**VERIFIED PETITION TO INTERVENE OF
MIDAMERICAN ENERGY COMPANY**

NOW COMES, MidAmerican Energy Company (MidAmerican) by its undersigned attorney, pursuant to 83 Ill. Admin. Code § 200.200, and hereby respectfully petitions the Illinois Commerce Commission (Commission) for leave to intervene and participate in this docket. In support of this Petition, MidAmerican states as follows:

1. On September 27, 2016, the Illinois Power Agency (Agency) filed its Petition for Approval of the Procurement Plan (Petition) pursuant to Section 16-111.5(d) of the Illinois Public Utilities Act (Act). 220 ILCS 5/16-111.5(d). The IPA Petition includes MidAmerican’s Draft Power Procurement Plan for the period beginning June 2017 through May 2022 (Procurement Plan) in Attachment D. The IPA has submitted to the Commission its proposed plan for the procurement of electricity for a portion of MidAmerican’s Illinois jurisdictional load.

2. MidAmerican has an interest in the subject matter of this docket, and cannot be adequately represented by any other party in this case. As noted in the IPA’s petition, MidAmerican has elected to participate in the IPA’s planning and procurement process as a small multijurisdictional electric utility to procure a portion of its eligible retail customer load requirement for the first time. Since the Procurement Plan includes a portion of MidAmerican’s jurisdictional Illinois load, MidAmerican should be permitted to participate as a party in this case.

3. The granting of MidAmerican's Petition to Intervene will not delay this proceeding.

4. MidAmerican requests the following people be placed on the official Service List in this proceeding:
