the Majority Lenders), the Debt Rating shall be determined by reference to the rating most recently in effect prior to such change. If the Borrower has no Fitch Rating, no Moody’s Rating and no S&P Rating, Level VI Status shall apply.

---

\*It being understood and agreed, by way of example, that a Debt Rating of A- is one level higher than a Debt Rating of BBB+.

## Opinion

### Rating Drivers

Regulated utilities provide a strong foundation to consolidated credit profile

PHI acquisition credit positive due to increased regulated business mix; offset to some degree by increase in parent leverage

Unregulated generation business still facing tough market conditions, but higher power prices are expected

Retail marketing business is risky requiring robust liquidity particularly during periods of volatility

Financial ratios have declined; through an extended downturn in the commodity cycle, but appear to be stabilizing

### Corporate Profile

Exelon Corporation (Exelon: Baa2 stable) is a large US holding company that owns three regulated transmission and distribution utilities and a large unregulated power company. Its three regulated transmission and distribution (T&D) utilities include: PECO Energy Company (PECO: A2 stable), Baltimore Gas and Electric Company (BGE: A3 stable) and Commonwealth Edison Company (CWE: Baa1 stable). PECO is regulated by the Pennsylvania Public Utility Commission (PAPUC), BGE is regulated by the Maryland Public Service Commission (MPSC) and CWE is regulated by the Illinois Commerce Commission (ICC). All three utilities are also regulated by the Federal Energy Regulatory Commission (FERC).

Exelon also owns Exelon Generation Company, LLC (ExGen: Baa2 stable), one of the largest competitive electric generation companies globally as measured by owned and controlled megawatts (MW), with net capacity of approximately 32 GW's. ExGen is regulated by the Federal Energy Regulatory Commission (FERC) and by the Nuclear Regulatory Commission (NRC).

### Recent Events

On 30 April 2014, Exelon announced a proposed acquisition of Pepco Holdings Inc (PHI: Baa3 stable). PHI is a holding company that owns three regulated T&D utilities: Atlantic City Electric Company (Baa2 stable), DelMarVa Power & Light Company (Baa1 stable) and Pepco Electric Company (Baa1 stable). The acquisition of PHI would shift Exelon's consolidated mix of regulated and unregulated business activities to approximately 60% regulated from roughly 50% today and diversify its jurisdictional exposure to include New Jersey, Delaware and the District of Columbia.

### SUMMARY RATING RATIONALE

Exelon's Baa2 senior unsecured rating reflects a balanced mix of operations between stable and predictable regulated utility businesses and a more risky and volatile unregulated generation and retail marketing business. Exelon maintains a strong consolidated financial profile, with roughly \$7 billion in funds from operations supporting approximately \$26 billion in debt backed by an \$87 billion balance sheet. This financial profile should produce steady ratios of cash flow to debt in the low 20% range; which, combined with adequate liquidity reserves and a growing focus on regulated investment opportunities, positions Exelon firmly within its current rating category.

Exelon's Baa2 rating also reflects our expectation that the company will successfully close its pending acquisition of PHI; that its T&D utilities will continue to invest in their systems and recover those costs and investments in a timely manner; that ExGen will continue to produce ratios of cash flow to debt in the low to mid-30% range for the foreseeable future, operate its nuclear fleet without any early retirements over the next 2-3 years, and focus its growth investments away from its current nuclear reactor concentration as it becomes self-sustainable with respect to its financing needs, and begins to produce positive free cash flows due to a decline in both its capital expenditure projections and reduced up-streamed dividend requirements.

### DETAILED RATING CONSIDERATIONS

FINANCIALLY SECURE REGULATED UTILITIES PROVIDE A STRONG FOUNDATION TO CREDIT PROFILE

Exelon's three existing T&D utilities create a strong foundation to the consolidated credit profile. Combined, the three T&D utilities are big and generate stable and predictable revenue and cash flows. For the year ended 2014, these utilities produced roughly \$2.8 billion in cash from operations carrying about \$13 billion in debt. This results in a utility pro-forma ratio of cash flow to debt over 20%, which is reasonable for an A3 / Baa1 rating category for utilities with no generation. Prospectively, we think Exelon's utilities will produce annual revenue of roughly \$11-\$12 billion, EBITDA of roughly \$3.5 billion and cash flows around \$3.0 billion. All three utilities operate in supportive regulatory jurisdictions, and we continue to view recent regulatory and legislative actions positively. For example, Illinois extended its formulaic rate setting framework through December 2019 and Maryland's Strategic Infrastructure Development and Enhancement Program (STRIDE) continues to develop precedents as utilities in the state invest in their infrastructure.

#### PHI ACQUISITION IS CREDIT POSITIVE BECAUSE IT INCREASES REGULATED BUSINESS MIX; OFFSET BY LEVERAGE AT PARENT COMPANY

With the addition of PHI, Exelon's mix of regulated and unregulated business activities will shift to approximately 60% regulated - 40% unregulated from roughly 50% - 50%, and its revenue concentration in Maryland, Illinois and Pennsylvania shifts to 33%, 30% and 21% from 29%, 42% and 29%, respectively. In addition, Exelon picks up regulatory exposure to New Jersey, Delaware and the District of Columbia.

Exelon's credit profile will also benefit by the larger and more diversified rate base, which is expected to grow across all of the jurisdictions. Exelon's roughly \$20 billion T&D rate base will grow with PHI's roughly \$8 billion rate base, creating one of the largest T&D utility combined rate bases in the US. The greater breadth and diversity of these regulated jurisdictions is a credit positive because all of the jurisdictions are viewed as being relatively supportive to long term credit quality and provide a reasonable suite of timely recovery mechanisms. However, permanent financing for this acquisition will include an increase in leverage at the parent company, despite equity (including mandatory convertibles) and cash proceeds from asset sales. In June 2014, \$1.15 billion of junior subordinated notes were issued at Exelon, the net proceeds of which are expected to be used to finance a portion of the acquisition of PHI. Exelon and PHI have received approval from the Virginia State Corporation Commission, the New Jersey Board of Public Utilities, the Department of Justice and the Federal Energy Regulatory Commission. Approvals from the Maryland Public Service Commission, the Delaware Public Service Commission, and the Public Service Commission of the District of Columbia are still pending.

#### UNREGULATED GENERATION BUSINESS FACING TOUGH MARKET ENVIRONMENT, BUT NUCLEAR FLEETS ARE STRATEGICALLY ADVANTAGED

The unregulated power sector remains challenged owing to sustained low natural gas prices and tepid economic growth resulting in flat demand for electricity, increased operating costs (including pension obligations), an increase in renewable resources and increased use of more energy efficient products which appears to be permanently reducing electric load in some regions. A bigger risk is that many factors affecting profitability and cash flows for unregulated companies are largely beyond management's control. A related sector challenge is the ability to organically grow wholesale or merchant business activities, particularly in a shareholder and creditor neutral manner. Together, these factors have depressed the cash flow generation outlook for ExGen, for at least the next eighteen months.

We believe low natural gas prices (i.e., around \$3 - 4.00 / mcf) will remain for a few more years, but have less transparency into how capacity markets might behave. While we incorporate a view that ExGen's cash flows will be lower over the next few years than in prior years, we think ExGen will continue to focus on cost reductions, capital investment deferrals and portfolio rationalization. In effect, we think ExGen will shrink, or otherwise diversify its unregulated generation business to protect the over-all value of the consolidated family. This might stress some financial ratios for a period of time, but not sufficiently enough to trigger a change in the rating or the rating outlook at this time.

Still, ExGen's large generation fleet brings some unique characteristics, especially as they relate to the size of the nuclear reactor fleet. We think nuclear generating plants are different, and should not be viewed through the same lenses as other generation sources such as base-load coal, natural gas or renewable generation. ExGen's nuclear plants are large enterprises bringing material economic benefits to local governments and can operate for a lengthy period of time between planned outages. While the nuclear fleet is suffering with high fixed costs in a weak pricing environment, we think the certainty and reliability that nuclear reactors bring to a particular region puts them in a special class of critical infrastructure assets. As a result, these reactors have material staying power over the long term, even when current market conditions make them appear to be less economically viable. We think Illinois will intervene in the local market structure and pass some form of carbon-friendly purchase power requirement for its load serving utilities. We also think a special revenue sharing agreement, known as a reliability

support services agreement, will be approved to the benefit of ExGen's Ginna nuclear reactor in upstate New York. As a result, we think ExGen's "at-risk" reactors will remain operating for the foreseeable future.

#### RETAIL MARKETING BUSINESS IS RISKY, BUT MARGINS ARE IMPROVING

Exelon continues to view its retail marketing operations as a core business associated with its unregulated generation assets. We continue to view retail marketing as high risk, and subject to volatile and unexpected demands on liquidity. That said, we also see early signs of a sustained improvement in retail margins, partly due to reduced liquidity in the market as big financial counterparties and other strategic retail marketers exit the business. We think the retail business will continue to develop albeit slowly, as various regions evaluate their customer choice alternatives. We see Texas as one of the more active retail markets, and the prospect of an integrated grid and smart meter technology could help facilitate a better penetration of customer classes across the country. For now, we will continue to view the retail marketing business as high risk, demanding sophisticated energy management expertise, a large balance sheet and robust sources of liquidity capital.

#### FINANCIAL RATIOS HAVE DECLINED, BUT SHOULD STABILIZE

Over the past two years (2014 and 2013), Exelon generated a ratio of funds from operations to debt of approximately 25%. This is down materially from the 40% ratio generated in 2010 and 2011 and the 30% ratio generated in 2012. During this period Exelon acquired Constellation Energy, and its debt increased from the \$17 billion range (in 2010 - 2011) to today's mid-\$20 billion range. We think the probability of Exelon generating consolidated ratios of cash flow to debt in the 40% range is remote, largely due to our expectation that a sustained period of low natural gas prices will keep a lid on power prices for at least the next few years. We also see little evidence that load volumes will materially rise, despite any economic development activity, due to a more prolific deployment of energy efficiency programs in the greater mid-west and Mid-Atlantic regions. Still, on a long term run-rate, we see Exelon generating a ratio of cash flow to debt near the 20% range for a sustained period of time.

#### Liquidity

As of December 31, 2014, Exelon's liquidity arrangements totaled \$8.5 billion. Approximately \$6.3 billion supports its unregulated business platform, including \$500 million at Exelon and nearly \$5.8 billion at ExGen, while the regulated businesses have access to \$2.2 billion of liquidity – \$600 million at PECO, \$600 million at BGE and \$1 billion at CWE. The Exelon, PECO, BG&E and most of the ExGen facilities expire in May 2019. The CWE facility expires March 2019.

At December 31st, Exelon and ExGen had about \$1.2 billion in letters of credit and no commercial paper outstanding, leaving availability of \$5.1 billion for the unregulated business. At CWE, commercial paper outstanding totaled \$304 million and there were \$2 million in letters of credit outstanding, leaving approximately \$700 million of availability under its credit facility. At BGE, commercial paper outstanding totaled \$120 million and there were no letters of credit outstanding, respectively, leaving \$480 million of availability under its credit facility. At PECO, letters of credit outstanding totaled \$1 million and there were no outstanding commercial paper borrowings, leaving \$599 million of availability under its credit facility.

The core syndicated credit facilities are used primarily to provide liquidity support and for the issuance of letters of credit. While the credit agreements do not contain any rating triggers that would affect borrowing access to the commitments and do not require material adverse change (MAC) representation for borrowings or the issuance of LOCs, there is a financial covenant for each entity; all of which were compliant and year-end.

As of the last reporting period (December 31, 2014), in the event that ExGen were downgraded below investment grade, ExGen could be required to post additional collateral of \$2.4 billion. If PECO, BGE or CWE were downgraded to below investment grade, they would have been required to post \$36 million, \$81 million, and \$14 million, respectively, of additional collateral.

On January 9, 2013, the US Court of Appeals reached a decision for the government in a lawsuit involving Consolidated Edison's (ConEd's) participation in a lease-in, lease-out (LILo) transaction that the IRS also has characterized as a tax shelter, and disallowed ConEd's deductions stemming from its participation in this investment. CWE deferred the \$1.2 billion of gain on the 1999 sale of its fossil generating facilities by acquiring like-kind property via a purchase leaseback transaction. The IRS has asserted that the Exelon purchase leaseback transaction is substantially similar to a leasing transaction known as a sale-in, lease-out transaction (SILO). Exelon believes that its like-kind exchange transaction is not the same as or substantially similar to a SILO.

In light of the ConEd decision and Exelon's current determination that a settlement is unlikely, Exelon recorded in the first quarter of 2013 a non-cash charge to earnings of approximately \$265 million, which represents the full amount of interest expense (after-tax) and incremental state tax expense in the event that Exelon is unsuccessful in its litigation efforts. Approximately \$170 million of the amount was recorded at CWE.

Exelon expects to hold CWE harmless from any unfavorable impacts of the after-tax interest amounts on CWE's equity. In the event of a fully successful IRS challenge to Exelon's like-kind exchange position, the potential tax and after-tax interest, exclusive of penalties, that could become payable as of December 31, 2014 may be as much as \$810 million, of which approximately \$310 million would be attributable to CWE and the remainder to Exelon.

## Rating Outlook

The stable rating outlook for Exelon considers the stability and predictability of its large T&D utility businesses, an adequate liquidity profile and conservatively levered unregulated generation business. We still think Exelon is poised to generate cash flows in the \$6 billion range, which results in a ratio of cash flow to debt of over 20% which is an important threshold for maintaining a stable rating outlook. We see a lot of cushion here because \$6 billion in cash flow implies \$30 billion in debt, whereas Exelon's debt came in at closer to \$26 billion at FYE 2014, which includes \$3.4 billion in unfunded pensions but excludes various tolling and other debt-like arrangements. We also note that in 2014, Exelon only generated \$4.5 billion in cash flow from operations, but that included \$2.5 billion in negative working capital adjustments, a large portion of which was driven by collateral postings. Our stable rating outlook is prospective, and looks to a steady generation of at least \$6 billion in cash flow in 2015 and 2016.

## What Could Change the Rating - Up

A rating upgrade at Exelon would require a material shift in corporate finance policies, where the ratio of cash flow to debt were to rise to the high 20% range. Ratings could also be upgraded if the company exited its more risky businesses at ExGen, given the A3 / Baa1 positioning of its T&D utilities and little holding company debt (today). Post the PHI acquisition, Exelon would still be well positioned for a higher rating absent its ExGen subsidiary and given the higher level of anticipated holding company debt. For now, we see ExGen as strongly positioned within its Baa2 rating category (even on a stand-alone basis). An upgrade of ExGen by more than 1-notch, while unlikely, would also create upward rating pressure for Exelon.

## What Could Change the Rating - Down

The rating could be downgraded if Exelon's financial performance declined, where the ratio of cash flow to debt fell below the 20% range on a sustained basis, or if there were material shifts in the corporate finance policies, especially with respect to the utilization of parent holding company debt (where the ratio of holding company debt to total consolidated debt approached the 20% - 25% range) or if there were any material shifts in shareholder reward programs. A shift in strategic focus could also trigger a rating downgrade, especially where the shift resulted in a material increase in the consolidated business risk profile, presumably somewhat more toward the unregulated business segment within ExGen. Ratings could be pressured if the regulated utilities were faced with a highly contentious regulatory environment, a scenario we view as having a low probability at this time, or if ExGen faced a major operating challenge with several of its reactors at the same time.

## Structural Considerations

With the proposed acquisition of PHI, Exelon is expected to implement a shift in its corporate finance policies. Exelon's existing holding company debt, which we have attributed to ExGen over the past few years, is essentially gone as the company transitioned maturing debt directly to ExGen or retired holding company debt. However, going forward, Exelon will use new holding company debt to partially finance its acquisition of PHI. Prospectively, Exelon will continue to use holding company debt to make equity investments into its T&D utility subsidiaries (including any newly acquired PHI T&D subsidiaries) and manage its regulated authorized capital structures.

On a pro-forma PHI merger basis, should Exelon's ratio of holding company debt (which is now considered attributable to the T&D utility operations, not ExGen) to total consolidated utility debt (ie, holdco debt plus utility debt) exceed the mid-20% range, we would begin to evaluate the need to have a 2-notch rating differential between the utilities and the parent. With the utilities hovering in the A3 / Baa1 range, a Baa2 rating could be viewed as weakly positioned if ExGen is also taken into consideration. Separating the utilities' and holdco debt from the ExGen operation is a component to our credit assessment given Exelon's revised corporate finance policies, and we expect to refine our analysis as additional facts regarding the use of holding company debt are provided.

## Other Considerations

For the time being, given the size of the Exelon's unregulated revenues, earnings, and cash flow and its strategic importance to the consolidated family, Moody's is still evaluating Exelon's financial performance relative to the Unregulated Utilities and Power Companies methodology. As depicted below, Exelon's indicated rating under the grid based on historical results and from projected results (next 12-18 months) is A3. We acknowledge that Exelon's regulated businesses (pre-PHI acquisition) have increased as a percentage of the total consolidated organization, and if the trend continues the potential to evaluate Exelon under our Regulated Electric and Gas Utilities rating methodology will increase. That said, we see most of the improvement in the regulated contributions being attributed to a decline in the unregulated business performance and not attributable to a strategic shift in asset focus. However, if the PHI acquisition is successful, we would revise our view to reflect the shift in strategic focus to the regulated business, which would contribute to a rationale to evaluate Exelon's financial performance relative to the Regulated Electric and Gas Utilities methodology. That said, it would be unlikely that switching to the Regulated Electric and Gas Utilities rating methodology would result in any immediate rating upgrades.

### Company Overview

Exelon Corporation (Exelon) is a diversified holding company headquartered in Chicago. It owns the largest commercial nuclear fleet in the US through its merchant power subsidiary, Exelon Generation Company, LLC (ExGen), and conducts transmission and distribution business through its three utility subsidiaries – PECO Energy Company (PECO), Baltimore Gas and Electric Company (BGE) and Commonwealth Edison Company (CWE). As of 31 December 2014, Exelon was one of the largest US power generators, with owned capacity of approximately 32 gigawatts (GW).

On 30 April 2014, Exelon announced the proposed acquisition of Pepco Holdings Inc. (PHI) in an all cash transaction for USD 6.8 billion, or USD 27.25 per share. The acquisition of PHI would shift Exelon's consolidated mix of regulated and unregulated business activities to approximately 60% regulated from roughly 50% today, and diversify its jurisdictional exposure to include New Jersey, Delaware and the District of Columbia. The transaction is expected to close in the second or third quarter of 2015.

The company operates in 48 US states and the District of Columbia, as well as in Canada. In the financial year ended 31 December 2014, it reported revenue of USD 27.4 billion.

Exelon's origins date back to 1886, with the establishment of The Edison Electric Light Company of Philadelphia. Since 1943, it has been listed on the New York Stock Exchange (Ticker: EXC). As of 13 February 2015, the company's largest shareholder was Capital Research Global Investors, which owned 8.1% of its total share capital.

## Business Description

As a diversified holding company, Exelon is engaged in power generation (mainly nuclear) through its subsidiary ExGen, and power transmission and distribution through its three utility subsidiaries, PECO, BGE and CWE.

In 2000, Exelon was established following the merger of PECO and Unicom Corporation. Subsequently, Unicom Corporation ceased to exist and Exelon became the holding company of PECO and CWE. In January 2001, Exelon underwent a restructuring, in which its regulated power transmission and distribution activities were separated from its non-regulated generation businesses. As a result, the company's generation assets were transferred to its subsidiary ExGen (established in 2000). In 2003, ExGen acquired the remaining 50% stake in AmerGen from British Energy, Inc. In March 2012, Exelon merged with Constellation Energy Group, Inc. (CEG), a provider of power, natural gas and energy products and services, to become one of the largest unregulated power companies in North America, with CEG's subsidiary BGE becoming Exelon's subsidiary.

On 30 April 2014, Exelon announced the proposed acquisition of PHI in an all-cash transaction for USD 27.25 per share, or USD 6.8 billion. If approved, the purchase of PHI would allow Exelon to pick up three additional transmission and distribution utilities, namely Atlantic City Electric Company (ACE), Delmarva Power & Light Company (DPL) and Potomac Electric Power Company (Pepco). With the addition of PHI, Exelon's mix of regulated and unregulated business activities will shift to approximately 60% regulated - 40% unregulated from roughly 50% - 50%, and its revenue concentration in Maryland, Illinois and Pennsylvania shifts to 33%, 30% and 21% from 29%, 42% and 29%, respectively.

Closing conditions for this acquisition include approval from PHI's stockholders, which was obtained in September 2014, and the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, which expired on 22 December 2014. Regulatory approval for this acquisition has been filed and received from the Federal Energy Regulatory Commission (FERC), the Virginia State Corporation Commission (VSCC) and the New Jersey Board of Public Utilities (NJBPU), while a settlement was reached with the Staff of the Delaware Public Service Commission (DPSC) and several other parties. This settlement agreement is subject to approval by the DPSC. On 17 March 2015, a settlement was reached with Montgomery and Prince George's counties and several other parties in the proceeding before the Maryland Public Service Commission (MPSC). The District of Columbia Public Service Commission (DCPSC) and the MPSC have yet to make a decision. The transaction is expected to close in the second or third quarter of 2015.

As of 31 December 2014, the company provided products and services in 48 US states, the District of Columbia and Canada. Exelon operates mainly through the following four business segments: Generation; ComEd; PECO; and BGE. Its operations are divided into the following six sub-segments:

## Management Strategy/Priorities

Exelon seeks to leverage its integrated business model to create value and diversify its business. The company's strategic initiatives include:

- » Reducing its impact on the environment through regulatory compliance, risk management, resource stewardship and leadership. The company completed its Exelon 2020 program seven years earlier than planned, through an enterprise-wide approach that involved decreasing operational emissions, helping customers and communities to reduce their own emissions, and increasing supplies of clean energy to the grid.
- » Investing approximately USD16 billion over the next five years in infrastructural improvements, including smart-meter technology, transmission projects, gas infrastructure and electric system improvement projects, to provide better customer services
- » Maintaining an effective supply strategy through ExGen's ownership of generation assets, and through power purchase and lease agreements
- » Securing contracted generation through ExGen to obtain low-cost energy supply sources to meet the company's physical delivery obligations, and help customers comply with renewable portfolio standards
- » Executing ExGen's hedging strategy by using fuel products based on assumed correlations between power and fuel prices

Moody's Investors Service, Inc., a wholly-owned credit rating agency subsidiary of Moody's Corporation ("MCO"), hereby discloses that most issuers of debt securities (including corporate and municipal bonds, debentures, notes and commercial paper) and preferred stock rated by Moody's Investors Service, Inc., have, prior to assignment of any rating, agreed to pay to Moody's Investors Service, Inc., for appraisal and rating services rendered by it fees ranging from \$1,500 to approximately \$2,500,000. MCO and MIS also maintain policies and procedures to address the independence of MIS's ratings and rating processes. Information regarding certain affiliations that may exist between directors of MCO and rated entities, and between entities who hold ratings from MIS and have also publicly reported to the SEC an ownership interest in MCO of more than 5%, is posted annually at [www.moody's.com](http://www.moody's.com) under the heading "Investor Relations — Corporate Governance — Director and Shareholder Affiliation Policy."

For Japan only: Moody's Japan K.K. ("MJJK") is a wholly-owned credit rating agency subsidiary of Moody's Group Japan G.K., which is wholly-owned by Moody's Overseas Holdings Inc., a wholly-owned subsidiary of MCO. Moody's SF Japan K.K. ("MSFJ") is a wholly-owned credit rating agency subsidiary of MJJK. MSFJ is not a Nationally Recognized Statistical Rating Organization ("NRSRO"). Therefore, credit ratings assigned by MSFJ are Non-NRSRO Credit Ratings. Non-NRSRO Credit Ratings are assigned by an entity that is not a NRSRO and, consequently, the rated obligation will not qualify for certain types of treatment under U.S. laws. MJJK and MSFJ are credit rating agencies registered with the Japan Financial Services Agency and their registration numbers are FSA Commissioner (Ratings) No. 2 and 3 respectively.

MJJK or MSFJ (as applicable) hereby disclose that most issuers of debt securities (including corporate and municipal bonds, debentures, notes and commercial paper) and preferred stock rated by MJJK or MSFJ (as applicable) have, prior to assignment of any rating, agreed to pay to MJJK or MSFJ (as applicable) for appraisal and rating services rendered by it fees ranging from JPY200,000 to approximately JPY350,000,000.

MJJK and MSFJ also maintain policies and procedures to address Japanese regulatory requirements.
