ILLINOIS COMMERCE COMMISSION  
CHIEF CLERK'S OFFICE

Docket Number: #15-0522 Reference: Refutation Response from Complainant; Mr. Warren E. Corprew originally Scheduled for June 10, 2016, which has been rescheduled until June 17, 2016, added to the Service List Mr. Karl Wardin, Executive Director - AT&T asserted by Mr. Deno Perdiour, Representative of AT&T Illinois heretofore.

The Honorable Stephen Yoder:

As dated within the subsequent correspondence of May 25, 2016, I; Mr. Warren E. Corprew received via. U.S. Mailing the appropriate comprehensive detailed correspondences from Mr. James A. Huttenhower, Esq., legal representative for AT&T, the detailed paperworks which shall capacitate me to respond by the extended appropriate time of June 17, 2016.

This FACTUAL and thoroughly unambiguous tractate shall aver additional subsequent germane facts; which in TRUTH, should be taken into considerations as relevant factors remaindering for thoroughgoing determination.

Notwithstanding, this Complainant steadfastness and abiding TRUTH remains resolute, unto my Lord and Saviour JESUS CHRIST (GOD ALMIGHTY) throughout!

I; Mr. Warren E. Corprew has assiduously, conscientiously with meticulousity has averred, since the onset of this litigation, before AT&T Customer Representative(s) "ARACELY & RAMIRO #RHG81S ON 06/25/15 and many more representatives, along with innumerable recorded telephonic conversations which "ALL" parties were fully cognizant of theses facts.

It is very apparent as defined in Section 200150 and throughout even too 200.200 that which include "Declaratory Rulings". It is very SPECIOUS in Mr. Deno Perdiou THROUGHOUT his diatribe, the documentaries recently presented to this Complainant denotes that his business address is the SAME as a recipient schedule to receive a replicated copy of this averment. Moreover, within the direct testimony beginning at item #1 through Item #22, NOTHING therein indicates Mr. Perdiou proficiency, expertise or know-how within this Judicatory Tribunal dissertational.

Furthermore, Mr. Perdiou avers when asked by an unknowledgeable inquisitor in line item #25 QUOTE "HAVE YOU EVER TESTIFIED BEFORE THIS COMMISSION OR ANY OTHER STATE REGULATORY AGENCY? END QUOTE" Mr. Perdiou responsive answer was NO!

It appears in his answer too line Item #30, that Mr. Perdiou hypothesis appertaining to Mr. Corprew's purpose is indistinct; However in retrospect to the contra-, Mr. Corprew's initial presentation has ALWAYS BEEN CLEAR, DEFINITIVE UNAMBIGUOUS AND STEADFASTLY STRAIGHTFORWARDLY appertaining to the justifiable redress in intensely detail.

ALL an individual has to do is read the accumulative extensive dossier appertaining to this litigation.

It is very EVIDENT - It's as plain as the nose on you face, that these QUESTIONS and CONUNDRUM for Mr. Perdiou were "COUCHED" in accordance to its definitive meaning herewith...

I, Mr. Warren E. Corprew gives my overwhelming thanks and PRAISES unto my Lord and Saviour Jesus Christ (GOD ALMIGHTY IN TRUTH, for his magnanimous wisdom, diversity for understanding and much more that words obviate me to expound effectively. When the LORD ALMIGHTY create man, the beast and everything that exist, all man kind spoke with one language; however, when GOD viewed this his defined wisdom developed the ENGLISH and diversity of LANGUAGES. Their is NO nation, people, dialect or anything anywhere else which can TRANSCEND the ENGLISH LANGUAGE in word usage, articulation of speech, thesaurus or synonyms. "A word or phrase that by association is held to embody. The word "COUCHED" is used as an "intransitive verb" - 1612 - to phrase or express in a specified manner. the comments were couched. The relevancy of my speech I do not expect you to fully cogitate, considering I have expatiated throughout this litigation tribunal concerns which are still capriciously convoluted.

I am not aware of the E-doct system in ANY FORM WHATSOEVER! I; Mr. Warren E. Corprew lives a RIGHTEOUS life unto MY Lord and Saviour Jesus Christ until the final day of my demise!! It is also very apparent in line item #37 - line item #50 that Mr. Perdiou on behalf of his benefactions, that AT&T had NO interest nor desirability, to consult with numerous Customer Service Representative(s) averred within the Complainant's avowal.

I fervently believe that I would manifest the attitudes of TOPLOFTICAL like unto AT&T.

Apparently, based on what I have review throughout Mr. Perdiou averment, beginning at line item #69 - line item #87, he speculates what I would say, which is his FACTOID, without any direct verbiage from this Complainant. If Mr. Perdiou were to read assiduously and sedulously the correspondence from Mr. Corprew unto Mr. Huttenhower you shall have a greater understanding of the inept dealings with AT&T and its confidantes.

Continuation with line item #88 - 105, regretfully; is an aberration of the TRUTH. Insofar as Mr. Corprew's readiness to extrapolate on financial areas at this present time; assuredly, it would impinge adversely on the allowable time in which I must delineate my refutation response by JUNE 17, 2016 deadline.

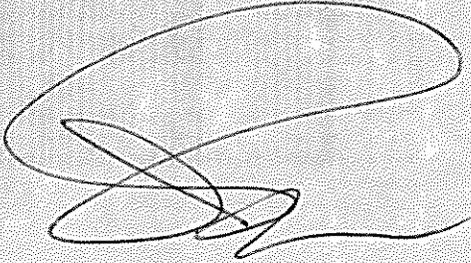

The EXTENSIVE COMPREHENSIVE unambiguous lengthily recorded telephonic conversations documentations, can not be EXTIRPATED by ANYONE. The facts which were everred is tantamount to Mr. Richard Milhous Nixon, the former President of the United States and Archibold Cox, who now sleeps peaceable upon his demise at (90+) years of age. Can the same be said for NIXON?

THE UNMITIGATED TRUTH SHALL ALWAYS COME TO LIGHT.

I; Mr. Warren E. Corprew comprehensively AVERRED, in previous written documentations to Mr. Huttenhower, if AT&T had manifested integrity with probity and sent the appropriate document titled "VALUABLE INFO FOR VALUED CUSTOMER"., this UNTENABLE COSTLY LITIGATION would have not come to fruition.

"Diligently", read my letter to Mr. Huttenhower in its entirety. THIS SUCCINCT COMPREHENSIVE DOCUMENT SHOULD HAVE BEEN DELIVERED TO THE COMPLAINANT'S AVOUCED POST OFFICE BOX ADDRESS #2131 - DANVILLE, ILLINOIS 61834 - BY JULY, 2015; OR THEREABOUTS. NOT "2016". THE TOTALLY INEPTITUDE WITH WOEFULNESS AND POORLY EDUCATED AT&T REPRESENTATIVES; IRRESPECTIVE OF THEIR ETHNICITY OR GENDER, BECAUSE MY LORD AND SAVIOUR JESUS CHRIST GOD ALMIGHTY, HAS (NO) RESPECT OF ANY PERSONS WHOM EVER THEY ARE.

RESPECTFULLY SUBMITTED this day on June 17, 2016.

Docket No. 15-0422

Dear Counselor Huttenhower:

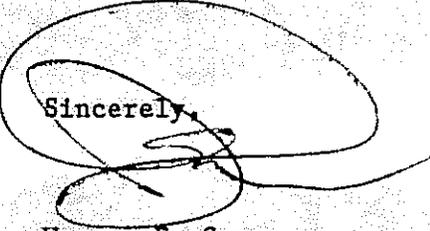

I am now FINALLY in receipt of the recent comprehensive correspondence, titled: VALUABLE INFO FOR VALUED CUSTOMERS mailed to my domicile location on January 29, 2016.

I would be exceedingly and profoundly remiss if I neglectfully failed to assert, my overwhelming disappointment that this comprehensive and thoroughly avowal, was not presented to me during the outset of my AT&T Telephonic initial engagement. Assuredly, this timely, exhaustive and lengthily litigation would have never come to fruition.

Notwithstanding, I shall comply with your article #2 with the enclosed amount of \$36.45, for "Plans and Services" for the period from January 7 through February 6, 2016.

I am hopeful that a FINAL and AMENDABLE resolution shall proceeded soon thereafter.

Sincerely,

Warren E. Corprew

Enclosure
