## Company Profile

American Power & Gas of IL is seeking license in Illinois to service all customer types at all utilities. *The initial focus will be on small commercial and residential customers in the Nicor Gas Company territory.*

American Power & Gas' interests lie in providing energy to customers throughout the country and maintaining excellent customer service and quality control.

### **The Successful Process ~ *Quality, Adherence and Compliance***

*Quality* of presentation

*Adherence* to the sales script

*Compliance* to regulatory rules requires constant diligence

Combining minute-by-minute management strategy with state of the art equipment, American Power & Gas is able to monitor every detail of activity as it occurs, instantaneously adjusting as needed to obtain optimum results. Our strong Customer Service Department and Correction Department collaborate with Quality Control to ensure that more than 95% of our customer acquisitions "stick", with record-breaking lows in the area of cancellations. Smooth interfaces with Third-Party Verification systems and flexibility with EDI data transfer requirements. These are just a few of the areas where our expert staff ensure the very best service. Consumer Lists Acquisition, Sales and FAQ Script, Support Material, Administration and Report, Predictive technology, Paperless order entry Systems, Third Party Verification & Regulatory Research

### **Operations**

Our Risk Management systems and Utility Billing platform for both Bill and Rate Ready accounts are fully built out. We utilize EC Info system for our EDI vendor and have full credit support for energy supply via a financial services group.

## **Dispute Resolution Process**

AP&G maintains an internal process for handling customer complaints and resolving disputes and shall respond promptly to complaints.

1. When AP&G receives a customer complaint or inquiry via call center, email or regular mail, the representative will make a record of the complaint and apply a case number or other identifying feature.
2. The representative will investigate the substance of the complaint or inquiry and provide a response to the customer within ten (5) days of receipt of the complaint or inquiry. If the customer is not satisfied with the resolution presented by the call center representative, the representative will raise the complaint or inquiry to a Supervisor, who will review the matter and respond to the customer within five (5) business days.
3. Upon receipt of a complaint forwarded by the Commission or other governmental agency, AP&G will respond within ten (5) days and in accordance with the direction provided by the Commission or other agency.
4. AP&G will cooperate with the Department and the Commission regarding marketing practices proscribed by the ICC and with local law enforcement in investigations concerning deceptive marketing practices.
5. In the event of any dispute involving a sales agreement and/or authorization, AP&G will provide a copy of the customer's acceptance of the sales agreement and/or authorization for release of information or provide on-line access to the acceptance and/or authorization within five (5) calendar days after a request from the Department.

## Operations

AP&G markets natural gas to residential and small commercial customers. AP&G owns no natural gas resources or facilities. AP&G purchases and stores natural gas and nominates daily gas to meet expected customer demand following utility and pipeline rules for gas operations and storage.

American Power & Gas is operating successfully in New York, Pennsylvania, New Jersey and Ohio (as American Power & Gas, American Power & Gas of Pennsylvania, American Power & Gas of NJ, American Power & Gas of Ohio respectively).

Our Operations department is spearheaded by our VP of Operations, Paul Chalupsky.

Re: Illinois Gas Supplier

To Whom It May Concern:

Quantum Gas & Power Services, Ltd. (Quantum) has been providing natural gas operational services to our retail marketer (ESCO) clients across the nation since 2001.

Our telephones are answered 24 hours a day either by staff or an answering service with all calls relayed to the proper individual.

Each client is assigned to a primary scheduler to manage the day to day pipeline and storage activities to meet the daily demand for their customers. Each client has an executed NAESB with a supplier to allow the natural gas to be purchased. Quantum's Managing Partner handles the monthly gas purchases for each client and the respective scheduler handles any day to day purchases or sales of supply.

American Power & Gas' primary scheduler is Helen-Jane Pascual who has been scheduling natural gas at Quantum for 2.5 years. Beth Perry Sewell, Managing Partner, has been in the natural gas industry for over 30 years with expertise in all aspects of supply, transportation and delivery of the commodity on behalf of our retail clients.

## Company Owner Experience

### Owners

Tom Cummins, Chairman of the Board & CEO  
Jim Bridgeforth, President

#### **Tom Cummins**

Chairman of the Board and Chief Executive Officer

Tom Cummins is the founder and CEO of American Power & Gas LLC (AP&G). Mr. Cummins has been in the Energy Choice industry for 16 years. He founded the first out-source company in North America to exclusively represent energy marketers and exclusively sell energy in the deregulated marketplace. His company enrollments have now exceeded 2 million combined residential and commercial customers using both gas and electricity. Mr. Cummins' company has worked in every state in the union where deregulation of energy has occurred. For the past thirty years Mr. Cummins has owned and operated mass marketing companies. Prior to founding the energy marketing company, Mr. Cummins ran a sales force of over 2000 agents in telecommunications during its deregulation. Mr. Cummins and his staff have been leaders of mass-market retail energy sales via telesales. On behalf of over 100 different ESCOs, his company has spoken to more than 20 million energy consumers on the subject of energy deregulation, literally making him the expert in deregulated retail energy sales. He founded AP&G in New York 2011 and has since expanded to Pennsylvania, New Jersey and Ohio.

#### **Jim Bridgeforth**

President

Jim Bridgeforth has 15 years of hands-on experience in the retail energy markets. He worked directly for Mr. Cummins as his Director of New Accounts at their out-source energy marketing company for 6 years. In this position, he learned all of the nuances of what it takes to create a successful retail campaign. In 2007, Mr. Cummins trained Jim in the remaining aspects of running the company. Mr. Bridgeforth's dedication and successful running of the company earned him an ownership and President role. When Mr. Cummins founded AP&G in 2011, Mr. Bridgeforth was given ownership and the President role of AP&G where they have successfully expanded each year.
