8. Description of Applicant's business. [551.30(c)(1)]

Alpha Gas and Electric has earned a sterling reputation for professionalism and service. They retain only the finest companies and consummate professionals who share their commitment to superior service. While many companies offer only one service, Alpha Gas and Electric provides both gas

and electric needs for their customers. They serve over 10,000 customers spanning 4 states and over 20 utilities. The operational nature of Alpha Gas and Electric's business focuses on the customer-facing aspects while ensuring the proper support and efficiencies are available on the back-end to provide customers with quality service and value. Alpha Gas and Electric, LLC will be supplying retail customers with their expected twelve month electric generation load requirements by purchasing energy and related services through wholesale generation suppliers and traders participating in the various wholesale markets.

Alpha Gas and Electric, LLC also has existing relationships with legal and regulatory partners who can assist in addressing customer inquiries or complaints. For example, Alpha Gas and Electric has contracted with GP Renewables & Trading, LLC, a New York based corporation with over ten years of energy industry experience to manage all wholesale business processes. GP Renewables & Trading, LLC is tasked with creating retail supply forecasts, helping to schedule energy in to the PJM ISO as well and managing all settlement data and hedging activities.

GP Renewables & Trading, LLC currently manages over 500,000 retail meters nationwide for over 30 different power and gas marketers.

9. Identify the utility service territory (Note: Applicable territories for both residential and small commercial customers are Nicor, Peoples Gas, and North Shore Gas --- Ameren is currently limited to small commercial customers) in which Applicant seeks to be authorized to offer service and the types of services it intends to offer. [551.30(c)]

Alpha Gas and Electric, LLC intends to provide residential and commercial natural gas services to the following territories:
