**NOTICE OF MODIFICATION OF CABLE SERVICE AREA**

1. Pursuant to Section 401(g) of the Cable and Video Competition Law of 2007, as amended (the "Law") (220 ILCS 5/21-401(g)), Mediacom Illinois LLC ("Mediacom" or "Applicant") hereby notifies the Illinois Commerce Commission (the "Commission") of a modification of the cable service area footprint described in Mediacom's Application for State-Issued Authorization to Provide Cable Service ("Application") in the above-captioned docket that was granted on January 23, 2014.

2. In the Application, Mediacom described the service area footprint as the City of Carbondale. (Application p.1). With this Notice, Mediacom is modifying that service area footprint to include **the Town of Chatsworth** (the "Modified Service Area Footprint"). 3. Concurrent with the filing of this Notice, Mediacom has served the Town of Chatsworth with a copy of this Notice and the Application.

4. Mediacom is an "incumbent cable operator," within the meaning of Section 21-201(m) of the Law (220 ILCS 5/21-201(m)) with respect to the Town of Chatsworth, as it

provides cable or video services under a franchise agreement with the Town of Chatsworth that expires on February 15, 2017, and is eligible to seek this state-issued authority pursuant to Section 301(c) of the Law (220 ILCS 5/21-301(c)).

Pursuant to Section 301(c) of the Law, on April 4, 2016, Mediacom provided written notice to the affected local franchising authority, the Town of Chatsworth, and subsequently to the Illinois Commerce Commission, of Mediacom's election to terminate its existing franchise agreement with the Town of Chatsworth and obtain a State-issued authorization. At least 180 days have passed since Mediacom provided this notice to the local franchising authority.

6. As shown below and in the attached Affidavit, Applicant satisfies the requirements of Section 401(b)(4) of the Law (220 ILCS 5/21-401(b)(4)) and, therefore, is eligible to obtain a State-issued authorization for the Modified Service Area Footprint.
